Bits For Breakfast

Glorious rain—

We Webfeet feel better.

Never thought of beans as a bonanza crop, did you?

Well, they make a bonanza crop in the Santiam irrigated district, and a lot of other farmers are making money growing beans.

Salem will in time have a lot of canneries packing beans and other vegetables that are not put up here now.

Good news, proposition to spread the tax industry. This will not be overdone, till it brings \$100,000,000 annually to this district. And then there will be chances to double it.

There are possibilities in the gas industry that the pioneers did not even dream of. It is likely vegetable seed can be raised in time to be the cheapest.

"SECRET FUND" BRINGS BITTER ATTACK OF WETS

indefinite date, but the list was not made public.

During the senate discussion, Senator Bruce denounced the "undercover" provision as "tyrannical" and the proposal was generally attacked because it permitted the "secret use" of funds.

"There will be no liberty left in this land," asserted Bruce. "If this system is allowed to run to its extreme consequences, General Andrews contemplates nothing less than a military tyranny for this country with proposals of this kind."

Senator Reed contended it was futile to authorize the use of \$500,000 for employment of an "army of spies" because "when you stop liquor at one source it breaks out at another."

Senator Edwards, democrat, New Jersey, another wet, remarked that "there is nothing in this provision to prevent it being given to the Anti-Saloon League or to Wayne B. Wheeler."

Senator Smoot, republican, Utah, told his colleagues that if prohibition is bad for the country

RHEUMATISM

Shouldn't Exist

It is a pity to suffer with any kind of rheumatism or gout on earth. That Trunk's Prescription has been beneficial in the treatment of rheumatism, gout, lumbago, sciatica and neuritis is a well known fact; for instance, a prominent Pacific Coast Druggist says: "From reports we have had on Trunk's Prescription we are confident of its merits in recommending it." This prescription does not contain any mercury, salicylate soda, oil wintergreen nor narcotics, but combines ingredients of potency designed to throw off any kind of rheumatism in the human body. Trunk's Prescription does not depress the heart nor ruin the stomach, and no dieting is required to make it effective. Superior Liver Medicine and Uric Acid Solvent; a splendid prescription. Sold and recommended by J. C. Perry, Druggist, 115 S. Commercial.—Adv.

Apple Sauce Cake

A well known domestic science expert gives below a recipe for an unusual cake.

1/2 cup Crisco	1 teaspoon cinnamon.
1 egg, beaten	1/2 teaspoon each of cloves and nutmeg
2 1/2 cups pastry flour	1 cup sugar
1 1/2 cups thick cold apple sauce	4 tablespoons hot water
1 teaspoon soda	1/2 teaspoon salt
1/2 cup nuts	1 cup raisins (or dates)

Cream the sugar and Crisco, add egg, beat well. Stir in apple sauce and hot water. Add raisins and nuts, then dry ingredients sifted together twice. Bake in a moderate oven (300 degrees F.) forty-five minutes to an hour. Makes two small loaves.

This Expert Says:

This is a very good cake which keeps well. Crisco makes a light delicious cake. It is more economical, too, and easier to cream with the sugar. Grease your pans with Crisco and see your cake slip out easily and whole. Not a break in it.
