

Pelz and Bayes Complete Training Now in Readiness for Fast Battle

FAST FIGHT CARD WEDNESDAY NIGHT

Heavy Ticket Sale Brings Addition of More Ringside Seats Says Plant

Benny Pelz and Phil Bayes will put the finishing touches to their training today in order to be ready to step into the ring tomorrow

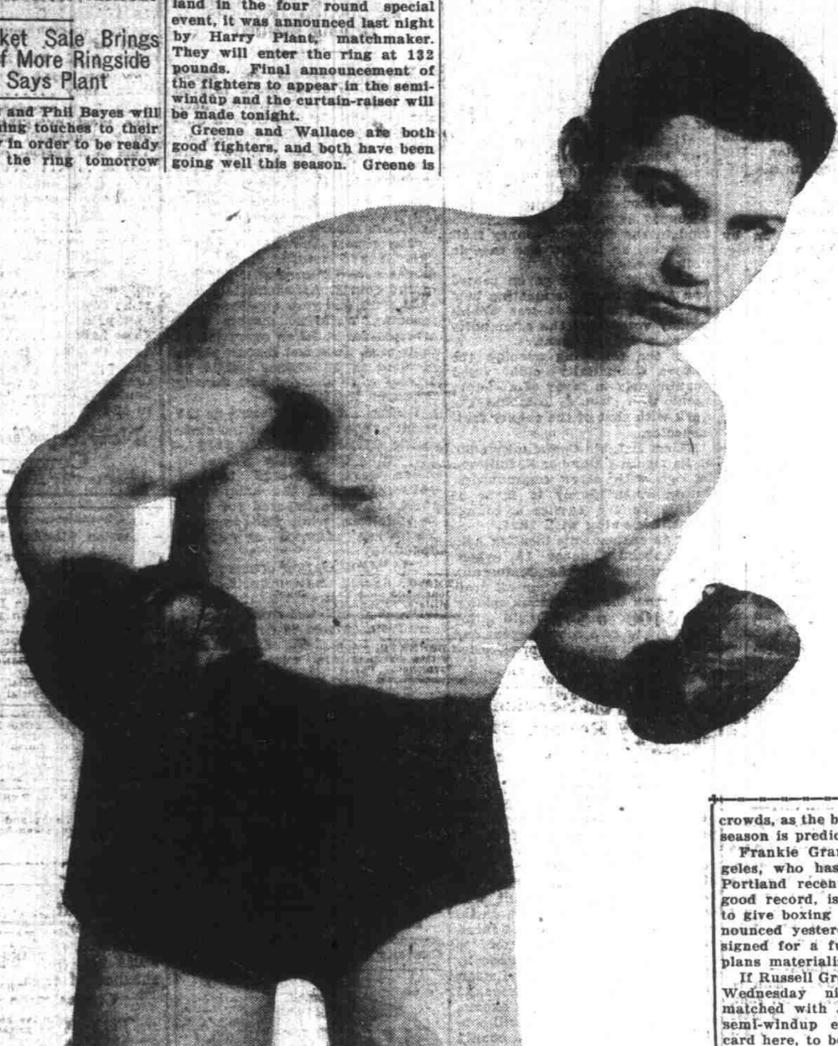

ing in good condition. He weighed 126 last night and expects no trouble in taking off the last two pounds.

Russell Greene of Salem will tackle Bobby Wallace of Portland in the four round special event, it was announced last night by Harry Plant, matchmaker. They will enter the ring at 132 pounds. Final announcement of the fighters to appear in the semi-windup and the curtain-raiser will be made tonight.

Greene and Wallace are both good fighters, and both have been going well this season. Greene is

knocked out Eddie Tracey in the first card of the season here. Since then he has been keeping up the same good record, and will enter

the fight, giving evidence of the popularity of Pelz and Bayes here. An extra row of ringside seats has been added to help handle the

night in first class condition. Bayes is getting down to 124 pounds for the fight, and is stay-

a local boy and his capability is well known to fight fans here. Wallace is the same boy who

the ring, ready to give Greene the fight of his life. There is a big ticket sale for

crowds, as the biggest house of the season is predicted. Frankie Grandetta of Los Angeles, who has been fighting in Portland recently and making a good record, is coming to Salem to give boxing lessons, it was announced yesterday, and may be signed for a future card here if plans materialize.

MORGAN MAINTAINS LEAD OVER DUNDEE

Junior Lightweight Championship Contestants Ready for Title Bout

SAN FRANCISCO, Oct. 18.—(AP)—Tod Morgan, world's junior lightweight champion, and Johnny Dundee, New York challenger, reached the end of their long training periods here today preparatory to their 10 round title bout here tomorrow night—the first season of its kind to be held in this city since 1924.

LATE FIGHT NEWS

NEW YORK, Oct. 18.—(AP)—Benny Bass, Philadelphia bantam, outpointed Frankie Garcia of California, in a ten-round bout here tonight. Bass scored the only knockdown with a short right to the head in the sixth round. Bass weighed 125½ pounds, Garcia 126.

LOUISVILLE, Ky., Oct. 18.—Young Strubling, Atlanta light heavyweight, won his fight with Soldier Buck, Louisville, here tonight by a knockout in the fourth round of their 12-round bout.

CHICAGO, Oct. 18.—Tommy Loughran, Philadelphia light heavyweight, won a referee's de-

cision tonight over Martin Burke of New Orleans in a ten round contest here. Loughran weighed 175½ and Burke 171 pounds.

Loughran showed superior boxing skill and set the pace for Burke.

scheduled head line bout at the Hippodrome here tonight, when he clipped Trambitas with a left to the eye that knocked the Portlander down for the count of five. As Trambitas stumbled to his feet Garfinkle drove a right hook to the jaw again flooring him for the count. Trambitas weighed 148 pounds and Garfinkle 149.

Measurements taken today revealed that Morgan would have considerable advantage over his opponent in height and reach, although Dundee is of a more rugged physical structure. The title holder is five feet, six inches in height and has a reach of 71 inches as compared to the five feet, four and one half inch height and 66 inch reach of the New Yorker. Morgan is 22 years of age; Dundee 33 years.

BUSINESS WILL BE GOOD

Good business now seems assured for the rest of 1926. Prosperity prevails in most lines of industry; agricultural conditions and prospects are much better than they promised to be three months ago; and employment is general with wages high. The normal autumn expansion of business activity is beginning, and beyond that there is in prospect the best season for holiday trade that the country has ever had. Under these conditions there is no reason to entertain anything less than full confidence in the prospects for general business during the remaining months of this year.

The longer look into the future reveals nothing that is alarming but it does not appear to offer so clear a prospect as that which is immediately ahead. The present period of sustained prosperity has been buttressed by long-continued profitable activity in the three great industries of building construction, iron and steel, and automobile manufacture. These have constituted a kind of industrial tripod resting on a foundation of easy interest rates, and forming a framework for the support of a protracted period of better-than-normal business.

BEARCATS IN RUT SAYS SPEC KEENE

Cripples Improving, Meet Multnomah Friday Only Using Five Plays

The Willamette university football team will be in fair physical condition for the game with Pacific October 30, it was announced yesterday, but the mental attitude is a different story. The men still have a listless and lack of ambition in practice.

Clininger and Zeller, halfbacks, who have been out for a long time with injuries, are both back in uniform, and many of the other cripples on the squad are recovering. Most of them will be able to play at least part of the game against Multnomah club Saturday. Coach Keene believes.

The team showed some improved spirit in a scrimmage session Saturday, but not much.

"They looked like a football team for about four plays," said Coach Keene, "and then they lapsed back into the same old hopeless, indifferent rut. They must get a lot more fire and spirit into them before they can ever hope to do anything in a game."

The first real test of the team's offensive power will come in the Multnomah game Saturday next. Keene has been teaching his men five different plays, and says he will go through the season without trying to teach them any more unless they show more aptitude in learning the five.

The coach plans to use two full teams against Multnomah, win or lose. He will send them in as individuals, not as teams, in the hope of developing some kind of a combination with a little offensive threat.

PUGILISM'S TITLE CHAMPIONS LISTED

National Boxing Commission Approves of Desposing Phil Rosenberg

DETROIT, Oct. 18.—(AP)—Desposing Phil Rosenberg as bantamweight titleholder and declaring the featherweight title vacant through the inability of Kid Kaplan to make the weight, the National Boxing association today approved a list of world champions. The list follows:

Heavyweight—Gene Tunney.
Light heavyweight—Jack Delaney.
Middleweight—Tiger Flowers.
Welterweight—Pete Latzo.
Lightweight—Sammy Mandell.
Featherweight—Open.
Bantamweight—Bud Taylor.
Flyweight—Fidel La Bara.

An argument arose among members of the association, here for their annual convention, over the endorsement of Taylor for the bantamweight title. The convention earlier had supported the action of the Illinois boxing commission in suspending Rosenberg for life and transferring his crown to Taylor. When the championship list came up for action, however, there were expressions that titles should be won in the ring and not awarded by any governing body.

When Thomas E. Donohue, Connecticut commissioner, pointed out that Taylor was to have been Rosenberg's opponent in the championship fight and that Rosenberg's failure to post his forfeit prompted the Illinois action, the convention approved without discussion the bestowal of the championship upon Taylor. The association also voted to seek the repeal of the law prohibiting the interstate shipment of moving pictures of boxing contests.

Major League Men Will Meet Pacific Coast Champions in Exhibitions

LOS ANGELES, Oct. 18.—(AP)—A benefit game between a team of major league players and the Los Angeles Baseball club, champions of the Pacific Coast league, will be played at Wrigley field here tomorrow.

The major league team is much the same as the one that Baseball Commissioner Kenesaw M. Landis restrained from playing in an exhibition game here last Sunday before the Pacific Coast league had ended.

Proceeds of the game will be turned over to the Association of Professional Ball Players, an organization taking care of former ball players' in needy circumstances.
