479 STATE

(Formerly Location of Electric Cafe)

ORCHESTRA FROM 11 A. M. TO 2 P. M. AND 5 P. M. TO 8 P. M.

BELIEVING--

That Salem is now coming into her own as a city of manufacturing, of merchandising, of land production and best of all, a beautiful home city. We believe in Salem and we have "staked our all" in this enterprise.

We know that we are putting in Salem a Cafeteria modern in every respect ranking among the first in the state of Oregon. Mrs. Buell, the well known Portland dietitian and pastry expert, has been engaged to supervise our kitchen where all salads will be compounded, all of the pastry we serve will be made right here and baked in our electric oven.

Our steam table will make it possible to give our patrons a choice of 21 meats and vegetables, all piping hot. The special equipment also includes automatic electric egg cookers, automatic electric toasters and steam cooker.

In addition to the 21 snow white tables we have installed seven booths which will accommodate four persons each. Table service for breakfast.

All dishes will be steam sterilized. This is just one of our many modern services.

We trust that you will approve of our efforts.
