**Christian Endeavor Societies Entertain Basketball Team at Banquet**

One of the most delightful social events ever held in the Court Street Church of Christ took place Wednesday evening, March 23, at 6:45 o'clock when the Christian Endeavor societies sponsored a three course banquet, honoring the

church basketball team, winners of the church league.

The dining room was decorated in yellow and white predominating, with a touch of green. One corner held a large basket filled with yellow daffodils and green fern. The long table was graced with a lovely bouquet of white narcissus and fern, plus green and yellow tapers. The organ held candles matching. Five girls dressed in white, with tiny yellow be-frilled aprons and one boy, also wearing white with yellow apron, served the dinner.

E. W. Cooley, president of the Church Basketball league, was the toastmaster. H. M. Burchet, team coach, and Byron Cooley, captain, and members of the team responded to toasts. Rev. R. L. Putnam also expressed his gratitude to the boys.

Those assisting were the Misses Helen Kreugher, Ella Smith, Ruth Hawk, Mary Kreugher, Faith Gilmer and Darrell Walker.

Invited guests were Mr. and Mrs. E. W. Cooley, Mr. and Mrs. H. M. Burchet, Rev. and Mrs. R. L. Putnam, Mr. and Mrs. Glen Gregg, Byron Cooley, Earl Gilmer, Frank Barquest, Charles Newberry, Virgil De Voe, Robert Garrett and Harley O. Youngblood, Harmon Garrett and Ed Garrett.

Get Associated with Ethyl

Wings on your car!

**Instant Response**

to the slightest touch!

Go!—down to the boards with the accelerator—your car darts forward with the sureness of a tiger's spring—across the intersection ahead of the gang.

That's Associated Ethyl Gasoline—the plus motor-fuel. Gone are the exasperating "bucks" and jerks of close-quarter maneuvering. Gone are the "knocks" on hills and in traffic. Gone is the necessity for half your gear-shifting.

In the place of these come smooth, gliding, pick-up—even in high gear; the negotiating of tough grades with a new sweeping power; wings on your car! A brand new motoring-thrill!

And, with Associated Ethyl Gasoline, that old enemy carbon becomes your friend! Carbon becomes an agent for greater power. Keep it in your motor. Let it accumulate!

Your first tankfull of Associated Ethyl Gasoline will convince you of its marvelous qualities. So fill up today! Buy Associated Ethyl from pumps painted with the red, green and cream diamonds. Associated Ethyl is red in color, but not all red gasolines are Ethyl gasolines. Just a bit of a precaution if you want the genuine.

Associated Ethyl Gasoline is sold for 3 cents above the regular market price of gasoline.

Licensed by Ethyl Gasoline Corporation

The PLUS (+) Gasoline

Associated Ethyl Gasoline is simply regular sustained quality, "more miles to the gallon" Associated Gasoline produced at the Associated Oil Co.'s refineries, plus Ethyl Brand of Anti-Knock Compound, perfected by the General Motors Corporation.

Associated is superfine gasoline to start with. Its distinctive chain of boiling points has always given Associated a superior motor performance.

Now, with the addition of Ethyl Compound, this performance is emphasized and developed because the Ethyl Compound, while not a fuel itself, does create within the motor better conditions of combustion. Associated gasoline thus gives a far larger measure of its inherent power and speed—qualities already there, but heretofore not fully released.
