

# Rev. George Henriksen, Retiring Pastor, Bids Silvertown Farewell

## REQUESTS UNITY IN FINAL SERMON

Congregations Join to Hear  
Message of Respected  
Pastor

By Little Madsen

SILVERTOWN, Aug. 30.—(Special to The Statesman.)—The Rev. George Henriksen, who has been pastor of Trinity church for the past nine years, delivered his farewell address to a crowded house Sunday morning. Not only members of Trinity church were there but many of those of St. John's. Outside friends were also present. No services were held at St. John's church in order that its members might have an opportunity to be present at Rev. Mr. Henriksen's farewell sermon.

As a short preface to the sermon Rev. Mr. Henriksen spoke briefly of the nine years he has spent here, and of his regrets at leaving. He extended thanks to the members of his own and of St. John's congregations for kindness shown him. He also thanked the business and professional men of Silvertown, mentioning the newspapermen in particular as having helped him get the church before the public. At one time the Rev. Mr. Henriksen was president of the Silvertown Community club, now the Chamber of Commerce. He spoke of this time as having left a particularly pleasant memory.

Going on to speak of the future of the church, Rev. Mr. Henriksen asked the members not to think of church as a question of language, but as a place of worship. For some time past two strong factions have been at work in Trinity church. One was called the Norwegian element, while the other was known as the English element.

Last January a bi-lingual program was submitted whereby services were held in both languages each Sunday. Many, especially among the younger members, considered the new program satisfactory as long as the congregation contained members who could understand but one of the languages. Rev. Mr. Henriksen, upon whom the task of preparing two sermons in different languages each Sunday fell, expressed himself as being well satisfied with the success of the bi-lingual services. At that time he remarked that the question was not and should not be made one of language, but that the idea should be to get the Word of God before the greatest number of people, no matter how many languages it was found necessary to use.

However, at the quarterly meeting of the congregation in April the bi-lingual services were discontinued and the old church program of Norwegian one Sunday and English the next was again adopted. This, the Rev. Mr. Henriksen declared, led to irregular church attendance on the part of the young people who could not understand the Norwegian sermons. So in his farewell sermon he asked all to forget the language question and think only of how to get the gospel to the greatest number of people. He asked the young people to be patient with and to consider the older members who built up Trinity congregation; and in turn he asked the older members to consider the younger people, with whom the future of the congregation lay.

The question of union between St. John's and Trinity congregations has been under discussion for years. Committees were formulated and plans seemed to become more definite this summer. In order to facilitate this union, the Rev. Mr. Henriksen resigned as pastor of Trinity church, his resignation being closely followed by that of the Rev. S. J. Lindseth, pastor of St. John's church. The Rev. Mr. Henriksen has accepted the position as educational and field secretary for Pacific Lutheran college at Parkland, Wash.

The Henriksens will make their headquarters on the college campus although the work as secretaries will take Rev. Mr. Henriksen all up and down the Pacific coast. Miss Louise Henriksen, a member of the June graduating class of the Silvertown high school, will attend school at the college this coming year.

Much regret is expressed both by members of Trinity congregation and by the Silvertown business and professional men at the leaving of the Henriksens. Many express the hope that Rev. Mr. Henriksen will some day again be pastor of a Silvertown congregation.

Rev. Mr. Lindseth will remain at Silvertown and act as pastor for both congregations for the time being until the question of union becomes more definitely settled. For the time being services will be conducted alternately at St. John's and Trinity churches. On next Sunday services will be held at St. John's church in the Norwegian language at 10 o'clock, and in the English language at 11 o'clock. Sunday schools will be held in both churches at 10 o'clock as heretofore.

## CANADIAN VESSEL SAFE JAPANESE SHIP REPORTED IN SERIOUS CONDITION

VANCOUVER, B. C., Aug. 30.—(AP.)—The steamer Canadian Coaster, which today hit Pine Island, Queen Charlotte Sound, floated and proceeded, and the Japanese freighter Kaikyuu Maru, which yesterday was reported a loss after striking on Ripple Reef, Johnson Strait, was pronounced "in a serious condition with holds full of water."

The Canadian Coaster freed herself and started for Pine Island, 200 miles northwest of here, for Ocean Falls, B. C., to load for California. She was released that she was undamaged.

The steamer Salvage King, reaching Ripple Reef, 175 miles north of Vancouver, found that a report that the boilers of the Kaikyuu Maru has exploded was false.

## MINTO PASSES ENDING LONG LIFE OF SERVICE

(Continued from page 1.)  
position as chief of police of Portland in 1894 and headed the city's forces until 1897. Federal office again lured him, and in July of 1904 he became postmaster in Portland, retiring in April, 1909.

The state board of control appointed him warden of the Oregon penitentiary in September, 1915, to succeed his brother, Harry P. Minto, who had been shot and killed near Albany by Otto Hooker, escaped convict.

Besides his wife, Mrs. Kate Minto, Mr. Minto is survived by a daughter, Mrs. Laura Erwin of Portland; a brother, Douglas Minto of Salem, and a sister, Mrs. Robert C. Halley, also of Salem.

Frank Minto, Salem's chief of police, is a nephew of the deceased. In the early days, John W. Minto served as policeman and chief of police of Salem. Those were times when such positions required men of courage, and he was absolutely fearless. While he was sheriff of Marion county there were several breaks from the penitentiary, and he was in the forefront of the forces that pursued and rounded up the escapes.

The old timers of Salem could tell many true stories of the acts of unflinching bravery of John W. Minto. He never even considered the idea of fear when duty called him.

Henry O. Miller, 184 S. Com'l. St., where most people prefer to get their auto parts for all makes of cars. Trade here and make savings on all auto parts.

## MOTHER-IN-LAW VISITS

NORTHAMPTON, Mass., Aug. 30.—(AP.)—Mrs. Elmyra Goodhue, mother of Mrs. Calvin Coolidge, today left for Paul Smith's, N. Y., where she will be a guest of President and Mrs. Coolidge at the summer White House.

## PEN OFFICIALS RESIGN

Resignations of three officials at the Oregon state penitentiary here were announced yesterday by Warden Little. The retiring officials include Asa Fisher, day captain; W. M. Miller, principal keeper; and Harry Jones, who has charge of a post on the wall.

Mr. Fisher will be succeeded by Ivan McLean who until recently served as night yard captain at the prison. John Griffith, guard, has been promoted to night yard captain. George Robinson, chapel guard, will succeed Mr. Miller as principal keeper.

Warden Little refused to confirm a report that the resignations were in connection with a shakeup at the institution. He insisted that the officials retired voluntarily.

## FEW STILLS IN MAINE

AUBURN, Me., Aug. 30.—(AP.)—Maine's liquor situation is quite satisfactory in the opinion of United States prohibition commissioner Roy A. Haynes, who was here today on his annual inspection of the New England division.

But Mr. Haynes predicted a springing of stills in the bootleggers' desperate attempt to keep the state supplied with illicit liquor.

## COMMISSIONERS' COURT

The following is the official publication of the record of claims before the Marion county commissioners court for the Aug. term, 1926, with the amount allowed, bills continued, etc., according to the records in the office of the county clerk.

(Continued from Sunday's Daily)

## Girl Bandit, 17, Is Sought When Hold-up Plot Fails

Bold Move on Car Barn Ends Fatally When Police, Leaving  
Ambush, Open Fire, Thieves Escape Through  
Barrage From Officers

CHICAGO, Aug. 30.—(By Associated Press.)—A 17 year old titian-haired girl from the rural districts near Green Bay, Wis., tonight became the central figure in a police investigation of a car barn bandits' raid here last night in which seven men were shot, two fatally. A second girl, Marie Nolan, is described by Miss Frances Vaughn, the Wisconsin maid, as being the "brains" of the plot to rob the car barn cashier's office of \$6000 and a search for her is being made.

The Nolan girl escaped in the bandit's car in a shower of bullets fired by a policeman, who they could fire upon the robbers. While one robber lined up a number of street car men in an outer room, two others entered the cashier's office and demanded the money.

The cashier, instructed by police, dropped to safety on the floor, and a fusillade of rifle and pistol shots answered the request from behind hidden walls.

Ernest DeLavern shot four times in the back and shoulders escaped, but was found today in a deserted flat lying on a cot in a serious condition from loss of blood. Joseph was killed, and Maloney was shot in his attempt to escape. He died.

Three police officers and a car barn superintendent were grazed by bandit's bullets.

Oregon will produce about 70,000 pounds of dried prunes this year.

## THREE INJURED IN RIOT POLICE USE CLUBS TO HOLD BACK STRIKERS

MANVILLE, R. I., Aug. 30.—(AP.)—Three persons were injured tonight when police and deputy sheriffs used clubs to hold back a crowd of strikers and strike sympathizers at the mills of the Manville-Jenks company here. One of those injured was a woman.

Last night an attempt was made to set the mill afire and early today an official and a watchman were severely beaten by picketing strikers.

The disorders were prompted by the appearance of 16 strike breakers in armored cars last night.

Acclimated ornamental nursery stock, evergreens, rose bushes, fruit and shade trees at Percy Bros. in season. We have our own nurseries. 178 S. Com'l.

A real buy in 1925 Buick Sedan. Runs and looks like new. All used cars are real values at Otto J. Wilson's, the Buick Garage, 388 North Commercial.

## INSURGENTS TAKE CITY SEVERAL KILLED AFTER NINE HOURS FIGHTING

MANAGUA, Aug. 30.—(AP.)—Collector of Customs Wilson reports from Puerto Cabezas that the liberal revolutionaries have captured the port after nine hours fighting. Several persons are

said to have been killed or wounded, among them some non-combatants.

Mr. Wilson reported that the customs service has not been molested so far.

## GAINES ASKS NEW TRIAL

ATTORNEYS STATE MORE EVIDENCE IS UNCOVERED

SEATTLE, Aug. 30.—(AP.)—A motion for a new trial for Wallace Cloyes Gaines was filed in superior court here today. Gaines was convicted August 19 of murdering his 22 year old daughter Sylvia June 16 and the penalty was set at death.

In making the motion, Gaines' attorneys said they had discovered evidence favoring Gaines after the trial had been concluded.

## EARTH TREMOR RECORDED

VICTORIA, B. C., Aug. 30.—(AP.)—The Gonzales heights observatory here recorded a severe earthquake beginning at 3:51 this morning and continuing three hours. The center was placed 5,900 miles away.

# Here's a Chance to Help Salem and Vicinity Grow

IN order to carry on its vast program of extensions, betterments and improvements demanded by the rapid growth of the many communities served, this Company will need over \$3,000,000 of new capital each year for a number of years.

Securing this new money by inviting our customers and the public to become profit-sharing partners with us has proved eminently satisfactory to both the shareholders and the company. This policy has been in effect for five years during which employees, customers, patrons and the public have purchased millions of dollars' worth of our securities.

Therefore, to meet our heavy capital requirements for the next year or two, we have decided to offer to the public, beginning Wednesday, September 1, a new issue of First Preferred Stock. The dividend rate is \$6.00 per share per annum. This issue is cumulative as to dividends, and is non-assessable. It is to be sold for \$90 a share, cash or on easy terms (\$10 per share down, and \$10 per month). It will yield you 6.67% interest on your money, and the dividend checks will be mailed to you quarterly, on the first day of March, June, September and December. On the monthly-savings plan we will pay you 6½% interest on deferred payments.

The safety and soundness of this investment is amply assured, for behind every share of it are the vast assets and steady earning power of the Greatest Public Utility enterprise in Oregon.

The enduring, reliable character of this investment, its dependability as to returns to the investor, its ready marketability if he has to sell his holdings—these all contribute to make it an attractive one to offer to all persons who cannot afford to lose. Our primary purpose in offering you this opportunity is to obtain your personal, friendly interest as a shareholder; your help and advice towards making this great public service institution a better and more efficient public servant in every way. We are withdrawing from the market our present 7.2% First Preferred Stock, of which nearly \$4,000,000 worth has been purchased by our employees, customers and the public, in a little over two years. We feel, however, that a good, sound investment in a great and growing Home Industry like our company, which will yield 6.67% on your investment is a highly attractive opportunity.

It must not be overlooked that full assurance of regular returns and absolute safety of principal are primary considerations in any investment.

These new First Preferred Shares possess both these features.

Further announcements concerning this excellent opportunity for you to put your money to work at an attractive rate of interest will be made from time to time in the daily papers.

In the meantime, think this proposition over carefully and call, write or phone to our Investment Department and we will gladly give you further information about it.
