

THE EARLY BIRD NOW AT ELSINORE

Johnny Hines Scores Again
in Amusing Comedy Film
About Milkman

There is no end to the limit motion picture producers will go these days to obtain the necessary realism in their pictures. An instance of this is well in evidence in "The Early Bird" starring Johnny Hines which plays today only at the Elsinore with five acts of vaudeville.

"The Early Bird" has all to do with the meteoric rise of a milkman to fame and fortune, and since a great part of the situations take place in a milk bottling plant there was nothing left for Producer Burr to do but construct an actual bottling plant at the studio. The technical staff was able to secure the cooperation of the Sheffield dairy mechanicians and after two weeks of consistent work the task was completed. Two hundred gallons of milk were poured into the vats and the mechanism started bottling forty-eight bottles of milk at the same time. The rapidity with which this machine literally "ate up" the bottles was remarkable, and so absorbed was the cast in watching the machine operate that more than half the supply of milk was exhausted before director Charles Hines awoke from his reverie and ordered the "works" stopped.

Good grade of cooking coal reported from Elk river, Curry county.

EXECUTRIX' FINAL NOTICE
Notice is hereby given that the undersigned executrix has filed her final account of the estate of George Bayne, deceased, with the Clerk of the County Court of the State of Oregon, for Marion County, and an order has been made and entered by the said Court fixing the 3rd day of January, 1927, at ten o'clock in the forenoon as the time for hearing objections to said final account and the settlement thereof; and that any creditor, or other person, interested in said estate, may, on or before said time, show cause why said account should not be settled and approved as rendered.

Dated this 3rd day of December, 1926.

MARY BAYNE,
Executrix of the Will and Estate of George Bayne, Deceased.
JOHN BAYNE,
Attorney for Executrix.

Notice of Intention to Improve
Thompson Avenue From the
North Line of Center Street to
the South Line of Frederick
Street.

Notice is hereby given that the Common Council of the City of Salem, Oregon, deems it necessary and expedient and hereby declares its purpose and intention to improve Thompson Avenue from the north line of Center street to the south line of Frederick street, in the City of Salem, Oregon, at the expense of the abutting and adjacent property, except the street and alley intersections, the expense of which will be assumed by the City of Salem, Oregon, by bringing said portion of said street to the established grade, constructing Portland cement concrete curbs, and paving said portion of said street with a six-inch Portland cement concrete pavement, thirty feet in width, in accordance with the plans and specifications therefor which were adopted by the Common Council on November 15th, 1926, now on file in the office of the city recorder, and which are hereby referred to and made a part hereof.

The Common Council hereby declares its purpose and intention to make the above described improvement by and through the Street Improvement Department of the City of Salem, Oregon.

By order of the Common Council the 15th day of November, 1926.

M. POULSEN, City Recorder.
Date of first publication hereof is Dec. 8, 1926.
Date of final publication hereof will be Dec. 19, 1926. d19

Notice of Intention to Improve
Cross Street From the East Line
of South 12th Street to the
West Line of South 13th Street.

Notice is hereby given that the Common Council of the City of Salem, Oregon, deems it necessary and expedient and hereby declares its purpose and intention to improve Cross street from the east line of South 12th street to the west line of South 13th street, in the City of Salem, Oregon, at the expense of the abutting and adjacent property, except the street and alley intersections, the expense of which will be assumed by the City of Salem, Oregon, by bringing said portion of said street to the established grade, constructing Portland cement concrete curbs, and paving said portion of said street with a six-inch Portland cement concrete pavement, thirty feet in width, in accordance with the plans and specifications therefor which were adopted by the Common Council, on November 15, 1926, now on file in the office of the city recorder, and which are hereby referred to and made a part hereof.

The Common Council hereby declares its purpose and intention to make the above described improvement by and through the Street Improvement Department of the City of Salem, Oregon.

By order of the Common Council the 15th day of November, 1926.

M. POULSEN, City Recorder.

Bishop Blake of Methodist Church to Visit in Salem

Bishop Edgar Blake, head of the Methodist church in Paris, France, will be a visitor in Salem today. Bishop Blake is one of the best known leaders of the Methodist church, and is now making a tour of this country.

Bishop Blake will be speaker at the Willamette university chapel period in the morning, and in the evening he will address a union meeting of all the Methodist church and any other interested persons at the First Methodist church. He will discuss "The Needs of the Protestant Church in Europe."

LAKE SHIPS STORMBOUND

PORT ARTHUR, Ont., Dec. 15.—(AP)—While ice-breaking tugs strove to keep the channels of Port Arthur and Fort William clear, a score of grain laden vessels rode at anchor today awaiting an abatement of the storm that has kept them confined since Sunday.

Conditions on Lake Superior were reported more hazardous than at any time in 25 years. The frequency of storms, low temperatures and fogs from freezing waters have made navigation this fall exceptionally perilous.

COUNTY JAIL OVERFLOWS

EUGENE, Dec. 16.—(AP)—Ten prisoners in the Lane county jail will be taken to Portland to

be confined in the Multnomah county jail, it was announced today by Sheriff Taylor. The local jail is so badly crowded that conditions are very unsanitary. Lane county will pay sixty cents a day for each man. About fifty prisoners are now confined in the jail here and it was built to comfortably accommodate 12.

Klamath Falls—Klamath Molding company buys plant site, 10 acres at \$1,000 an acre. General Petroleum buys site at same acre price.
