

Because Every Third Washing Machine Buyer Wants a Maytag, Pacific Northwest Homes Get a Solid Trainload

When you realize that over one-third of all the washing machines sold today are Maytags, you understand why Pacific Northwest Maytag shops must buy these wonder washers by the train load. And when you know the exclusive advantages of the Maytag—the faster, cleaner, easier, more thorough washing which no other machine gives—you realize why it is that more women prefer the Maytag than any other machine.

Easier, Faster, Cleaner Washing

Whole tubfuls in 3 to 7 minutes. The grimeiest work clothes, the dirtiest play clothes in 10 minutes. A whole family washing, 50 pounds (dry weight) in an hour. All with a gentleness and thoroughness unmatched by the most careful human hands.

Self Cleaning, Aluminum Tub

The satin-smooth, "machinery free" tub, without seams, corners or crevices to harm delicate fabrics, cleans itself in 30 seconds after a washing is done. Adjustable legs permit lowering and raising the Maytag tub to suit your height.

Collar and Cuff Bands Clean Without Rubbing

No hard rubbing follows a Maytag washing. Collars, cuffs and wrist bands come out spotlessly clean without destructive scrubbing, dragging or pounding.
