

RICKARD PLANNING NEW HEAVY BOUTS

at of Crop Being Groomed for Title Fight Coming in September

NEW YORK, Jan. 8.—(AP)—The promoter disclosed a program calling for two additional shows, featuring heavyweights, and three outdoors, all at the stadium, one in May, the second or "semi-finals," in July, and the "final," on or about September 16. Originally, Rickard planned only two big outdoor bouts, but the unusual wealth of heavyweight material has prompted him to change his schedule. The bouts in which Paul Berlenbach meet Jim Maloney, and Jack Riley oppose Paolino, the Spaniard, or Knute Hansen, probably furnish the first major elimination tests late in February, or early in March at Madison Square Garden.

Belino and Hansen are scheduled February 7, as a preliminary, while Berlenbach must defeat Mike McTigue on January 20 remain in the running. Although Rickard has not yet reached an agreement with Peter Dempsey, promoter is confident Dempsey will figure later in the program. Dempsey is counted upon by Rickard to meet the winner of eliminations in the July show. Rickard, incidentally, cleared an uncertainty which has been created in the wide variety of reports as to the exact financial prospects for Tunney's first title defense.

Tunney, the promoter disclosed, will receive a flat guarantee of \$10,000, and forty per cent of gross receipts in excess of \$100,000. This would net the champion as much as Dempsey received in the battle of the Sequoyia last September, \$750,000, if the gate receipts of the title bout reach the Philadelphia figure of approximately \$1,000,000.

HORNSBY WELL PAID

GIANTS WILL GIVE EX-CARDINAL HIGHEST SALARY

NEW YORK, Jan. 8.—(AP)—Rogers Hornsby, who came to the major leagues a dozen years ago with a paltry \$500 price tag attached to him, today signed a two-year contract with his new employers, the New York Giants, at an annual salary understood to be \$40,000, the highest paid to any player in the National league.

This sum is \$10,000 more than Hornsby received for piloting the St. Louis Cardinals to their first National league pennant and world's championship last year. It is \$10,000 less, however, than the figure Hornsby demanded for continuing as player-manager of the Cardinals and over which the split resulted which caused him to be traded to the Giants for Frank Frisch and Jimmy Ring.

Hornsby will captain the Giants as well as play second base for the 1927 and 1928 seasons. His position as field leader, ranking next in authority to his veteran manager, John McGraw, was stipulated in the contract. It also strengthens the belief that Hornsby will be groomed to succeed McGraw when the latter is ready to relinquish the reins.

If the generally accepted figure for which Hornsby signed, \$40,000, is correct, the new Giant infielder will receive more than his manager and rank second only to Babe Ruth in the high salary ranks of major league players.

DR. W. B. CALDWELL AT THE AGE OF 83

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated infants and children had to be kept constantly "stirred up" and half sick by tak- ing cathartic pills, tablets, salts, calomel and nasty oils.

While he knew that constipation was the cause of nearly all children's little ills, he did not believe that a sickening "purge" or "physic" every day or two was necessary.

In Dr. Caldwell's Syrup Pepsin he discovered a laxative which helps to establish natural bowel regularity, even if the child was chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement

best of all, it never gripes sickens or upsets the most delicate system. Besides, it is absolutely harmless, and so pleasant that even a cross, feverish, bilious, sick child gladly takes it.
