ed in Salem, and one that is to join up the products of the land with the factory in the city.

The product is Prun-Wal, a new confection made from Oregon prunes and walnuts and a coating of chocolate, blended together to suit the palate of almost every

This product is for sale for the first time today at a number of Salem stores, and it will soon be found in many Oregon stores, and many others in the states along the coast, and finally all over the country.

Benjamin F. West, formerly Marion county assessor and well known printer, is the originator and maker and owner of Prun-Wal. He is protected by federal copyright and trade mark. It is entirely within the possi-

bilities that this new industry may grow fast, and that it may in due course furnish a large outlet for local grown prunes and walnuts. The confection has the advantage health giving qualities. The oar is in an attractive wrapper. also of Salem manufacture, the paper on which it is printed also seing made in Salem.
