

COLD HAS SIGNS OF BEING LESS INTENSE
(Continued from page 1)

most likely the former. The temperature was expected to stay below freezing tomorrow. The cold snap took its first toll in death in Portland today when William Reutter, 24, an automobile racer, died in a hospital following injuries received while coasting. Several other accidents

were reported, although none of them were serious. Entrance was the coldest spot in the state, reporting a temperature of 36 degrees below zero. Roseburg took the palm as the most temperate point with a thermometer reading of 19 above. Portland had 12 as a minimum.

ASTORIA, Jan. 22.—(AP)—A temperature below the freezing mark was maintained throughout

the day here. The maximum reading of the official thermometer was 29 degrees above zero with a minimum this morning of 21 degrees. At 7 p. m. this evening the temperature was reported at 27 degrees. The sky was overcast today and snow is predicted during the night.

EUGENE, Jan. 22.—(AP)—The minimum temperature here last night was 13 degrees and the maximum during the day was 27.

MEDFORD, Jan. 22.—(AP)—Crisp winter weather prevailed throughout the Rogue river valley today with bright sunshine. The maximum temperature for today was 39 degrees, with a gentle breeze from the west giving promise of early relief. The mercury dropped to 15.5 degrees last night.

CHARITY CAMPAIGN TO START MONDAY

Association Asks for Cash, Clothing and Many Other Contributions

Associated Charities will open its mid-winter campaign for funds this week, seeking to raise 72,000 besides numerous supplies during the week.

The year 1926 was a big year for the association under the leadership of Harry Levy and Mrs. Mae Young, and additional funds are needed to carry on the work this year. Many new beneficiaries are on the lists, perhaps the most needy being a widow with six children to support. This woman needs clothing for the children and contributions of bulk groceries, besides an opportunity to work part time.

Another needy woman lacks a mattress which would be greatly appreciated, while others need bedding, chairs, and clothing.

All offers and contributions should be taken or phoned to Mrs. Young at 640 State street, phone 2665, where they will be distributed. Contributors are urged to bring their gifts as much as possible for the charity workers are in their busiest season of the year.

The campaign for funds will be carried on by solicitation and free will checks. The Associated Charities needs every assistance to keep up their record of last year.

snow and ice and near zero temperatures.

Get a sugar factory in Salem, and it will add a twelfth story to our next sky scraper, and it will not be long in coming.

The Salem Y free employment office during the past week had 89 applications for jobs, and placed 34 of them. The other 55 find it rather poor weather in which to be out of work. But labor conditions here will be better very soon.

It is evident that the cotton planter of the south didn't look at the fashion papers before they put in their seed.

Life is never dull for the school teacher, because she has a lot of fresh little things before her every day.

There are many in the world who never keep a promise, let alone a secret.

An eastern Oregon sheep raiser wants to trade his flock for a colony of silk worms.

They tell us the average life of a planet like the earth is one quadrillion (1,000,000,000,000,000) years. And we wonder what its bonded debt will be when the finish comes.—Post-Dispatch.

PROHIBITION GROUP URGED ON SOLONS

Corporation Would Have Special Commission Named to Probe Question

Letters received by some legislators here yesterday from the Oregon prohibition referendum corporation of Portland urged them to support a drive for the creation of a state prohibition investigation commission, which would be appointed by the governor. This commission would be authorized to delve into all angles of the question.

According to the plan of the corporation the commission would be composed of five members; one from the state at large, one from the senate, one from the house, one from a list provided by the Anti-Saloon league and one from a list submitted by the corporation.

"Owing to the divergent claims

made by the Anti-Saloon league and the Oregon Prohibition Referendum corporation," the letter reads, "it is impossible for the average citizen to learn the facts of the situation brought about by the prohibition laws of the state and nation."

"In view of these divergent claims and the importance of the subject, we ask that you use your authority to provide an impartial and searching investigation by the enactment of a statute creating a prohibition investigation commission."

New Daughters Born to Two Former Silverton Couples

SILVERTON, Ore., Jan. 22.—(Special.)—Word has been received here of the birth of two babies to two former Silverton couples.

A daughter was born to Mr. and Mrs. Berge Borrevick at their home at Reedsport on January 11. The little girl has been named Barbara Lamar. Mr. and Mrs. Borrevick formerly made their home here. Both graduated from the Silverton high school during

recent years and were popular in the younger set.

A baby daughter was also born to Mr. and Mrs. Edwin Winger at their home at McMinnville. Mrs. Winger will be remembered as Miss Ada Wolfard of the Evergreen district. Mr. Winger is the son of A. Winger and also spent his youth in the Evergreen district.

The British motor industry announced a delegation will be dispatched to explore the empire markets and report on steps to be taken to meet overseas requirements.

Real Old-Time Dance

All indications point to a large attendance at the Crystal Gardens, Salem Thursday Evening, January 27th

Through the efforts of Salem folks who attend Dad Watson's Friday evening old time dances in Portland, the wonderful Dad Watson 8-piece old time Radio orchestra, Charles S. Brerston director, has been secured. A large committee of Salem ladies and gentlemen will act as reception and floor committees. If you enjoy the old time music as your mothers did, do not fail to attend. Many novel special features such as a bean guessing contest, a ladies' old time squawker contest and noise makers. Remember, no jazz—nothing but old time music—old time dances—and old time hospitality.

At Salem, Thursday, January 27th

Lawn Improvement Contest Starts Soon at Silverton

SILVERTON, Or., Jan. 22.—(Special.)—Attracting considerable attention at Silverton is the lawn contest, entries for which will begin next week.

Perhaps the most attractive lawn will not win the prize as the rules call for the prize winning lawn to be the one which has made the greatest percentage of improvement during the season. Judging will take place in July.

M. C. Woodard has fostered the contest by offering \$100 in cash prizes. Lawns will be divided into four classes: home owners, renters, those with lots of 50 feet frontage, and those with larger spaces than this. In charge of the contest are Mrs. H. B. Latham, Dr. R. E. Kleinsorge, and Rholin Cooley.

GIRLS' SALE SUCCESS

SILVERTON, ORE., JAN. 22.—(Special.)—The coffee and cake sale which the Girl Scouts with Mrs. M. G. Gunderson as their leader held at the L and M Grocery Saturday afternoon proved a decided success. The girls report they will hold one again at the same place in two weeks. The money thus made will go toward paying for the girls' uniforms.

The spectacular success of the Pontiac Six is as simple as A-B-C. When introduced it was a car such as no one had ever seen before—a six developed by General Motors, manufactured by Oakland and offering, at \$825, qualities of performance, comfort, beauty, economy and reliability entirely new in the field of low cost sixes.

Actually overnight, the American public took this revolutionary six to its heart. So swiftly did the demand increase that Pontiac Six production more than doubled the greatest previous first year record ever scored by a new make of car.

Yet revolutionary as it then was, the Pontiac Six is even farther in advance of its field today. For not only is it still the lowest priced six with Body by Fisher—not only is its power plant still the largest used in any six selling up to \$1000—not only does it typify the finest of quality construction with a 46 lb. crankshaft, honed cylinders, automatic spark control, full pressure oiling and the costliest type of bronze-backed bearings—

—but the fundamental rightness of its entire design has been proved by actual service in the hands of over 60,000 owners!

Pontiac Six, \$825 to \$975. Oakland Six, companion to Pontiac Six, \$1025 to \$1295. All prices at factory. Bodies by Fisher. Easy to buy on the liberal General Motors Time Payment Plan.
