Lovalty Week Campaign Opened at Presbyterian Church on Sunday

The following are excerpts from he opening sermon of the Loyalty Week Campaign of the First Presbyterian church, by Dr. Norman.

Paul writes to Timothy and admonishes him to build up "the church of the Living God, the pilar and ground of truth." The church is a primary institution of spelety because truth is established and made regnant in our lives. We can engage in no more necessary or arduous work than in building our portion of the universal society of Christian be- from motors and fixtures and suplievers. Let us build according plies to wiring. Get prices and to the pattern laid down in the New Testament.

Notice how that church grew. First it grew numerically, begin-ning with the Twelve, expanding to 120, then 3,000, then daily additions, then 5,000 men besides women and children, and after that several summaries to the effect that "multitudes" were being added at frequent intervals. Second, it grew geographically, from Dr. James W. Kramer De-Jerusalem, through Judea and Samaria, across Asia Minor and Europe, to the "utter-most parts of the earth." Third. it grew spiritually; the book of the Acts mentions the Holy Spirit specifiing the world upside down." So Every effect has an adequate

Pentecost; with the first ingathercame "teaching and preaching"; went the first church members across Asia Minor and Southeastern Europe. An instance is Paul the Word. Third, it was a giving church. Everyone, on the Sabbath, as God had prospered him, gave as a part of worship. Again its leaders, notably Paul, to carry faith to the regions beyond. Fifth, tiptoe always; it had to be up and loing; for who can tell what will happen when the Lord comes members of any church at all will own. Finally, it was a sacrificial church, glorying only in the cross, proclaiming none but "Christ and him crucified." Now, brethren, here we are be ginning a "Loyalty Month Campaign," in which we want to grow in numbers, in equipment, in attendance, in interest, and in spirittial power. What shall we do and how shall we act, to achieve these purposes? The answer is plain: the pattern is clean. God always honors those who follow his plan. Let us pray,-for a closer walk with God, for the energizing of our minds, for vision and development; let us teach; let us give as Christians should; let us be a missionary church; let us hold up the cross, enter gladly into "the fellowship of its sufferings," in order that the Holy Spirit may raise us to newness of life.
