

TRAGEDY SOMETIMES HAPPENS

at E. C. Saddle, well known shoe manufacturer, was taken suddenly by death. The large department stores the stock was finally sold by the assignee for the benefit of the excellent shoes, made expressly for the fine trade, at a great discount. These we are now placing on sale, are without doubt the lowest that have been heard of in many years. Such price cutting as occurred here a tragedy is concerned, either where one has lost out in business or where a fellow bids the stock for the benefit of the creditors.
