

## ALAN FORREST AT THE OREGON TODAY

"Rose of the World" Has Patsy Ruth Miller as Daring Hero

The Oregon theatre feature today will be one of Warner Bros. Classics of the Screen "Rose of the World" with Patsy Ruth Miller in the title role.

This picturization of Kathleen Norris' popular novel has been termed by reviewers in other cities as one of the most powerful romances ever screened, depicting the color and drama in the everyday problems of real people.

Harry Beaumont, who directed "Rose of the World" as his first production under his new contract with Warner's, had a collection of brilliant players in addition to Miss Miller to portray the vital characters of the story. Alan Forrest, Pauline Garon, Rockcliffe Fellowes, Barbara Luddy, Alec Francis, Helen Dunbar, Lydia Knott, Edward Piel, Jr., and arte Clark are included in this all-star cast.

Nearly 3500 Students Expected to Register for Coming School Year

UNIVERSITY OF OREGON  
Eugene, Sept. 1.—On Sept. 27 the University of Oregon will open its doors for the regular session, marking a half century of service to the state.

The fall term lasts until December 17, when Christmas vacation starts. On Jan. 3 the winter term begins. After spring vacation the spring term opens March 28, lasting until June 13, which date officially closes the year-with commencement exercises for the class of 1927.

### "LOST MINE" IS CLAIMED

#### PARTY OF FIVE FILES; LOCAL LEET SECRET

KLAMATH FALLS, Ore., Sept. 1 (A.P.)—Legendary wealth in the dense forest covered mountain ranges at the east head of the east fork of the Deschutes river has at last been definitely located, according to a party of five which yesterday filed mining claims there. In the party were Egbert L. Dyer, Lola B. Usher, G. E. Bagley, G. B. Bagley and John W. Usher.

They declined to give any information concerning their find and could not be located after leaving the office of the county clerk. A mythical "lost" mine, concerning which Indians, tribesmen of two generations ago, were reputed to be familiar, has been the object of search by occasional parties from here in years past.

The country in which the strike was made is unsurveyed, and the locators designated it simply as being 20 miles from the nearest surveyed section corner.
