

# Dempsey-Tunney Match To Be Held In Philadelphia, Rickard Declares

## TITLE CLASH WILL BE ONE WEEK LATER

Present Plans Call Match September 23 in Stadium at Sesqui Exposition

NEW YORK, Aug. 18.—(By Associated Press.)—Jack Dempsey and Gene Tunney will meet for the heavyweight championship in the sesqui-centennial stadium in Philadelphia, Sept. 23, Tex Rickard announced tonight.

Rickard said that he had made his decision after receiving assurances from the Pennsylvania Athletic commission that there would be no interference with the match.

"I did not desire to bring the New York state athletic commission into the matter," he said.

Governor Pinchott has given his approval, according to the promoter, and Mayor Kendrick of Philadelphia has joined in the invitation. Negotiations were concluded tonight with Robert H. Young, secretary of the Pennsylvania boxing board.

Rickard deposited \$50,000 with Young, guaranteeing that he will stage the fight in the Quaker City. Present plans call for a seating capacity of 150,000 at the stadium with prices ranging from \$5 to \$50.

Rickard said that he would order Dempsey and Tunney out of their training camps in New York state immediately and that the champion will prepare himself at Atlantic City, as he did for the bout with Firpo.

The bout will be of ten rounds to a judge's decision and the New York and Pennsylvania commissions are understood to be in accord in the matter.

Ten per cent of the gross receipts will go to the exposition while the state will receive five per cent.

Only 75,000 can be accommodated in the stadium at present, the plans for the fight calling for doubling of the capacity by the erection of wooden seats.

HARRISBURG, Pa., Aug. 18.—Governor Pinchott, tonight said that he would stand by the decision of the Pennsylvania state athletic commission on the question of holding the Dempsey-Tunney heavyweight championship match in the stadium at Philadelphia sesqui-centennial exposition September 23.

SARATOGA SPRINGS, N. Y., Aug. 18.—(By Associated Press.)—"I will never again defend my title in New York state" declared Jack Dempsey, heavyweight champion, when informed tonight that arrangements had been completed to stage the Dempsey-Tunney fight in Philadelphia.

"From now until the day I lose the title I will fight elsewhere," Dempsey declared.

### Acid Stomach

"Phillips Milk of Magnesia" Better than Soda

Hereafter, instead of soda take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the souring waste from the system without purging. Besides, it is more pleasant to take than soda. Insist upon "Phillips." Twenty-five cent and fifty cent bottles, any drug store. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.—Adv.

FRESNO, Cal., Aug. 18.—(By Associated Press.)—With fire fighting crews concentrating at the mouth of Red Wood canyon tonight in an effort to save the giant red woods and sugar pine timber in that district M. A. Benedict, forest supervisor, announced that if the fire line can be held tonight, there is every indication the blaze which has burned over 60,000 acres of brush and timber may be brought under control.

Benedict who assumed charge of recruiting fire fighters in Fresno, sent 80 men to Badger, Tulare county, today to aid Frank Cunningham, forest supervisor, in his fight against the flames. Over 600 men are at work on the fire.

PORTLAND, Ore., Aug. 18.—(By Associated Press.)—Showers throughout Oregon and Washington have so lessened forest fire hazards that the situation is quiet. The only fires reported today were in the Wallowa national forest, one of which is already extinguished, and the other one is small.

The Powhate Ridge fire in the Wallowa forest is now under control. It is estimated the fire has burned 1000 acres. The big canyon fire is also under control after having covered 320 acres.

All fires are under control in the Whitman forest near Baker and none of the fires were reported.

### Lemon Juice Whitens Skin

The only harmless way to bleach the skin white is to mix the juice of two lemons with three ounces of Orchard White, which any druggist will supply for a few cents. Shake well in a bottle, and you have a whole quart-pint of the most wonderful skin whitener, softener and beautifier.

Massage this sweetly fragrant lemon bleach into the face, neck, arms and hands. It can not irritate. Famous stage beauties use it to bring that clear, youthful skin and rosy-white complexion, also as a freckle, sunburn and to bleach. You must mix this remarkable lotion yourself. It can not be bought ready to use because it acts best immediately after it is prepared.—Adv.
