Bishop; Clarence Morton, Jr., son of Mr. and

Mrs. Clarence M. Bishop, and Chauncey Bishop's two sons, Robert Chauncey and Charles Kay.

Bishop, Mrs. C. D. Gabrielson, Mrs. Thomas C. Taylor of Portland, Mrs. Douglas McDonald of Portland, Mrs. Henry B. Thielsen and Mrs. Thomas A. Livesley.

Business and Professional Women Hold Sixty-Cover Dinner

Fifty members of the Salem Business and Professional Women's club and ten guests were entertained in a most enjoyable manner on Wednesday afternoon when the group met at the New Salem hotel for dinner and a delightfully planned program.

The program of the evening was a talk on "The Personalities of Oregon Writers," given by Miss Mozelle Hair of Eugene. Miss Hair gave many intimate facts concerning the prominent writers of the state and gave selections from the Oregon poets with whom she dealt.

Miss Dorothy Grant gave two vocal solos, "Goodbye to Summer" and "The False Prophet" with Mrs. Purvine at the piano.

As an additional feature, each member of the club was asked to tell the nature of her particular occupation.

The following new members were announced during the evening: Miss Carrie Martin, Mrs. Gilliam and Mrs. John J. Rottle. The club is now sponsoring a "membership drive" with Mrs. Emma Haley and Miss Merle E. Dimick the captains.

A report on the rummage sale was heard Wednesday. The sale, which was managed by Mrs. Susan Varty, was probably the most successful the club has ever held.

On November 5 the club will hold a dance in Derby hall. Miss Carlotta Crowley and Miss Lillian Schroeder are in charge of the arrangements.

Dr. Doney in Eastern Oregon

Vapors stop Colds

VAPORS reach a cold directly because they are breathed right into the air passages and lungs. It is for this reason that Vicks Vapo-Rub brings such quick relief. When rubbed over throat and chest at bedtime—

It is vaporized by the body heat and inhaled, while you sleep, right to the affected parts, loosening the phlegm and easing the difficult breathing.

At the same time it acts through the skin (like a poultice or plaster) "drawing out" the pain and soreness.

Most colds yield by morning to this double action of Vicks.
