CABBAGE ARRIVES

PORTLAND, Jan. 31.—(AP)—Callfornia cabbage is arriving in larger quantities and selling at \$2.50-\$3.25 per cwt. The local crop is about cleaned up, but some growers are still holding supplies for which they hoped to get high prices, but are now disappointed. The new Texas crop is moving and some will doubtless come this way. The orange market is slightly weaker after a couple of weeks of strength following reports of cold weather in Polyida. The potato and louin market continues dull. Heavy shipments I onions from Colorado cursailed prices here. PORTLAND, Jan. 31,-(AP)-
