

Salem School Loses Two Games During Entire Season; 1027 Points Made

HIGH BASKETBALL TEAM ENTERTAINED

Letters Presented to Members at Student Body Meeting Wednesday

The basketball season at the Salem high school was brought to a formal close Wednesday evening with the annual banquet held in the high school dining room.

Members of the squad who were entertained were Siegmund, Drager, Schwabauer, Olinger, Duffey, Adams, Ashby, Shafer and Lyons. Others who were guests included Sept. George W. Hug, Principal J. C. Nelson, Merritt Davis, Dr. Walter H. Brown, Coach Hollis Huntington, Physical Director Louie Anderson, President Kenneth Allen of the student body and Marvin Hendrick, yell leader.

All of the players and the other guests made brief talks. Those of Coach Hollis Huntington and six of the players were in the nature of farewells, for Captain Drager and Olinger, Adams, Siegmund, Lyons and Ashby are scheduled for graduation in June, and Huntington ends his career as coach at Salem high at the same time.

Tom Duffey, star forward on the team in the season just ended, was elected captain for next year.

The banquet was arranged by Miss Pauline Johnson, chairman of the social committee of the student body, and was prepared and served by Mrs. Gladys Jensen and members of her domestic science classes.

The players were presented with their letters won in the season just ended, at an assembly Wednesday afternoon. They were guests of the Salem Rotary club at the noon luncheon.

The Salem high team had an unusually successful season, losing only two games, both of those to Eugene, and finishing second in the state as a result of reaching the finals in the state tournament. Two members, Duffey and Drager, were chosen on the all-tournament team which is virtually an all-state quintet.

Olinger and Siegmund were selected on the second team. Several weeks ago the Salem team was working for an 800-point total for the season, but this was increased to over 1,000 points by the end of the tournament, the exact total being 1027.

CARDS AND GIANTS PLAN EXHIBITION

Hornsby to Be Seen Playing Against Men Traded for Him Last Fall

ATLANTA, Ga., March 16.—(AP)—Sam Bredon, president of the world champion St. Louis Cardinals, is going to Sarasota to get a glimpse of Rogers Hornsby, his former star second baseman and manager, now wearing the togs of the New York Giants.

At the same time, John McFarlow, who traded Frankie Frisch, the Fordham flash, and Jimmy Ring, who some years ago pitched his way to the top of the league standing, will observe the former two New Yorkers in the spangles of the Cardinals.

These three performers are expected to come in for a lot of attention tomorrow when the Cards and Giants look up at Sarasota in an exhibition game.

Nine of the 11 major league outfits training in Florida were in action today in exhibition games. The Giants were at St. Petersburg to meet the Boston Braves, the Washington Senators met the Cincinnati Reds at Orlando; Cleveland and the Cards were in action at Avon Park; the St. Louis Browns and Brooklyn Robins moved to Clearwater for another duel; and the Philadelphia Nationals opposed the Buffalo Internationals.

Seven games are on tap for tomorrow. The Card-Giant battle at Sarasota will be the last of the season at that point for the New Yorkers, as they are moving camp immediately to St. Augustine for another siege of work.

Today only the Philadelphia Athletics and New York Yankees were idle.

At St. Petersburg, Miller Huggins' men were greeted by the Maharajah of Maul, George Herman Ruth, who has been here de combat for several days because of an injured leg. Babe was back in uniform this afternoon and expects to be in the lineup Saturday when the Yankees meet the Braves.

SAN FRANCISCO, March 16.—(AP)—Bucked up by heavy and timely hitting, Earl Kitch pitched the San Francisco Seals to a 5-3 win over Denver in their exhibition game today. Except for a momentary spell of wildness in the last inning when he walked two men and allowed a single that scored two runs, Kunz had the visitors well in check.

Sour Stomach

"Phillips Milk of Magnesia" Better than Soda

Instead of soda hereafter take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the souring waste from the system without purging.

Besides, it is more pleasant to take than soda. Insist upon "Phillips." Twenty-five cent and fifty cent bottles, any quantity.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1876.—AGY

SAPIO'S COUNSEL DENIES JEW PLOT

Gallagher Takes Up One by One All in Label Case Against Ford

DETROIT, March 16.—(AP)—A vari-colored picture painted by Henry Ford's Dearborn Independent of a Jewish combination reaching its tentacles into the pockets of the farmers and world affairs was daubed today by William Henry Gallagher, counsel for Aaron Sapizo, who is suing the automobile manufacturer for \$1,000,000 on charges of libel.

By one he took up the charges which his client claims injured his reputation as an organizer of cooperative marketing organizations and when court adjourned had still several points to bring out in his opening statement.

If a world wide conspiracy of Jews existed, Aaron Sapizo knew nothing about it, Gallagher declared, neither was he a member of a ring spreading communism or bolshevism throughout the

country, instilling the ideas of "red" Russia in the minds of the children.

"As to charges contained in the Independent regarding a so-called Kahn - Barush-Lasker-Rosenwald-Sapizo program to turn over to an organized international interest the entire agricultural industry of the country," said Mr. Gallagher, they are entirely unfounded, evidence will show.

"We will show that this whole idea of organized Jewry to take advantage of the American farmer is a product of the mind and the statement that Sapizo was backed by a Jewish combination in his organization work is entirely without foundation."

Cooperative organizations of all kinds in Oregon, Kentucky, Texas, California and the old south, which Sapizo had helped form, were mentioned in excerpts from the Dearborn Independent which Mr. Gallagher read.
