

Senators "Regulars" and "Yannigans" Will Clash Sunday Afternoon

SEASON PROSPECTS TO INTEREST FANS

Out of Town Players to Be Here, No Word on Cyclops' Successors

Baseball fans of Salem will get their first chance to judge what the Senators will look like this season Sunday afternoon when, weather permitting, a game between the "regulars" and the "yannigans" will be held, according to announcement made Thursday by Manager Leo "Frisco" Edwards. The game will start at 2 o'clock.

All of the out of town players will be here at that time, including Goldman, Bliss, Reinhardt, Steers, Ridings, Coleman and possibly some others.

A new recruit who showed up this week is Floyd Myers, a pitcher, brother of the Myers who pitched for Montaville here last season.

Meanwhile, no report has been received from headquarters of the Portland City league as to whether another club is to be admitted to take the place of the Cyclops, or the league is to proceed with only seven clubs.

This is of importance to the Senators, as their opening game was to have been with the Cyclops here April 3.

The managing committee of the local club completed its organization this week, with Dr. E. H. Hobson as president, Jose Adolph as secretary and George Riches as treasurer.

Work on the diamond is being done this week, so that it will be ready for the practice game Sunday.

Three Class Teams Tied, Seniors Win on Ponto

The women's interclass basketball series at Willamette university terminated in a three cornered tie Thursday afternoon when the juniors upset predictions and defeated the seniors, 9 to 7. The freshmen won from the sophomores 25 to 3. Seniors, juniors and freshmen have won two games and lost one each.

However, it is understood that the championship will be awarded to the seniors on the basis of points scored.

Elva Balsiger, freshmen forward, scored the highest number of points in the three day series, 46, Margaret Raught of the seniors finishing second with 45 points.

OAC Will Revive State High School Track Meet

CORVALIS, Ore., Mar. 17.—(AP)—The state high school track and field meet, abandoned some years ago, will be revived and sponsored annually by Oregon Agricultural college.

May 14 is the date selected this year, and the second Saturday in May will be the date for the meet each year.

All difficulties as to eligibility rules and other questions were ironed out at a meeting in Salem this week, attended by officials from Portland and the state wide high school athletic association, officials here announced today.

New Pro Hockey League Planned for Northwest

VANCOUVER, B. C., March 17.—(AP)—Plans for the formation of a new Pacific coast professional hockey league, to begin play next winter, will be discussed tomorrow at a meeting here of representatives from Tacoma, Portland, San Francisco, Los Angeles and Seattle, with Frank Patrick of Vancouver. Patrick was president of the old Pacific coast

hockey league. W. B. Severyns, former Seattle police chief, and W. J. Coyle, former lieutenant governor of Washington, will represent Seattle.

Hahn Beats Edwin Wide, Swedish Demori, in Race

MADISON SQUARE GARDEN, New York, March 17.—(AP)—Lloyd Hahn, American mile champion, raced to a sensational victory tonight over Edwin Wide, the Swedish school master, in a one mile race featuring the Knights of Columbus track and field carnival. Hahn won by four yards in a driving finish.

Hahn failed by one-fifth of a second to equal the world's record when he was clocked in four minutes, 12 1-5 seconds.

NATIONS PAIR OFF FOR DAVIS MATCH

Coolidge and Ambassadors Officiate at Ceremony in Washington

WASHINGTON, March 17.—(AP)—The 25 nations which will compete in this year's international tennis matches in an effort to wrest the Davis cup from America, were paired off at colorful ceremony today at the White House, participated in by President Coolidge and the diplomatic representative of each country.

Mr. Coolidge took the first name from the huge silver Davis cup, resting on a table in the rear of the executive offices and surrounded by the diplomats, most of them attired in morning clothes. He drew Czechoslovakia.

Under-Secretary Grew of the state department dipped then into the bowl his envelope enclosing that of Greece, which therefore meets Czechoslovakia.

Thereafter each of the diplomats drew one name from the bowl.

The luck of the draw placed France and Germany, two of the leading contenders in the European zone, both in the lower half and in the event of success in the early rounds they will meet in the semi-finals of the European competition.

In the American zone, Japan, which won in this zone last year, faces Mexico. Canada meets Cuba in the only other match in this zone.

The winners of the two zones will meet to determine which nation shall challenge the United States in matches to be played in Philadelphia next September for the cup, which America has won for seven successive years.

William Tilden and William Johnston, who captured the cup from Australia in 1920, have been members of each successive Davis cup team. For the second successive year Australia will not be represented.

Reinhardt to Lead Eugene Valley League Ball Club

EUGENE, March 17.—(AP)—William J. Reinhardt, University of Oregon basketball and baseball mentor, will coach the Eugene team of the Portland-Valley baseball league providing the business men of the city will get behind the team. It was announced today.

A number of young business men of the city are taking hold of the project and are endeavoring to finance it.

TRAINING WANES FOR BALL TEAMS

Two Clubs Break Camp While Others Begin Series of Exhibitions

ATLANTA, March 17.—(AP)—Certain signs of the waning spring training season for major league baseball clubs in Dixie were apparent today as two of the clubs broke camp while another started a series of exhibition games that will occupy it until almost time to depart northward for the grand premier.

At Sarasota and Orlando, the New York Giants and Cincinnati Reds, respectively, said farewell to acquaintances, while in Shreveport, La., Ray Schalk's Chicago White Sox entrained for Texas, where they will stay 10 days for exhibition encounters.

The Card-Giant game brought Rogers Hornsby into action against his former team mates while Frankie Frisch and Jimmy Ring, now of the Cardinals, were batting against the Giants for the first time. Sam Breadon and John McGraw watched the play of these men closely as a possible answer to the "Who got the best of the deal?" query.

Ty Cobb, went a step further in the argument that a Georgia peach can ferment fast, by trying to "ride" Goldsmith, pitcher for the Boston Nationals, in their exhibition game with the Athletics at St. Petersburg. Frank Wilson, umpire, told Cobb to get off the field and gave Kid Gleason, Athletic coach, the same command a moment later. When both failed to comply, he declared the game forfeited to the Braves, although the A's were leading at the time, 4 to 0.

Wilson said he ordered Gleason away when he started arguing for Ty.

Miller Huggins of the New York Yankees still had Herb Pennock on the holdout list. Bob Meusel signed his contract yesterday.

With Flint Kehm, pitcher, yet missing, Sam Breadon last night declared that unless he signed a Cardinal contract he is "simply through." Tommy Thevenow is another Card holdout. All clubs in Florida had exhibition games on today with the exception of the Yankees, Phillies and Browns.

The Yankees, however, went through a practice tilt at St. Petersburg, while the Browns at Tarpon Springs and Phillies indulged in fielding and hitting drill.

SARASOTA, Fla., March 17.—(AP)—Home runs by Wattle Holm and Manager Bob O'Farrell, in the ninth inning broke up a battle between the Cardinals and Giants today, bringing a 3 to 0 verdict to the world's champions after eight scoreless innings.

Grover Cleveland Alexander hurled the first five innings of the exhibition for the Cards but Bill Sherdel received credit for the victory. Rogers Hornsby, former Cardinal pilot, was held hitless.

Fighter Fatally Injured in Philadelphia Bout

PHILADELPHIA, March 17.—(AP)—Charley (Kid) Hill, negro heavyweight of Wilmington, Del., was fatally injured tonight in a bout with Jack Gross, Salem, N.

J., and died two hours later in a hospital.

A terrific right to the chin sent Hill down for the count in the fourth round. His head struck the mat with a resounding crack and when he failed to respond to the usual restorative treatment he was taken to the hospital. He died without regaining consciousness. Physicians at a late hour had not determined the exact cause of death.

All officials connected with the bout, including the referee and seconds, and owners of the Olympia Athletic club, where the fight was held, were arrested. They will be arraigned tomorrow. The owners of the club are Al Nash and Jack Rinehart. Frank McCracken, a Philadelphia sports writer, was the referee.

Sigma Tau Team Wins In Inter-Frat Series

In a hard fought game which was tied at the end of each of the first three quarters, the Sigma Tau fraternity basketball team defeated the Alpha Psi Deltas Thursday evening 10 to 15 and won the inter-frat championship of Willamette university. The teams were:

Sigma Tau	Pos.	Alpha Psi Delta
Haines	F	Woolsey
White	F	Herman
Blanchard	G	Hathaway
Rhodes	G	Hoskins
Edmondson	S	White
Cramer	S	
Givens	S	
Referre	Adms.	

LATE SPORTS

CHIVAGO, Mar. 17.—(AP)—David Shade of San Francisco, ranked with Chicagoans as the favorite challenger for the world's middleweight championship, scored a technical knockout over the rather ancient Tillie (Kid) Herman of Los Angeles in the sixth round of a scheduled 10 round fight at the Coliseum tonight.

BOSTON, Mar. 17.—(AP)—Young Stribling, flashy Georgia light heavyweight, decisively outpointed Maxey Rosenbloom of New York in their 10 round fight here tonight. Stribling carried seven of the rounds, two were even, and Rosenbloom was credited with a slight edge in the other.

Prothro, Portland Third Sacker No Longer Holdout

SAN JOSE, Cal., Mar. 17.—(AP)—Doc Prothro, Beaver third baseman, signed his contract and had his first workout with the team. Leonard Metz, who has been holding down the third base job will probably take of the utility job.

Portland plays a game with Santa Clara university tomorrow afternoon and Saturday will begin a seven game series with the Philly colored Giants.

HOOP TEAMS PRACTICING

The "Has Beens" and "Will Bees," Salem high school basketball teams which will play a post-season game next week, started practice Thursday, the quintet of graduating seniors under the direction of Coach Hollis Huntington, and the next year's prospects under Physical Director Louis Anderson. The game will be played Friday, March 25.

Send post office receipts for first three months of 1927 were 75 cents; for last quarter of 1926, \$12.336.

BOYS INTERESTED IN CAMP COOKING

Nationally Known Authority Tells High School Teachers of Methods

Boys are as interested in home economics as are girls, if the subject is introduced in the form of a camp cooking course, Salem teachers gathered at the high school auditorium Thursday afternoon were told by Sally Lucas Jean, nationally known health educator, who is spending two days in this city visiting the Marion county child health demonstration.

Of course the boys do not become expert cooks in most cases, but the value of the course lies in the knowledge of food selection principles that they gain, Miss Jean explained. Most men who eat away from home, injure their health by improper selection of foods, she said.

Physical education has been reformed until the "1, 2, 3, 4" drill has been almost entirely replaced by games which the students can enjoy, the only successful way of inculcating the habit of taking exercise, Miss Jean stated.

Health rules have been reduced to essentials, and these are positive directions rather than prohibitions, Miss Jean outlined. The first essential is to place health ideals before the pupil, the second to teach him the way to achieve health. In matters of diet, it has been learned that making sure the child gets the proper amount of nourishing food, rather than prohibiting supposedly harmful foods, is the important thing.

The increased stress on health education is revealed in the fact that health was named by the national educational association as the first objective of all school work.

SINCLAIR VERDICT AIDS SLUSH BODY

Hand of Senate Campaign Funds Committee Strengthened by Decision

WASHINGTON, March 17.—(AP)—The conviction of Harry F. Sinclair for contempt of the senate was regarded today at the

capitol as tending to strengthen the hand of the campaign funds committee if it seeks to function this summer in senatorial election investigation.

With the resolution to continue this committee lost in the senate filibuster, some of the senators opposing its further operations took the view that it would be powerless, as its subpoenas would be disregarded by those to whom they might be directed.

With Sinclair facing a jail sentence of from one to 12 months for refusing to answer questions before the senate oil committee, however, a number of senators believe witnesses summoned by the campaign funds committee would hesitate to refuse either to respond to subpoenas or to questions.

Assembling here Saturday, the committee under the chairmanship of Senator Reed, democrat, Missouri, will consider the briefs prepared by a number of senators holding that it is a continuing body along with the senate, and also will confer with Senator Keyes, republican, New Hampshire, chairman of the audit committee, who has refused to approve vouchers for the committee expenses during the recess of congress.

David S. Barry, sergeant at arms of the senate, also has been invited to meet with the committee. He asserted today that he had told senate leaders that he would refuse to go to Pennsylvania on private funds furnished by committee members for the purpose of obtaining and bringing to Washington the ballot boxes used in four Pennsylvania counties in the senatorial election last November.

"I have not made up my mind on that subject," he said.

RED PEPPERS END RHEUMATIC PAINS

When you are suffering with rheumatism so you can hardly get around just try Red Pepper Rub and you will have the quickest relief known.

Nothing has such concentrated, penetrating heat as red peppers. Instant relief. Just as soon as you apply Red Pepper Rub you feel the tingling heat. In three minutes it warms the sore spot through and through. Frees the blood circulation, breaks up the congestion—and the old rheumatism torture is gone.

Rowles Red Pepper Rub, made from red peppers, costs little at any drug store. Get a jar at once. Use it for lumbago, neuritis, backache, stiff neck, sore muscles, colds in chest. Almost instant relief awaits you. Be sure to get the genuine, with the name Rowles on each package.

Nobleman Takes Position Among French Immortals

PARIS.—(AP.)—The latest "immortal" to take his place under the famous Cupola of the French Academy is the Duc de la Force, grandson of Madame de Staël.

When he took his seat after a learned discourse on the Comte d'Haussonville, France was reminded that he is the 12th duke

of his name and one closely connected with the history of France. Marshal Foch and M. Murel, the most attended the ceremony.
