**Oregon Theater**  
 "The Cat's Pajamas?"  
 If you ask someone what's running at the Oregon theater, and they reply "It's 'The Cat's Pajamas,'" don't think they're trying to kid you.

"The Cat's Pajamas" is really the title of a Paramount picture. It was chosen because it accurately describes the situation in a delightful story written by Ernest Vajda, well-known Hungarian playwright. The picture stars Betty Bronson and Ricardo Cortez, and features Theodore Roberts and Arlette Marchal. William Whelan is the director.

The film concerns Betty Bronson, a little seamstress taking care of her invalid father, Theodore Roberts. She has a cat, Tommy, for which she makes a small pair of pajamas that Betty's dream of meeting and winning the love of Ricardo Cortez, a temperamental opera tenor, is realized. The picture will show through Friday.

**Elsinore Theater**  
 "Gee, but it's great to be crazy!"

This song refrain might be the key to the entire career of the famous negro comedians, Harris & Webb, star funny men in Arthur Hockwald's all-Creole musical show "Struttin' Sam From Alabama," which comes to the Elsinore tonight.

It was this pair of irresistible entertainers who set a new vogue in musical comedy and on the vaudeville stage with their fast and furious comedy portrayals.

Harris and Webb secured their first theatrical engagement when they were in college in Alabama. Harris started out as a violinist while Webb was studying cartooning.

At a New Orleans night club they made effort to be serious entertainers but their appearance was picked out by fate to make a success for them as comedians. They "went over" with such phenomenal success that the management immediately signed them as regulars.

From there they graduated onto the vaudeville stage and became

#### School Board Holds Meet Last Night, Hug Absent

The Salem school board held its regular meeting last night, but it was little more than a formality. Other than authorizing the payment of some bills, no action was taken by the board.

#### Eugene Rotarians Charter Train for Roseburg Meet

EUGENE, Dec. 28.—(AP)—Eugene Rotarians will charter a special train to go to the joint meeting of Rotary clubs to be held at Roseburg January 12. It was decided at a meeting of the local organization today.

Members of the club voted to attend 100 per cent, or as nearly that as possible. Marshfield, North Bend, Roseburg, Grants Pass, Medford and Eugene clubs will meet together that night. The decision to take a special train instead of going by automobile was made to avoid inclement weather conditions on the highways.

#### COUNTIES AWARDED LAND GRANT FUNDS

#### Letters From Hawley Convey Idea That State Will Not Receive Money

Telegrams and letters received by the county court here yesterday from Representative W. C. Hawley at Washington, conveyed the impression that the state is not entitled to share in the Oregon & California land grant refund.

"It would be a great misfortune, if after securing the legis-

tion for the advancing of the moneys to the counties, which seriously need it, a claim outside those provided in the law should interfere with its operation," read Representative Hawley's letter.

County officials have assumed the attitude that the state already has received its share of the taxes.

Representative Hawley's letter to the county court continued: "I have conferred with Representative Sinnott, chairman of the public lands committee, which will have jurisdiction over any amendments which may be necessary to preserve to the counties intact the amounts to be paid them under the recent act. "I am confident that the intent of congress was not to modify the law approved June 9, 1919, which

provides how the moneys received from the sales of timber and lands of the former Oregon and California railroad land grant shall be distributed, after the payment of certain sums directed to be paid by the United States supreme court."

Representative Hawley requested in his telegram to the county court that a copy of the opinion of Attorney General VanWinkle be secured and forwarded to him at the earliest possible moment.

State officials have held that the state was entitled to share in the land grant funds.
