Dr. J. W. Mahood, Evangelist
Having Remarkable Success With Meetings

Interest in the evangelistic services now being held at the Jason Lee Memorial M. E. church, under the direction of Dr. J. W. Mahood, has developed to such an extent that the church leaders have decided to continue the meetings. The attendance has grown steadily, and the evangelist is being listened to by a full house every evening. Splendid results have already been registered, and the prospects for even greater achievements are evident. Crowds are expected for both morning and evening services today. A third meeting will be held at 3 p. m., when Dr. Mahood will address a mass meeting for men and boys, and will deliver one of his outstanding addresses on the theme: "Reaping the Whirlwind." All the meetings of the day are open to the public, and a special invitation is extended to the men of the city to attend the afternoon service. On Monday evening at 7:30 the meeting will be open to the public.
