

BOARD DISCUSSES ELECTRIC CLOCKS

Property Owners Request for Street Improvements to Be Granted

A request of property owners in the Tuxedo Park district to have 25 feet of Oxford street dedicated to the city for street improvement purposes will be granted by the school board, it was decided at a meeting last night.

Whether or not the school board will buy a system of electric clocks for the senior high school and for the Levee junior high school will be decided by the supplies committee, to report at the next meeting of the board.

A salesman from the company making the clock systems was present at last night's meeting. The systems for the two schools will cost a total of approximately \$1200, according to the proposal made by the salesman.

Decision was made to pay all janitors' December salaries before Christmas. Five sets of "World Books," an elementary encyclopedia for school use, will be bought at a cost of \$247.50, it was decided. The sets will be used for the Grant, Park, Englewood, Highland and Richmond schools, as they are already installed in the other grade schools and junior high schools.

LONGFELLOWS BANQUET

Governor-Elect Patterson Honored at Club Meeting

Governor-elect Patterson, charter member of the Longfellows club No. 5 of Salem, was honored last night with a special meeting of the order held at the Gray Belle. The governor "to be" was felicitated on his election by various members of the organization in short, interesting talks, to which an eloquent response was given by Mr. Patterson.

The program included music by the Longfellows orchestra. Several new members were given the obligation of the order and received a rousing reception. This being the date for the annual election, the matter was quickly concluded by unanimous re-election of the present officers to serve for the ensuing year.

The officers are: Dr. A. G. Bates, president; L. L. Lusford, vice president, and Frank Kellogg secretary and treasurer. Members present voted this the best meeting yet held by the local club, and a committee with John Orr as chairman was appointed to arrange for another some time in January, to which the legislators are to be invited.

CIRCUS ELEPHANT TAKEN

Pachyderm Smashes Fences and Outbuildings on Tour

OTTAWA, Kan., Dec. 14.—(AP)—After roaming through four counties in southeastern Kansas for three days, Diamond, a circus elephant was captured by his trainer today 18 miles southeast of Garnett.

In his self conducted winter expedition over the countryside, the elephant smashed fences and outbuildings and stepped on a pig. Appearing in a school yard Monday at Garnett, the elephant terrified school children before he was driven away.

The trail of property damage, however, was not great and Diamond injured none of the hundreds of farmers who chased him, firing with shotguns and small caliber rifles. The bullets made little impression on Diamond's hide.

BOY TAKEN IN EUGENE

Youth Broke Parole From Training School But Wants Back

EUGENE, Or., Dec. 14.—(AP)—Hungry and ill, cold and without friends in the world except those he knows as keepers in the state reform school at Salem, Cecil Schultz is in the city jail awaiting the arrival of a guard to take him back to the warmer confines of the training school. Cecil, according to Superintendent Gilbert at Salem, broke his parole. He was let out of the school last spring after being an inmate for seven years. At the age of nine, after being buffeted around, in public homes and with various relatives, he stole a bicycle and went to the reform school. Since he was an infant he has been a public charge, he told local police, when he appealed to them last night to arrest him and send him back to Salem.

ORMISTON WILL FIGHT REMOVAL FROM CHICAGO (Continued from page 1) morning at a place to be agreed on, probably in municipal court. The action was the first definite step toward taking the radio man into custody since he was brought to Chicago last week by a city detective and representatives of a newspaper who found him at Harrisonburg, Pa., both the police and the state's attorney had refused to act until warrants arrived.

Ormiston is charged in California with subornation of perjury and with conspiracy to obstruct justice. The latter charge also is pending against Mrs. McPherson, whose story that she was kidnapped and taken to Mexico is assailed by District Attorney Aaa Keyes.

Keyes, now in the east, is expected here tomorrow. Since his discovery, Ormiston has withheld comment on the case, except to let it be known that he will fight extradition. He plans to furnish bond when surrendered tomorrow, and to face an extradition hearing which he is confident will result in his release.

LOS ANGELES, Cal., Dec. 14.—(AP)—The McPherson case again was a grand jury matter here today when E. J. Dennison, deputy district attorney, armed with evidence and supported by witnesses, went before the body, supposedly to carry out his intention, announced yesterday, to seek an indictment of Kenneth G. Ormiston, defendant with Aimee Sophie McPherson in the conspiracy charges was followed investigation of her kidnapping story.

The "little blue steamer trunk" belonging to Ormiston, which was seized recently in New York with its cargo of feminine wearing apparel, was taken into the jury chamber.

Miss Peggy Hamilton, Hollywood modiste, from whose exclusive shops Mrs. McPherson is said to have purchased clothing, was under subpoena to testify. District attorney's officers assert that some of the clothing found in the trunk belonged to the evangelist.

Miss Emma Schaeffer, Mrs. McPherson's secretary, who first reported the Angelus Temple pastor's disappearance last May 18 at Ocean Park, was taken into the grand jury room during the morning session. District attorney's officers said if an indictment against the radio man was voted, Dennison probably would leave for Sacramento immediately with affidavits upon which he would ask Governor Richardson to issue extradition papers for Ormiston's return to California.

Bonham, here today on deportation charges. Following the hearing Tsigris was placed in the county jail in lieu of \$5,000 bail. Mr. Bonham stated that in view of the evidence presented at the hearing that there was little doubt but what Tsigris would be deported to Greece. He is specifically charged with pandering.

COOKING SCHOOL WINS INTEREST OF WOMEN

(Continued from page 1)

Beyer hinted that one recipe much in demand which will be given out will be that for butterscotch biscuits. The time files when one is in the audience for cooking school, so absorbed is one in watching the cook and her assistant Elizabeth Blackwell at work in a model kitchen fitted with two electric ranges, a Frigidaire, and a capacious cabinet.

"Fruit cakes, violins, and women improve with age," Miss Beyer declared yesterday afternoon, who spiced her conversation as deliciously as she does her cakes.

A number of devices, simple, but extremely efficient, were presented at the demonstration yesterday. Surely if one followed Miss Beyer's lead she could find herself an excellent cook with time left over for her duties as companion to her family and hostess to her friends.

The coming of such an authority to any town does much to dispel old and laborious methods. The afternoon was a continual and delightful "open forum." Many questions were asked and many matters settled to the satisfaction of all.

The classes are being conducted entirely with out charge, and doubtless those interested will come today in larger numbers than on yesterday evening.

Following the close of the program the women thronged to the platform to inspect the equipment, not only for a kitchen but also for a breakfast room.

CRISCO CHEESE BALLS

CRISCO APPLE FRITTERS

2 cups grated American cheese 1 teaspoon salt 3/4 teaspoon Worcestershire Sauce 4 egg whites well beaten

Mix in the order given. Form into balls lightly with the fingers. Make them about the size of a small egg. Then roll in bread crumbs using fresh bread. Drop in deep, hot Crisco (375 to 385 degrees F.) or when a piece of bread browns in 40 seconds. Fry until a golden brown. Drain on soft paper and serve hot.

This recipe will make ten balls.

CRISCO POTATO CAKES

These cakes are delicious with chops or cold meat and it is a good way to use left-over mashed potatoes, or even to cook more than enough and save cooking potatoes the next day.

To every three cups of cold mashed potatoes add one well beaten egg. Shape into flat cakes about one inch thick. Put enough Crisco into a frying pan to cover the bottom well. When hot, put cakes in and brown on one side. Add more Crisco if necessary. Turn with pancake turner and brown on the other side.

Three cups of potatoes will make nine or ten cakes.

CRISCO APPLE GRIDDLE CAKES

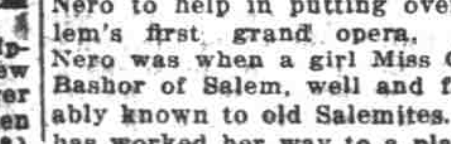

2 cups bread broken in pieces 2 cups hot milk 2 eggs separated 1 tablespoon Crisco 1 cup flour

Soak the bread and milk together over night or until soft. Then rub to a paste. Add the Crisco, sugar and salt, then the egg yolks beaten until light. Add flour and baking powder sifted together. Fold in the stiffly beaten egg whites. Stir apples into the batter with a fork. Drop by spoonfuls on Criscoed griddle. Cook until partly done and then turn and finish cooking. Turn only once.
