

SIDE LIGHTS OF THE STAGE and SCREEN

Elsinore Theater
One of the biggest comedy features since "Charley's Aunt" was seen here, is the latest Al Christie comedy, "The Nervous Wreck," which will show at the Elsinore theater for two days, March 16 and 17. The various roles played by an all-star cast including Harrison Ford, Phyllis Haver, Chester Conklin, Mack Swain and Hobart Bosworth, were in excellent hands and all acquitted themselves with credit. The scenes of the comedy are laid in Arizona and the story tells of the mirth-provoking adventures of a nervous wreck who goes to the west to die, but who is extremely active for a supposed dying man. He starts trouble by holding up an automobile party with a monkey wrench and stealing gas for his flivver. Then—but see the picture. If you fail to be enthusiastic over its entertainment qualities, there's something radically wrong with you—and this picture is guaranteed to be a cure for all ills.

In addition to the picture there will be the added attraction of Hon. Mr. Wu and his oriental cast. They will present the revue "At the Feet of Buddha" using gorgeous costumes and spectacular oriental stage settings. They have many new songs, new dances, new jazz numbers and oriental instruments. This is a most interesting revue and will remain at the Elsinore theater for two days, March 16 and 17.

On Friday, March 18, "The Man in Blue" will be the picture at the Elsinore theater. In addition there will be a fine vaudeville bill.

Capitol Theater
"Upstage," Norma Shearer's latest starring vehicle, shows at the Capitol theater for three days, March 16, 17 and 18. It's something so new—so entertaining, that it is astonishing.

The story is the "inside" of vaudeville life—its players are all vaudeville folk, on the stage, in booking agencies, in actors' boarding houses—it shows a people who are literally a little world in themselves—children of the night who play while others sleep.

Norma Shearer plays the feminine half of a song and dance team—a wistful bit of humanity when in trouble—a gorgeous creature indeed when, in glittering gowns, she parades in the spotlight.

The story gets down to the human souls behind the glamor of the footlights; it takes the audience back "behind the scenes" and shows how the "other half" lives.

Oregon Theater
Flashing with the bright humor of the Irish and the sombre wit of the Jews, gay with the romances of a lovely Irish lass and a young Jewish girl, "Kosher Kitty Kelly," F.B.O.'s new Gold Bond production, which will show at the Oregon theater for two days, March 16 and 17. For sparkling situations, effervescent entertainment and delightful drollery, this pleasing picture is refreshingly different. For all its comedy, there are moments of poignant pathos when rare depths of emotions are exposed. The title role of the picture has happily been given to Viola Dana who gives a charming interpretation of the young Irish lass who loves a cop and is courted

Jersey Herd Auctioned
Good Prices Obtained

AURORA, March 15.—(Special)—Binger Giesy of this place sold his herd of Jerseys yesterday at an auction for an average of \$135 per head. There were only 17 head in all. The top price of \$399 was paid for a cow by Marinus Schapp of Corvallis. Mr. Schapp also paid \$270 for a two year old heifer.

Buyers were present from Dayton, Estacada, Sherwood, Newberg, Oregon City and also some local people. The total receipts of the sale amounted to \$2320. E. A. Rhoten of Salem had charge of the promotion work for this sale.

Program Given by School Proves Very Successful

FRUITLAND, March 15.—(Special)—The program given by the school and Mr. Norton, a ventriloquist from Portland, was very good and met with the hearty approval of the audience. The school cleared a sum of \$40 on the program and baskets sold after the program.

H. E. Evans motored to Corvallis over the week-end to attend to some business affairs.

A community club meeting will be held at the school house on Friday evening, March 18 at 8 o'clock. There will be a short business meeting, which will be followed by a good program. Mr. Fox, county supervisor, will give a short talk.

Mr. and Mrs. Alvin Gardner and family plan to motor to California in the near future. Mrs. Gardner is the daughter of Mr. and Mrs. Albert Harmon.

Rev. G. Stover enjoyed luncheon with Mr. and Mrs. Owsby on Sunday.

Jersey Cattle Men Plan for Big Show

OREGON NORMAL SCHOOL, Monmouth, March 15.—(Special)—Jersey cattle breeders of Polk county are laying extensive plans for the greatest Jersey show in the history of the state, according to Frank Laughery, president of the county Jersey cattle club, after a recent meeting held at Independence. In common with Clackamas, Marion, Linn and Lane counties, Polk holds a Spring Jersey show. Each of these shows falls on successive days and makes up the big state Jersey jubilee. The exact dates for the 1927 series has not been set, but it will be between the middle and the last of May. The Polk county fair will be held at Independence in the newly erected building that is to be used as a school gymnasium. At the time of the last show, 1925, there were 129 famous Jerseys of Polk county on exhibit and it is planned to exceed that in the show to be held this year.

Tentative plans of the program committee include a barbecue, basket dinner and other features that will make Polk county day outstanding. Similar celebrations have brought out over fifteen hundred people and it is expected that this year will be equal and better than any previous show.

Business men of Independence are enthusiastic for this show and backing it both financially and morally. Committees to look after

Polk County Affair to Be Held at Independence; Cooperation Shown

The various details have been appointed from the Jersey men as follows: entries; H. Portwood, N. M. Tibbles, F. S. Robinson, and W. B. Allen. Finance G. G. Hewitt, Harry Hoff, and Claude Hollington. Arrangements and program, Frank Laughery, Mrs. H. Portwood and Willard Bartlett. Polk county Jersey men have authorized G. G. Hewitt to work up a final show at which time the local breeders would challenge the other counties to a showing of the first prize winners and champions at the local shows.

No general conference of radio users will be called for the present, the commission said, but it hopes that the series of hearings will give it data on a number of radio problems, including the possibility of consolidating broadcast service, limiting the number of radio stations, and widening the present wave length ban on which broadcasting is permitted.

The statement concluded by appealing to the public for patience while its program of radio regulation is in process of formulation and application.

Modern taste revels in the goodness of Camel

SMOKERS of today—the most particular and hardest to please—find their smoking wishes realized in the mellow goodness of Camels. They demand the choicest Turkish and Domestic tobaccos, and find them in Camel gloriously blended. Modern smokers put Camel ahead of all other cigarettes.

You should know the mildness, the mellowness that brings enjoyment to present-day smokers. You'll find it in Camel—every good point that could be looked for in a cigarette.

It's the modern favorite.

EMMANUEL CHOIR PRESENTS PROGRAM

Many Express Appreciation for Excellent Concert Furnished at Church

MONMOUTH, March 15.—(Special)—Sunday the Lutheran Emmanuel church choir of Silvertown, Oregon, which is directed by Mr. A. L. Larsen, rendered a remarkable program of anthems and songs at the Lutheran Student Center in Monmouth, where services for the Lutheran students are being conducted every second and fourth Sunday in the month, under the auspices of the Lutheran Student Service Association for Oregon of which the Rev. Schoeler of Independence is secretary.

The program, which was given free to the public, opened at 2:30 sharp and lasted about 90 minutes. The Silvertown choir, of which some forty members were present, had come by invitation. Mr. Larsen, who believes "that song is not music with words put to it, but words with music to it," proved himself both an able director and a connoisseur in the selection of what constitutes a good anthem as well. The large audience demonstrated by their eager glances, and also by word and gesture, that the program was thoroughly appreciated. A well-known faculty member at the Normal who, by reason of being a teacher of music, is qualified to pass judgement, expressed her astonishment that "a church choir, consisting of comparatively untrained singers, should be able to furnish such a wonderful concert." Others gave voice to similar opinions.

Mr. Larsen was capably assisted by Miss Bollen at the piano. Silvertown can be justly proud of having

NEW RADIO BODY STARTS WORKING IN EARNEST
(Continued from page 1.)

much handicapped to meet its necessary obligations.

No general conference of radio users will be called for the present, the commission said, but it hopes that the series of hearings will give it data on a number of radio problems, including the possibility of consolidating broadcast service, limiting the number of radio stations, and widening the present wave length ban on which broadcasting is permitted.

The statement concluded by appealing to the public for patience while its program of radio regulation is in process of formulation and application.
