

Willamette Meets Pacific Tonight In Last Local College Hoop Game

PROSPECT WORRIES BEARCATS' MENTOR

Hartley Playing Last Game With Cardinal and Gold, Lineup Changed

College basketball, after one of the most successful seasons in the history of the game locally, will end as far as games in Salem are concerned with the final contest of the Northwest conference tonight between Willamette and Pacific university quintets, at the Willamette gymnasium beginning at 7:30 o'clock.

College games played in Salem this year have been comparatively few, but those that have been played on the local floor have all been good ones, both from the standpoint of close competition and class of basketball played; and due to Willamette's being a contender for the conference title, public interest has been greater than at any time in the past.

The game tonight is a special one in two respects: it will decide whether the local university is to tie with Whitman College for first place, or is to be relegated to third place in the conference standings, and it is another battle between ancient rivals.

Coach Spec Keene of Willamette has been worrying all week about this game, both because of its importance and because his team had apparently lost the fighting edge that it possessed in the games with Whitman and College of Puget Sound.

Pacific always turns out teams that fight to the bitter end, and in the previous game, at Forest Grove the Barkers ran up a bigger score on the Bearcats than any other conference team. Willamette won by keeping ahead in a wild scoring race, but it might not do it again.

Hartley, last year chosen all-conference center, will be playing his last college game of basketball tonight unless a post season series to decide the championship is scheduled. Realizing that it will be his last chance to perform, Hartley is expected to outdo himself in this game.

The return of Bob Ashby and Gurnee Flesher to the lineup will enable Coach Keene to make some shifts in his lineup. These two men have been out with injuries until this week, although Ashby played part of the CPS game.

Keene expects to start Flesher and Reidel in the forward positions, Hartley at center and Ashby and Ledbetter as guards. Stichefield and Hank will probably break into the game later.

Pacific's lineup may include Mills and Young as forwards, Pollock at center and Miller and Coon as guards, with Emerson and Halloway as probable alternates.

LOCALS HAVE AVERAGED 40 MARKERS IN EACH CONTEST TO OPPONENTS' 17

The Salem high school quintet tonight will meet the Woodburn high school five for the second time this season, at the local high school gymnasium, beginning at 7:30 o'clock.

Salem overwhelmed Woodburn 24 to 14 in an early season game, and is expected to find no trouble in beating this one.

The team will start in good shape with the exception of Siegmund, who has had a case of flu and may not be able to start the game.

The quintet has an ambition to make 800 points this season, which is in a fair way of being realized. It has now made 690 points in 17 games, and has three more games in which to make the remaining 110 points, an average of 37 points per game.

The coming games are with Woodburn, West Linn and Independence. A fourth game with Albany may also be scheduled, according to Manager Dwight Adams.

The team has averaged 40 points per game so far this season, as against 17 for opponents. Opponents in the 17 games have made 287 points against Salem.

The season record follows:

Salem	45	Albany	31
Salem	45	Washington	18
Salem	44	University H. I.	12
Salem	43	Washington	15
Salem	42	Woodburn	14
Salem	41	Independence	10
Salem	40	McMinnville	8
Salem	39	OAC Rooks	18
Salem	38	Oregon Frosh	22
Salem	37	Eugene	17
Salem	36	Oregon Frosh	12
Salem	35	Ashland	20
Salem	34	Ashland	22
Salem	33	Ashland	15
Salem	32	Hill	14
Salem	31	West Linn	31
Totals	690		287

TWO NEW REVENUE BILLS FOR HOUSE

Representative Mott introduced two bills in the house yesterday that are expected to raise approximately \$1,000,000 revenue. The bills would increase the annual license fees of foreign and domestic corporations and the fees of foreign insurance companies transacting business in this state.

All fees based on the capital stock of foreign and domestic corporations are practically doubled and the license fee for foreign corporations with the exception of insurance companies are raised from \$200 to \$500.

The license fees of foreign insurance companies are also nearly all doubled with the exception of fraternal societies, which remain the same.

Senator Davis' bill numbered 235 exempting lands included in reserved sites from taxation, executions, attachments, etc., failed to pass.

The house also killed Senator Hall's bill numbered 277 prohibiting stock from running at large upon certain lands in parts of Curry county.

A considerable amount of time was used up yesterday in the house arguing the appetites of deep-sea crabs.

Those opposing Senator Marks' bill 203 making it unlawful to use clams as bait or lure for catching crabs, contended that clams were the only bait these crabs would take, while others assured the members that they would take any kind of food.

Representative Snell, of the game committee introduced figures showing that an enormous amount of clams were used for catching crabs every year.

Mr. Mott explained that deep-sea crabs could only be caught with clams, as it was the only food they ever eat, differing from the crabs that come into the bays

RUTH IN ARGUMENT

CLOUTER TO PUBLISH TERMS OF SCRAP WITH YANKS

LOS ANGELES, Feb. 24.—(AP)—Babe Ruth said today that if Colonel Jake Ruppert of the New York Yankees did not make public Ruth's letter outlining terms for his services by tomorrow morning, the communication would be made public here so that baseball fans might have a clear idea of the home run hoister's side of the salary argument.

NW YORK, Feb. 24.—(AP)—Colonel Jacob Ruppert is confined to his home with a cold and hasn't received Babe Ruth's salary terms.

The Yankee owner refused to make any statement when told of Ruth's ultimatum, and a publication of the letter containing Ruth's proposed underwriting to include a demand for a substantial increase in his former \$52,000 yearly pay check.

"Nothing has arrived from the Babe, so far as I know," said Colonel Ruppert. "I won't be back at my office until Monday and don't intend to worry about baseball matters until then."

At the Yankee headquarters, Secretary Ed Barrow also declared no word had been received from Ruth.

Whitman Quint Drops Game to Idaho After Leading

MOSCOW, Idaho, Feb. 24.—(AP)—Idaho took its last home basketball game of the season from Whitman college 27 to 23 here tonight after trailing the Whitman five during three quarters of the game. Whitman led 13 to 12 at the end of the first half. The score was tied several times during the last half.

Roseburg—Broccoli crop here estimated at 450 cars.

Salem High Quintet Plays Woodburn Tonight; Seeks 800 Point Total

BUSINESS COLLEGE Defeats Howitzers

Artillerymen Stage Rally and Almost Win Post Game

The Capital Business College quintet defeated Howitzer Company No. 186 of Woodburn on the YMCA floor Thursday evening by a single point, 24 to 23. The local team had what looked like a comfortable lead in the second half, but in the last few minutes the taller artillerymen staged a rally that just fell short of a tie.

SUMMARY

Capital B. C.	24	Howitzer Co.	23
Lojcke (8)	6	Hanauka	5
P. Girard (4)	5	Duffy	4
Nathman (1)	5	Ogles	4
L. Girard (9)	6	Hicks	4
DeSart (3)	5	Barnes	5
Mareva	5	Nold	5
Referee—Robert Kitchen.			

It was his contention that the passage of the bill would deprive persons who engaged in this sort of fishing of a livelihood.

W. S. Hamilton, Mr. Mott's colleague from Clatsop county disagreed with him, however, and said that other bait could be used successfully in deep-sea crab fishing, and it is Mr. Hamilton's belief that if the bill passes it will be a good thing for the state.

Mr. Lewis said that although he was not a crab fisherman, he heard besides clams and would probably market the price of clams on the market.

PARRISH HOOPERS TO PLAY STAYTON

Local Junior High School Quint Faces Improved Team Here Tonight

Parrish junior high school's basketball team will play a return game with Stayton high this evening at 7:45 in the Parrish gymnasium. Parrish won from the same team at Stayton 26 to 6, but the return game is expected to be a closer affair.

This will be the last game of the season but one for the Parrish quintet. The last will be on Saturday night at the Parrish gym against Roosevelt junior high of Eugene. The Eugene team defeated Parrish at Eugene several weeks ago, and the local boys, with revenge in mind, have been working hard all this week to be in the best possible condition for this game.

The Parrish lineup at the start of this evening's game will be Foreman and Bone, forwards; Nash, center; Pettit and Burgess, guards. Mason will referee.

REVTALIZE CHURCH AIM OF PREACHER

Waltzing Clerks Were Fad Half Century Ago in U. S.

STAMFORD, Conn.—(AP)—Evidence that a dancing mania 50 years ago anticipated the negro waiters in New York who Charleston to their tables, is found in a resurrected dispatch from Litchfield to the "Postal King," a weekly newspaper discontinued in 1877.

"Ask the gentlemanly clerk for a pound of sugar," says the dispatch, "and he waltzes to the sugar barrel, whirrs solemnly around to the scales, all in perfect time to the imaginary tune that is running in his head. His leisure moments are spent in prancing up and down between the two counters.

"And we hear it whispered that the usher in St. Michael's turned three times in his progress up the aisle last Sunday to show a lady a front seat."

Portland—Keystone Phosphate company of Paris, Idaho, and Portland, will build a big coal mill.

SHARKEY EXPECTS TO HAMMER MIKE

McTigue's Confidence in Wallop Pales Beside That of Next Opponent

NEW YORK, Feb. 24.—(AP)—Mike McTigue in the potency of his newly-found wallop, it pales into violet shades by comparison with the assurance of his opponent, Jack Sharkey, in the much-discussed 15 round heavyweight elimination test at Madison Square Garden next Thursday.

Sharkey's spirit of confidence and bravado played a big part in his defeat of Harry Wills last fall. A similar frame of mind now convinces him he has a clear road to a title match with Gene Tunney.

"Looks like I'm to be the lucky guy in this elimination tournament," Jack volunteered today by way of saluting Tex Rickard and a gathering of boxing writers at the Garden.

"McTigue won't last the 15 rounds against me," Sharkey went on. "I've heard all about that knockout punch of his. He can try it out on my chin.

"I'll take Dempsey too. If he's in shape he'd be tough to handle but I don't figure he can come back.

"Of course I can beat Tunney. He's the man I'm after."

Sharkey weighed 194 1/2 pounds after a gymnasium workout today.

He figures to scale 188 for McTigue, which will give the Boston boxer an advantage of at least 18 pounds over the Irishman. Mike weighed 169 the night he knocked out Paul Benenbach and won't be an ounce over 170 for Sharkey.

Minister Leaves "Obey" Out of Marriage Rites

MURFREESBORO, Tenn.—(By AP.)—Thousands of marriage ceremonies but only one "obey" in 30 years, is the record of Rev. E.

First Offender Stopped When Making Reverse Turn

Frank Schaffer, 170 South Commercial, has the distinction of being the first person arrested in Salem for making a reverse turn on one of the downtown corners where this is prohibited. He was halted by a traffic officer at 8:10 o'clock Thursday evening after making such a turn at the corner of State and Commercial streets, according to the report filed at police headquarters. Schaffer will appear in municipal court this afternoon.

Wilshire ION-A-CO

See Its Amazing Results for Yourself

You do not have to take anyone's word about the ION-A-CO. You can see its amazing results with your own eyes. Better yet, you can try it for yourself without obligation. Then judge by your own experience.

The recent invention by Gaylord Wilshire of an electro-magnet for accelerating the oxidation of the tissues, is revolutionizing the treatment of disease. If clinical results mean anything, if the unsolicited testimonials of thousands of sufferers can be believed, mankind is standing on the very brink of an area that will be free from many diseases which have afflicted it from the beginning of time.

TESTIMONIAL

Gentlemen:—

I have suffered for fifteen years with Ulcerated Stomach, High Blood Pressure and Insomnia. I have treated with Doctors from New York to the Oregon coast and have been to many springs with no relief. Many doctors told me my case was hopeless, so I gave up Medicine after an expenditure of \$10,000.

I purchased an IONACO about thirty days ago. I use it about thirty minutes a day, and I believe I am back to normal. No more night sweats, no high blood pressure or sour stomach and I sleep well, for which I thank the IONACO.

I shall be glad to answer questions regarding my experience with the IONACO.

Very truly yours,
H. J. PATTERSON,
475 N. 17th St., Salem, Oregon.
