

STANFORD DEFEATS CALIFORNIA, 41-6

Cardinals Win Pacific Coast Championship and Remain Undeclared

MEMORIAL STADIUM, BERKELEY, Cal., Nov. 20.—(AP)—Stanford University downed the University of California eleven here today by a score of 41 to 6, clinching the Pacific coast conference championship and remaining undefeated for the season. Crushing the Golden Bears un-

der a stunning offensive, Stanford rolled over a pair of touchdowns in the opening period, followed it with two more in the next quarter and ended a brilliant display of football in the final fifteen minutes with as many more crossings over the line of its traditional rival.

California's single tally came in the second period after blocking a Cardinal punt.

Thrilling runs by Hyland and the steady line plunging of Bogue, another half back, spelled destruction for a fighting California eleven which ended its conference season without a victory and five defeats.

"Private Izzy Murphy" Show New York Parade of U. S. Soldiers

In "Private Izzy Murphy," the Warner picture starring George Jessel, featuring Vera Gordon and Patsy Ruth Miller showing last times today at the Elsinore theater in conjunction with five acts of Association vaudeville, the actual parade of the returning "Old Sixty-Ninth" up Fifth avenue is shown with Jimmie Walk-

er, Governor Smith, Mayor Hyland, William Randolph Hearst and other notables in the reviewing stand.

Private Izzy Goldberg had taken the name of "Murphy" for business reasons and when assigned to the Irish regiment he still kept the name, thinking the thorny path might be made a bit easier. The boys accepted him as "Private Izzy Murphy," a name which he never disgraced.

His parents came from the Ghetto to witness the big parade, but with broken hearts, for word had come that their boy had been killed in action. Then they see him, proud in his O. D. helmet, gun, hobnails, puttees and all!

It's a hate, heart-warming picture, "Private Izzy Murphy." It is a breeder of tolerance. A story of youth, bravery, love and honor with many a chuckle and an occasional tear, and the inference that it's a pretty good old world after all!

YMCA Planning to Hold Three New Classes Soon

Three new classes will be started at the YMCA in the next week or two. A class in industrial management, put on by an instructor from the commerce department at OAC, will begin December 3. This course is planned for men who have positions as foremen or overseers in factories or who aspire to them.

A class in public speaking, under a faculty member from Willamette university, will begin December 1. This is the sixth year the YMCA has put on such public speaking classes.

A class in parliamentary procedure will begin November 23. This class, which will also have a Willamette university instructor, will be limited in number of students.

A few houses have a slight increase in business on territory 50's and 48's, 50's combing wools. Trading was fairly general on requested grades of territory for houses having stock ready to deliver.

SYRACUSE, NEW YORK, U. S. A.

November 6, 1926.

Mr. C. P. Bishop, Bishop's Clothing & Woolen Mills Store, Inc., Salem, Oregon.

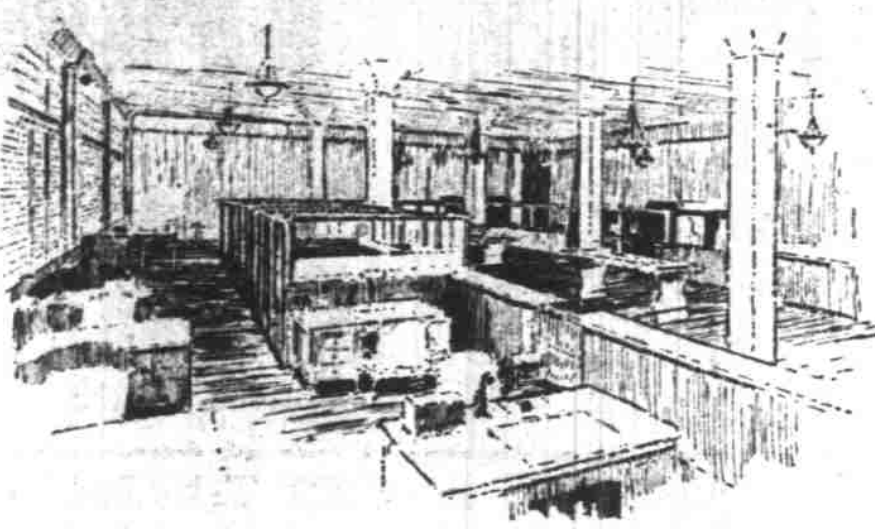

My Dear Mr. Bishop:

We have received the newspaper in which appeared the write-up of the "Miles Linen Shoe Thread" and read the article with a great deal of interest.

You will be interested to know that your shoes are all in the works and that the welt is being sewed with the Miles linen thread. We have been in touch with the mill in regard to linen thread for stitching the sole, but as yet they have not secured the proper equipment to make this particular product. They are planning to do so, however, in the near future and as soon as the product is produced we will no doubt hear from them again.

You may rest assured that these shoes are being made as quickly as possible consistent with good shoemaking and will be shipped you as soon as ready.

Very truly yours,
A. E. NETTLETON CO.
