Match haker Plant Arranges Fast Preliminaries, Large Crowd Expected

Benny Pelz, in the pink of condition, and full of confidence in his ability to send Phil Bayes to dreamland in an early round, is expected to arrive in Salem early this morning to go through a light preliminary workout in preparation for tonight's battle at the armory at 8:20 o'clock.

Bayes has been working assidulously to get down to the weight of 124 pounds at which he has agreed to enter the ring. He expressed complete satisfaction in his efforts, and expects to make the weight easily, with a little to spare, when the fighters weigh in this afternoon at 2 o'clock.

The best card of the season is assured Salem ring fans by Harry Plant, matchmaker, with a list of first class preliminary events. Ed Moore and Norman Sells, bantamweights, were signed to meet in the semi-windup event, final ar-
