

## SALEM WILL HAVE EXPERT ON PRUNES

Marketing Bureau Sends Man at Request of Senator McNary for Help

Immediate organization of the prune growers of Oregon and Washington to the end that their product may be marketed through cooperative methods, will be undertaken by a representative of the bureau of cooperative marketing, federal department of commerce, who is to make his headquarters in Salem.

This was announced here yesterday by Senator C. L. McNary, following receipt of a telegram from Secretary of Agriculture Jardine. It was said that Senator McNary some time ago requested that a representative of the department be sent to Salem.

In his request for the assignment of the official to Salem, Senator McNary pointed out that the prune industry had suffered materially as a result of marketing conditions and that the growers were in need of immediate relief.

The name of the official to be sent here was not contained in the telegram received by Senator McNary.

RED GRANGE STAR OF OREGON FILM

'Galloping Ghost' and Other College Players Hold Real Grid Game

Red Grange, idol of a million football fans, makes his screen debut in a surprisingly convincing and likable manner in the Great-er P. O. production, "One Minute to Play," which played yesterday at the Elsinore, has been transferred to the Oregon today to permit the Moroni Olsen players to put on "Dear Brutus" at the Elsinore theater tonight.

Grange is not only the peer of gridiron heroes, and shows it in the football sequences, but has a charming screen personality and is a really excellent actor as well.

The picture is, of course, based on football, and carries the "Illini Flash" through his riotous entrance into college, his difficulties with parental orders on one hand and college loyalty on the other, to a brilliant and thrilling climax in which his marvelous genius for making spectacular runs is emphasized to great effect. A delightful romance, and plenty of comedy are added and welcome features.

## MULTNOMAH CALLS OFF-BEARCAT GAME

Coach Keene Says Squad Needs Practice, Endeavors to Secure Contest

The scheduled football game for Saturday between Multnomah club and Willamette University was called off by the club management yesterday morning, as the team has disbanded for the season, discouraged by reverses it received at the hands of OAC and Gonzaga. No game has been scheduled by Coach Spec Keene to replace it, as all efforts he made have failed.

Immediately on learning of the cancellation, Coach Keene began attempting to schedule a game with any team he could get, but found that there is no team in the state of Oregon, apparently, that is willing to give Willamette a game.

A call was sent to OAC to find if the reserves of the Rook team would play the Bearcats, but they wouldn't come. Keene then tried to get a scrimmage session with the OAC varsity, but that attempt also failed. Keene says he will keep trying, as the team needs the practice badly, but has little hope of success in such an eleventh hour case.

The Multnomah runout came out of a clear sky, as not even rumors had been received of the proposed disbandment. The game had been regularly scheduled, the

Willamette management had printed posters and sent them out, and had made all the arrangements, and is now left holding the sack.

The effect of this cancellation is hard on the team, as it makes a three weeks rest since the Washington game, with the next contest one of the most important conference games, against Pacific next Saturday.

The team needs the practice it can get only by playing some conference game early in the season, so the men can be in good playing condition for the conference opening.

The Oregon and Washington games were too uneven to give the men this training, so it now has to start the season without the confidence gained by playing some team of approximately its own strength.

The squad has become further handicapped by injuries. Crainor, flashy backfield man from West Linn, is out with torn muscles in his hip. He may be back in shape for the Pacific game if the injury heals fast enough. Sandberg is out for the season with an injured knee. The knee is so bad that he can only navigate with the aid of crutches.

In case no game can be arranged for Saturday, the team will go through scrimmages, and probably go to Portland in the afternoon to watch the Whitman-Pacific game.

The cold usually ends in a day. It rarely gets started, even, if one takes these tablets promptly.

This method is called HILL'S. Its use has grown and grown until millions now employ it. Don't rely on lesser help. A cold is too important.

And don't delay. Things will be very different tomorrow if you start HILL'S now. You will keep them ever-ready after that.

Badgers Have Slight Lead Over Ancient Rival Team

Portland, Ore., Oct. 20.—(AP)—Two colorful teams which have proved to be dark clouds on the hopes of larger elevens, meet in the "little" football classic of the northwest conference when Whitman and Pacific play here Saturday.

The brilliant showing of Leo Frank's Pacific team in the game with Oregon gives the Badgers a slight edge, it is said. On the other side of the balance is the powerful Walla Walla squad, with 16 veterans back. Coach Frank spent this week in developing an aerial attack, one of the things the smooth working Forest Grove team has been noted for in many seasons.
