SULPHUR CLEARS PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist. Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Mentho-Sulphur and use it like cold cream.

National League of Women Voters Issues Public Letter To The Voter

Statistics prove that our judgment has improved, even though the pessimists of the country do not agree with us. The change has been made by thinking people; thinking with the vote. Democracy's very existence depends upon people thinking for themselves but not of themselves, and we believe it is the people who vote who will make the world safe for democracy.

Lady Astor said: "There are always men and women who shout 'My Country,' right or wrong, but I have noticed that the flag wavers are not the flag savers and the men who defend the flag are the last to boast of it. The people who help their countries are the ones who are willing to face what is wrong in it and strive to put it right."

National pride is a splendid thing but patriotism is not enough, we must educate ourselves first and then think with the vote. Miss Belle Sherwin, President of the National League of Women Voters gives five reasons why every citizen should exercise his voting rights at the polls today:

1. To vote is the simple duty of a citizen.

2. To vote is the least a patriot can do for his country.

3. The ballot—with power to make or mar—follows every voter and not-voter home.

4. The influence of the ballot reaches to all countries.

5. Voting is the only way by which the will of every man or woman—your will—can be counted in public issues.

Revival Meetings Prove Successful

The revival campaign now being conducted at the Evangelistic Full Gospel assembly, old YMCA building, Commercial and Chemeketa streets, is meeting with wonderful success.

Evangelist Ronald L. Crozier, who is conducting the campaign, has just finished a tour of western Canada, where his vivacious manner and power of delivery has won for him the title of the "Live wire revivalist from jazz orchestra to the pulpit."

Sunday, the first day of these meetings, was a day of real blessing. Evangelist Crozier has exceptional musical ability and his renditions on the cornet is adding to the interest. The meeting will continue every evening at 7:45 and it is expected that a great wave of old time salvation will sweep over this community. Every one is invited to attend these meetings.
