

Three Entrants For State High School Basketball Tourney Chosen

CANNON ANNOUNCES TOURNEY ENTRANTS

Some Winners Not Yet Decided, but Close Estimate Made of Each

MCMINNVILLE, Or., March 5. (Special).—Tillamook high school basketball team qualified for the state tournament here tonight by defeating Newberg 34 to 12 in the final game of the district tournament. In the afternoon Newberg, which earlier in the season had lost to McMinnville, upset the dope by winning from the local quintet 26 to 18.

PORTLAND, Mar. 5.—(AP)—Winners and probable winners of various district basketball championships in the Oregon state high school athletic association were announced here tonight by Roy E. Cannon of Gresham, Ore., secretary of the organization. He asks that all schools be represented at the state basketball titular tourney to start next Thursday at Salem send in the names and numbers of players at once either to him or to Roy S. Keene, director of physical education at Willamette university, Salem.

"There has been some controversy over the method to be adopted in making drawings to determine the order in which games shall be played and the players," said secretary Cannon, "so far that reason it has been decided to have all the entrants register. Thursday morning at the offices of the physical director of Willamette at 11:45. The drawings will then be made in accordance with the decision of the majority of those present.

"Two district championships have been definitely settled. La Grande has won in district number 1 and Pendleton in district number 2.

"District number 3 will probably be represented either by Redmond or Wasco, district number 4 by Medford, district number 5 by Marshfield, district number 6 by Corvallis, Eugene or Siletz, district number 7 by Salem, district number 8 by Tillamook or McMinnville, district 9 by Clatskanie or Astoria, and the city of Portland by either Franklin or Washington high school.

Tiny Hayes Gets Chance For Sporting Limelight In Peter Jackson Bout

INDEPENDENCE BOY JUMPS AT CHANCE

Portlander Favorite Due to Boxing Ability and Ring Experience

Tiny Hayes, Marion county heavyweight, will get his big chance to jump into the limelight next Wednesday night, when he meets young Peter Jackson at the Salem Armory.

A win for Hayes will make him the most talked of heavyweight in the northwest. Harry Hansen, who is looking after the affairs of Hayes and who understands the game, accepted the match offered Hayes without a minutes hesitation. Hansen says that his big boy will stop Jackson inside of six rounds.

Jackson however will go into the ring a favorite due to his boxing ability and due to the fact that he is a veteran at the game. Jackson has just returned from a successful trip to California where he fought all the big boys that came across his path with much success. He got a draw with Ray Pelky while there.

Hansen argues that Hayes is too tough, too game and hits too hard for the colored boy. No one can say that, Jackson is not game. When he was only 19 years old he fought some of the best in the country including Nig Yeager, whom he met twice, and George Lamson. He has fought young Jack Dempsey six times, winning three, drawing two and losing one. Young Dempsey knocked out Frank Farmer.

A win for Tiny Hayes will make him an attraction all through the northwest.

Matchmaker Harry Plant promises thrills throughout the preliminaries as well as in the main go. Because of the interest among the fans at Independence, Hayes' home town, a block of seats is being saved for them.

War Eagle Wins Cup Stake at Miami to Get \$25,000

MIAMI, Fla., March 5.—(AP)—War Eagle, three year old son of Man o'War-Earline, won the \$25,000 Miami cup stake today, setting a new track record of 1:51 1-5 for the mile and a furlong. Close behind War Eagle was L. Doctor's War Flame, a long shot which raced the others into submission at the 16th pole and was pressing E. B. McLean's great colt at the finish. Fly Hawk, another outsider, was third, two lengths back.

The race, feature event of the closing day of the 45 day meet, was run over a perfect track. Ideal weather brought out a crowd estimated at 30,000.

Leading Basketball Quints in Portland Deadlocked

PORTLAND, March 5.—(AP)—Franklin and Washington, the leaders of the Portland high school basketball league, will probably be deadlocked at the end of the season, for the remaining games can have no bearing on the championship unless the top notchers are tumbled by the cellar outfits. It was explained by league officials today.

Both teams play easy games next week and only a phenomenal slump from their present form could bring about a change in their standings.

NIPPONESE DEFEATED

WASHINGTON, March 5.—(AP)—Kinrey Matsuyama of Japan dropped his fifth straight match in the world championship 18.2 balk line billiard tournament tonight, losing to Jake Schaeffer of Chicago, former champion, 400 to 94.

SALEM SHOOTERS MAKE GOOD SCORES

Hillsboro, Hood River and Local Marksmen to Engage in Contest

Hood River and Hillsboro will be the opponents of the Salem Rod & Gun club trapshooting team in the telegraphic shoot today. Salem is leading with 1,000 per cent, together with two other cities.

This will be the only shoot engaged in by the local marksmen today. Next Sunday they will go to Corvallis for the second of the five city shoot series.

Excellent scores have been made by the local clay pigeon experts in the official shoots so far recorded. The leaders are Bert McKay, with 231 out of 250, and Cliff Parker, with 243 out of 275.

The list includes:

Name	Score	Possible	Broken
Carl Bahlgus	550	483	
Grant Farris	550	465	
George Viesko	425	331	
L. Imlah	475	383	
C. Evans	550	467	
C. Palmer	550	490	
C. Bowne	525	450	
R. Gouley	325	169	
A. Long	325	275	
A. L. Funk	200	185	
J. Lewis	175	155	
T. Fellers	250	232

Reinhart, Price Select All-Conference Quintet

EUGENE, March 5.—(AP)—Billy Reinhart of Oregon and "Nibs" Price of California, last night after the championship basketball game between Oregon and California, got together and figured out an all star coast team. Their first team follows:

Watson, California, and Schuss, Washington, forwards; Okerberg, Oregon, center; Westergren, Oregon, and Dixon, California, guards.

Transfer Part of School District Granted by Board

Petitioners seeking the transfer of a section of the Silverton school district to the Evans Valley district were successful and their petition was granted by the district boundary board.

By the grant 240 acres valued at \$12,000 will be transferred, allowing several children to attend the Evans Valley school, which is adjacent to the property.

GOAL POSTS MOVED BACK ON GRIDIRON

Each Marker to Be 10 Yards Behind End Line to Handicap Footwork

NEW YORK, Mar. 5.—(By Associated Press)—Deciding that the foot has become over-emphasized in football, the National Intercollegiate rules committee today lifted the goal posts from their time-honored positions on the last chalk marks and moved them back 10 yards behind each end of the playing field.

By making the uprights a more difficult target to shoot at, either for field goals or for the try for extra point after touchdown, the committee expects to encourage more extensive use of the rushing or passing alternatives, especially as they apply to the extra point scoring opportunity with the ball on the three yard line.

At the same time the hazard of the posts to limbs and play execution is eliminated.

The uprights remain midway between the side lines, as before, but they will be separated by 120 yards instead of by 100 yards, which still is the limit of the playing field.

This change in the gridiron code, effective for the 1927 season, was the most drastic result of the two day session of rule makers, who also decided to retain the shift with safe guards against its illegal use, reduce plays in the game, increase the opportunities for a more "open" game by making an incomplete backward pass "dead" and prevent the scoring of a touchdown by recovery of a fumbled punt.

Retention of all the "strategic advantages of the shift while also preventing abuses not intended by the rules," will be accomplished, Chairman E. K. Hall of Dartmouth explained, by placing a penalty of 15 yards instead of 5 on an illegal shift and by giving officials a measure of "approximately" one second by which to determine a full halt.

"In all shift or huddle plays," the new rule reads, "the players must come to an absolute stop and remain stationary in their new position and without movement of the feet or swaying of the body

for a period of approximately one second." This period, it adds, "may be conveniently measured by rapidly counting 1-2-3-4."

In case of doubt, the committee holds, "the penalty shall be enforced" and to aid detection of illegal shifts, all four major officials are given jurisdiction, instead of leaving the detection to the referee and head linesman, as before.

GOVERNOR TO EUGENE

Governor Patterson and Secretary of State Kozer were in Corvallis yesterday where they attended a meeting of the board of regents of Oregon Agricultural college. The governor went on to Eugene later yesterday afternoon to attend the closing session of the state editorial association. He will not return to Salem until next Tuesday.

DR. W. B. CALDWELL AT THE AGE OF 83

Constipation! How to Keep Bowels Regular

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated men, women, children, and particularly old folks, had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils.

While he knew that constipation was the cause of nearly all headaches, biliousness, indigestion and stomach misery, he did not believe that a sickening "purge" or "physic" was necessary.

In Dr. Caldwell's Syrup Pepsin he discovered a laxative which helps to establish natural bowel "regularity" even for those chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but,

best of all, it never gripes, sickens, or upsets the system. Besides, it is absolutely harmless, and so pleasant that even a cross, feverish, bilious, sick child gladly takes it.

Buy a large 60-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself.
