The new colors in shoes call for a matched polish. We carry a color for each leather regardless of how delicate the shade. We recommend the famous shoe dressing for all high grade shoes.

Close Out Our Entire Stock

In a few days we will move to our new location, 135 N. Liberty Street, where we are opening the most modern store in the Pacific Northwest. We will open with an entirely new stock. Every pair ordered carefully to appeal to the exclusive trade.

Our present stock must be closed out to a pair, so this is your opportunity to buy shoes at a fraction of their actual value. We have already closed out thousands of dollars worth of these high grade shoes, and there are still thousands of pairs to be closed out in a very short time. We are going to force them out with a final rush and a final unheard of cut in prices. Everything will be included in this Final Clean Up.
