ACREAGE WITH YEAR ROUND	Alter we sell—we serve 79f25tf	that such legislation could have the sanction of the rank and file

a period and the second of the

constitution of the United States." CARS FOR SALE 79 This conclusion of the chief law - WILLYS-KNIGHT officer of the government was PET - OVERLAND based on the following considerations: e Can I Buy a "That it (the bill) takes from

the president the constitutional executive power and duty of making appointments to fill the offices created by it, and by legislation confers that power upon others:

stock of used cars. Nearly and makes, They have been spected. Reconditioned by "That congress delegates its constitutional power of legislation Many newly painted, and rubber. Over 25 to select tes \$35 to \$2,975. See ont d you will be satisfied. Mus to private cooperative associations and corporations and individuals acting collectively, and the board for new Whippets. Conven arranged and trades accept created by the statute;

> "That is contravenes the provisions of the constitution against the taking of property without due process of law."

The attorney general quoted at PET - OVERLAND - 79filu length from the record of proceedings in congress to show the bill's purposes and from court decisions to support his contention that if the measure became a law the courts would declare it invalid.

He declared that the real purpose of the legislation was "to fix the prices at which certain agricultural commodities may be Roadster with Pyroxylin bought and sold in the domestic balloon tires, extras, \$265 market and to prevent the depression of prices of such commodities in the United States to the level ab. This is a guaranteed of prices in the world markets." The legal effect, he said, "is the same as if congress itself had 79f24tf named the price and then established agencies to conduct operations in the commodity to carry FOR FARM RELIEF out its determination."

"One provision of the act which is plainly in violation of the conise of sound assistance stitution," the opinion continued, ners without these un- "is that which limits the president alities, invasions, of in his appointments of members of uthority, this contract- the board to select in each district ckers and flour millers one man from a list of three submanufacturers: this mitted by a nominating committee. tion with its inflation "There are a few instances in ble crash, without this our legislative history where acts ice fixing, buying and have been passed and approved is creation of huge which placed some such restrices." involved in the tions on the presidential power of appointment, but the question here ating that many other considered does not seem to have sted why the measure been made an issue, and, taken as be approved, the presia whole, these instances do not the most decisive one constitute a practical construction
