He won both falls with a double Japanese toe-hold, the first after Edwards had pinned him to the mat for the first fall with his "chiropractic" headlock and a body slam.

Stevenson Indictment Dismissed by Judge Bean

PORTLAND, March 7.—(AP)—The indictment pending in the federal court here against Dr. Lillian J. Dr. Stevenson was indicted by the grand jury on a charge of having sent postcards to officers and agents of a Washington children's home on which she attacked their character and reputation. When first lodged in the county jail here she went on a hunger strike which lasted several days.

COBBS DODGES BALL FROM EDISON'S BAT

ATLANTA, Ga., Mar. 7.—(AP)—Ty Cobb, who has snaggled many a hard drive from the bats of the greatest stars during the past score of years, was forced to a clever acrobatic maneuver today in his first workout, to avoid a smashing liner—and it came from the bat of an 80 year old rookie, Thomas A. Edison, of electrical fame.

Working at Fort Myers, Fla., under the banner of Cornelius McGillicuddy, who directs by the cognomen of Connie Mack, the time honored and slightly greying "peach" went to the mound with his 64 year old boss looking on and then to complete the "old painting." Mr. Edison went to the plate and took an over-anxious stance.

Ty lobbed the ball over and it came sizzling back, lined straight for his head. He ducked and fell just in time to avoid it striking him in the face. "I can hardly be charged with an error," Cobb laughed, and Mr. Edison, surprised at his own cut at the ball, said: "If you're that spry when you're 80, Ty, you still ought to be playing ball."

Parther upstate at St. Petersburg the mighty Babe Ruth was also taking his first drill of the season and he flashed a form declared by spectators to be the best in his career for an early season date. Miller Huggins watched the Bambino race around the bases and sluz with old time form before calling it a day. Benny Bengough, Tony Lazeri, Mark Kenicic, Joe Dugan, Walter Hoyt, Ben Paschal and Urban Schotte were others in camp and out for their first workout.

Staffy McInnis of the Phillies went to work with a squad reinforced by arrivals Sunday and today, Baldwin, Rice, Spaulding, Russell, Wrightstone, Nixon, Leach and Cy Williams all have reported at Bradenton and worked during the day.

The St. Louis Browns and New York Giants opened their "grape fruit" season today with a game at Sarasota. Tomorrow McGraw's men meet the Athletics. Washington also resumes a series with the Braves at that time, while the champion Cardinals are hosts to the University of Florida players.

Bonesteel Motor Co., 454 S. Com'l., has the Dodge automobile for you. All steel body. Lasts a lifetime. Ask Dodge owners. They will tell you. (*)

The Astoria high team was handicapped by the loss of three star players who were disqualified today by the state high school athletic association for competing during their ninth term in school. The decision reverses the opinion of the school athletic officials of last year.
