

# Fifty-one Show Tickets Awarded Local Children

### Judges Hold Contest Open One More Day for Benefit of Rural Children, Only; Tickets to be Given Out at Statesman Office Today

Fifty-one boys and girls under 10 years of age won free tickets to the 101 Ranch Real Wild West and Great Far East show coming to Salem Friday, Sept. 3, according to the judges' decision, when sets of Statesman colored pictures submitted were carefully graded, and tickets accordingly awarded.

Through failure of one of the pictures to arrive in time for early publication, judges last night decided to meet again Thursday evening to consider sets of colored pictures sent in by children in the rural districts. All envelopes containing colored pictures sent from rural districts and bearing a Thursday postmark, will be considered for ticket awards.

Tickets won by children whose names follow will be given out between 9 a. m. and 5 p. m. today, and 9 a. m. and 5 p. m. Friday.

## FAMOUS BATTLES for the HEAVYWEIGHT TITLE

Associated Press  
Sketch No. 3  
"Silence" was the watchword when Bob Fitzsimmons stopped Jim Corbett in 14 rounds at Carson City, Nev., March 17, 1897.

Billy Madden, master of ceremonies, warned the 6000 persons present that no unseemly shouting would be tolerated.

Hear the voice of the master: "You will please keep order. If there is any excitement or shouting it will only interfere with the men. Please remember that there are ladies present."

When the principals were in their respective corners, the county physician entered the ring and examined their gloves. No one else knew why, and he did not say. He then felt their pulses.

Statisticians announced that 362 blows were struck, 221 delivered by Corbett and 141 by Fitzsimmons.

Mrs. Fitzsimmons coached her husband, begging him to devote his attention to Corbett's ribs.

Corbett was very angry after the bout and told Fitzsimmons that if he refused to meet him again he would lick him the first time they met on the street.

## Acid Stomach

"Phillips Milk of Magnesia" Better than Soda

Hereafter, instead of soda take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the souring waste from the system without purging. Besides, it is more pleasant to take than soda. Invest upon "Phillips." Twenty-five cent and fifty cent bottles, any drug store. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.—Adv.

## COMMISSION GIVES PERMIT FOR SPUR

Applications and Complaint Considered by Public Service Commission

Fred A. Williams, city attorney here, has filed a complaint with the public service commission in which he alleged slow and inadequate service on the part of the Western Union Telegraph company.

Mr. Williams alleged that while at Oakland, Ore., recently he sent a telegram to Eugene, for which he paid 35 cents. He said the telegram was filed shortly after 7 o'clock but was not delivered until two hours later. He requested that the amount be paid for sending the telegram be refunded.

The commission yesterday granted an application of the Nehalem Timber company for permission to construct a spur track across the St. Helens-Vernonia highway in Columbia county.

An application filed by the city of Carlton asking for permission to establish a grade crossing over the tracks of the Southern Pacific company on Washington street was denied.

Frank Bouten and George S. Gothro have filed application with the commission for the return of \$788.06, which it was alleged was overpaid by the complainants in connection with the shipment of logs.

In another application the Southern Pacific company has requested permission to construct a spur track across First avenue
