

Salem Ring Demon Who Will Appear in Local Arena Friday

BOBBY CLARK

GRANDETTA ARRIVES FOR CLARK BATTLE

Both Fighters in Fine Condition, Fast Card Arranged for Friday

Frankie Grandetta, armed with his Hollywood good looks and smile, will arrive in Salem this afternoon and work out tonight at 8 o'clock at the armory in preparation for his fight with Bobby Clark of Salem Friday evening in the armory ring.

Besides his Hollywood aspects, Grandetta will bring plenty of ring ability, tricks and speed to use on the local boy. He has a reputation of being one of the hardest fighters of his weight on the Pacific coast for an opposing battler to knock out.

One of the greatest fights in Grandetta's career was the one in which he lost a decision to Fidel LaBarba, said to be the greatest flyweight ever to appear in a Pacific coast ring.

The battle was fought in Los Angeles and brought Grandetta praise from all the sports writers of the film city.

"Frankie Grandetta lost to one of the best men western America has ever seen," said Ed Frayne, one of Los Angeles' leading sports writers, "but he stuck to his task like a man. He may have lost a decision but he certainly did not lose any friends."

"And he certainly preached a sermon on courage that 8000 fans will not forget for a long time."

Grandetta did not lose many fights, however, as a perusal of his many newspaper clippings can show. He has had enough written about his great ring battles to fill an ordinary book.

Harry I. Lewis in the Los Angeles Referee has this to say:

"Frankie Grandetta is the gamest little battler of them all. Little Grandetta has never made a bad fight here and has many times given away weight."

Bobby Clark will go through a workout tonight at 7:30 o'clock. He has worked all the kinks out of his system and is in the best condition of his career. He looks like a winner in his workouts, traveling at a fast clip against his sparring partners, and displaying both a wicked right and left.

Grandetta will have a tough time getting over him, judging from present appearances.

Boxer's Death Believed Accidental by Coroner

MINNEAPOLIS, Minn., Dec. 15.—(AP)—Death of Harry Berglund, light heavy weight boxer of St. Paul, was held accidental by the coroner today, and Berglund's opponent, Carl Augustine, was released after being held in custody over night.

Berglund who was 21 years old, died from a cerebral hemorrhage suffered when his head struck the floor of the ring after Augustine had knocked him down with a left hook, 15 seconds before the end of the fight.

HORNSBY CENTRAL FIGURE IN GOSSIP

Leader of Giants Would Jump at Chance to Purchase Second Baseman

NEW YORK, Dec. 15.—(AP)—Rogers Hornsby today loomed as the central figure in one of baseball's biggest prospective deals, as National League magnates embarked for Chicago to attend the joint meeting of the two major leagues tomorrow.

Unless Hornsby recedes from his contract demands on President Sam Breadon, the star second baseman and manager of the world's champions will be placed on the market next month, according to information which reached the magnates. At least two clubs, the Giants and Cubs, gave indications of opening negotiations for his services.

Neither Breadon nor other club owners would discuss in detail what was characterized as "the most serious split in baseball" as they departed. Significance nevertheless was attached to the fact that Manager John McGraw of the Giants, cancelled a Twentieth Century limited reservation to occupy the same Pullman with Breadon on a Pennsylvania train.

It is a matter of common gossip that McGraw and his own second base star, Frank Frisch, have been at loggerheads. The Giant leader would jump at a chance to replace Frisch with Hornsby, not only as a move to strengthen the club's infield but also to provide a counter metropolitan attraction to Babe Ruth.

REPORT TAX FINDINGS

The state committee which has been making a study of taxation problems, will hold its final meeting in Salem next Wednesday at which time it is expected that a report of the committee's findings will be prepared for the information of the legislature. Earl and a member of the committee returned yesterday from a trip to California where he had gone with other members of a sub-committee named to make a special study of the taxation intangibles. The report of this committee will also be made public at Wednesday's meeting.

Sour Stomach

"Phillips Milk of Magnesia" Better than Soda

Instead of soda beverages take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly. For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the souring waste from the system without purging. Besides, it is more pleasant to take than soda. Insist upon "Phillips." Twenty-five cent and fifty cent bottles, any drugstore. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.—Adv.

"Buy a New Hat With The Money REX Flour Will Save You", Says Jeanette Beyer

REX Flour "Spends Well" and You Spend Well When You Buy It!

"It's Truly an Economical Flour"

It goes farther, because it is gluten rich—it isn't necessary to use as much of ordinary flour. So there are more pies and cakes, more loaves of bread and biscuits in a sack of REX Flour. For better baking always use less than of other brands.

REX is the cheapest cake flour. What's the use of paying for expensive cake flour? The Tenderest angel food may come out of your sack of REX as well as golden loaves of bread. Always use less REX than cake flour.

It is economical to have an all-round flour. Pies, cakes, bread, biscuits, everything comes out of the same sack of REX, and better things, too!

REX baking keeps fresh a long time, because the gluten holds the moisture. REX cakes will not dry out. REX bread will be moist until the last crumb is eaten.

You'll save dollars on failures prevented, because REX is baking-tested in our kitchen REX always acts right in your oven.
