

SIDE LIGHTS OF THE STAGE and SCREEN

Capitol Theater
An all star vaudeville program just bubbling over with novelty is offered at the Bligh's Capitol theater today on the Sun's Eastern Vaudeville circuit. The Nellie Sterling company, a quintette of bright Misses direct from England, head the bill. Their offering is different from anything ever seen here as they are the world's only Snow Show Dancers. They have an attractive stage setting which depicts in realistic manner a real honest to goodness Alaskan snow storm.

Knox and Mayo have a clean cut comedy offering entitled "Putting it Over" which is a real laugh producer giving jolly Ben Knox an opportunity to display his keen sense of humor at the expense of his charming partner, Lillian Mayo.

The Jack Younger Trio direct from New York Hippodrome have an entertaining acrobatic balancing offering blended with comedy, singing and dancing.

directed the film, created many thrills and much comedy throughout, but at the climax of the story there's a punch that is a masterpiece of the thrill-makers art.

When pampered, luxury-loving Cecily comes face to face with the realities of life in a house she's stumbled into on a "walk home" in the darkness—when she battles shoulder to shoulder for the life of a child with her doctor-sweatheart just after she's broken her engagement with him—there's real drama!

"Silken Shackles" will be the special attraction at the Oregon theater for three days, March 7, 8 and 9.

COOLIDGE GIVES FARM AID SCHEME

President Would Make Land Poor for Agriculture Into Forests

WASHINGTON, March 5.—(AP)—A suggestion that the agricultural problem might to some extent be solved if poor farm lands were converted into forests, was made today by President Coolidge in proclaiming April 24 to 30 as "American Forest Week," and recommending its observance to the governors of the 48 states.

"One fourth of our soil," the president said, "is better suited to timber growing than anything else. I cannot escape the conviction that our industrial and agricultural stability will be much strengthened by bringing into full productive use this great empire of land."

"Although much progress has been made in public forestry and hopeful beginnings in private industry, we still have a vast aggregate of idle or semi-idle forest land, and another larger aggregate of poor farm land that might more profitably grow timber instead of adding to the problem of agricultural overproduction."

"Our migratory forest industries would be stabilized and made permanent. Rural industry would be greatly strengthened and vitalized. Agriculture would find in silviculture a strong ally, providing markets for farm produce and for surplus labor."

NEW STRIKE THREATENED

Shanghai Faced by More Trouble; Soochow's Fall Expected

LONDON, March 5.—(AP)—Another general strike is threatened in Shanghai for tomorrow, says a dispatch from that city to the Sunday Express. The dispatch adds that it is expected that Soochow, now held by the Shantungese, will fall before the Cantonese on Monday.

The Sunday Express correspondent says that he understands that Admiral Clarence S. Williams, commander in chief of the Asiatic fleet of the United States navy, and the American consul in Shanghai are not entirely in agreement with regard to retaining American marines indefinitely aboard the transport Chaumont, where they have been uncomfortably cramped since February 12. The correspondent says that Admiral Williams' desire for the American marines to come ashore may prevail as soon as billets can be obtained.

PRINCIPALS HOLD MEET

Supervision Discussed; Business Session Follows Program

Members of the principals' association of Marion county held their regular meeting Saturday afternoon at the auditorium of the Salem public library with a good attendance.

Four addresses featured the snappy program of the afternoon, the first by Robert Goetz, superintendent of schools at Silverton, on the subject, "How I Supervise My Teachers." Harold Aspinwall, principal at Butteville, spoke on problems of supervision in a two room district school.

Mrs. R. L. Van Orsdal of Salem spoke on the work of supervisors. Purposes and methods of supervision in county schools were discussed by Mrs. Mary Fulkerson, county superintendent. The program was followed by a short business session.

Hattebergs Entertain at Kid Party in Silverton

SILVERTON, Or., March 5.—(Special.)—Mr. and Mrs. Edwin Hatteberg entertained at a delightful "Kid" party at the Marion Palmer home on North Water street Friday evening. Invitations requested guests to wear their "play clothes," and a variety of romper suits and short dresses resulted. Miss Alice Jensen won the first prize, the point system being used for the various games. Mrs. Victor S. Madsen was given the consolation prize. Pink clad dolls for the girls, and fish for the boys were the favors.

Guests for the evening included Mr. and Mrs. Victor S. Madsen, William Hatteberg, Miss Agnes Hatteberg, Nettie Hatteberg, Miss Alice Jensen, Harold Larson, and Lillie L. Madsen.

PARSON BOOTLEGGER GETS CLEAR AWAY

Authorities Give Up Hope of Catching Rev. Petelle in Wilderness

KLAMATH FALLS, March 5.—(AP)—Jackson and Klamath county authorities today had almost given up hope of apprehending the Rev. M. L. Petelle, ex-pastor of the First Christian church, charged with possession and transportation of intoxicating liquor.

An expert woodsman before he took up the occupation of a minister as a life's work, the Rev. Petelle is capable of taking care of himself in the face of adversity. Petelle's car, his overcoat, and personal effects were confiscated by Federal Prohibition Officer L. O. Shirley and Deputy Sheriff Louis Mueller on the Pacific highway 15 miles south of Ashland early yesterday morning. Two men, one of whom Shirley claims was Petelle, escaped. Sixty gallons of moonshine were found in the machine.

Predicament of their spiritual leader was a shock to the church congregation, which only recently celebrated the completion of their beautiful \$30,000 church.

Just prior to Petelle's purported liquor activities, he resigned from the church. His retirement was occasioned by a split in the church congregation. One group wanted him to remain in the pulpit. The other claimed that he was unfit morally to occupy such a high place in the community.

Silverton High Hoopmen Play Final Season Games

SILVERTON, Or., March 5.—(Special.)—Silverton high school lost two and won one game in the three last basketball games of the season played here Friday night. The losing teams were the Silverton boys' first and second teams and the Jefferson girls' team. The Silverton first team lost to Dallas in an exceptionally close game at the last whistle the score was 16 to 16, but an additional three minutes brought that of Dallas up two points, making a final of 16 to 18 for Dallas. The Jefferson boys defeated the second team of Silverton with a score of 12 to 32. The Silverton girls defeated the Jefferson girls 32 to 4.

Goetz Re-Elected Head of Silverton Schools

SILVERTON, Or., March 5.—(Special.)—Robert E. Goetz was re-elected to serve a term of three years as superintendent of schools at the annual meeting of the school board. Edwin Tingstad, who came here last fall from Oregon City, was also re-elected to the principalship of the high school.

FALLS CITY FIVES WIN DOUBLEHEADER

Girls' Team Have Easy Time While Boys' Quintet Win by Small Score

FALLS CITY, Oregon, March 5, 1927—Friday, March 4, Falls City high school finished its basketball season by winning both games of a double header from Monmouth high school. The Falls City girls won 33 to 5 and the boys 12-13.

The girls game was easily Falls City's from the start. The local team put up the best game of the season in winning 33 to 5.

The local girls' defense held Monmouth to one lone basket while the two Falls City forwards, Juanita Hawk and Lucille Miles rung up 15 field baskets and 3 fouls.

The Falls City team is made up of Juanita Hawk, Lucille Miles forwards; Anna Gayman, Neva Page, Ardella Benton, centers; Violet Hawk, Dixie Gayman, Freda Munyan, Edith Reiber, guards.

The boys game proved to be the hardest checking game of the season. Monmouth put up a combination that baffled the local team until late in the game, when Falls City broke through to establish a small lead, which they held until the final whistle. Neither team could score consistently. Monmouth gaining 5 baskets from the floor and Falls City 6.

Falls City lost chances to increase their lead through failure to convert free throws, they only connected with 1 out of 10 chances from the foul line, while Monmouth converted 2 out of 4 attempts from the gift line.

NURSE FROM SALEM TALKS IN PORTLAND

Miss Elnora Thomson Speaker at State Graduate Nurses' Convention

PORTLAND, March 5.—(AP) Thirty-three undergraduate nurses are enrolled for extension work in the University of Oregon's five year nursing study program, Miss Elnora Thomson told the Oregon State Graduate Nurses' association in the concluding session of its annual meeting today. Two students are enrolled for full time work.

This nursing study program was instituted by the University regents a year ago. It requires that students study two years at Eugene, then spend two years in a hospital school and a fifth year in either nursing administrative work or public health nursing or nursing pedagogy, Miss Thomson said. Seven nurses who satisfied previous requirements will complete the five year program this year by their work in public health nursing.

Miss Thomson is professor of applied sociology and director of the nursing program, and director of nursing service for the Marion county child health demonstration.

Another speaker on today's program was Dr. Estella Ford Warner of Salem, medical director of the Marion county demonstration. She talked on health among high school students.

Mrs. Ruby Emery Buckle of Portland was elected president to succeed Margaret Tynan, also of Portland. Other officers elected
