

VETS OF FOREIGN WARS TO GATHER

Splendid Social Affair Planned for Comrades and Their Ladies

The Veterans of Foreign Wars are planning to hold a regular get-together on March 30, which will be one of the biggest events of the year according to various members of the organization. The following item appeared in the official publication relative to the contemplated affair:

"Pederson, our good natured officer of the day, with Comrades Lewis and Holtzman, constitutes a special committee, to stage a social meeting Wednesday, March 30. At this meeting will be invited eligible comrades, the Auxiliary and eligible ladies.

"Comrade Pederson, in collaboration with our ignoble Post Commander, has ordered all business shelved entirely. They say that this meeting will be for a genuine good time. Baskets to be auctioned are in sight; the auctioneer has been designated. In fact everything is set to go and all we need now is to get comrades, their wives, sweethearts, mothers, sisters and affiliates to attend.

"The personnel of the committee assures success. No comrade worthy of the name would miss this opportunity to become acquainted with the membership of the Post. Our regular meetings are, of course, commonplace and inclined to be dulled by sameness. This is an entirely different affair. You will be surprised at how few of the members you really know and remember that just a few years ago you knew something, perhaps too much, about every man in the company, or aboard ship."

eau of the Portland Credit Association concerning arrangements to strengthen the inner organization of the firm, by assignment. Since the withdrawal of its former president, Frank Wetherbee of Eugene, financial director, in January, the firm is reported to have had financial difficulties due to steady losses in two of the six branches and the withdrawal of grocery stocks without first liquidating the debts of that department. Officers of the company, which has its main offices here, hope to keep their stores in operation, although it may be advisable to discontinue two of the branches now in operation. Present assets are reported to be close to \$100,000 with liabilities of only \$35,000.

JURY FAILS TO AGREE

Dismissed After 12 Hours' Deliberation in Longview Case

LONGVIEW, Wash., March 26.—(AP)—A jury of 10 men and two women, after 12 hours' deliberation failed to reach an agreement on a jointist charge in superior court against Harry Renaud, L. Rice and H. McKinney, and was dismissed today by Judge Homer Kirby. The jury stood eight to four for conviction.

In his opening statement at the trial Prosecuting Attorney, Joe Malery said the state would show that part of the liquor evidence was missing from the sheriff's office, and that a deputy sheriff accompanied the defendant Renaud to Portland in the sheriff's car March 9, when an attempt was made to bribe the principal state witness to withhold evidence. Much conflicting evidence was introduced on these points at the trial.

Swim Record Broken in Northwest Meet

Fancy Diving Championship Won by Multnomah Club Entry

PORTLAND, March 26.—(AP)—Lillian Knutsen, diving under the colors of Multnomah club, won the junior women's fancy diving championship at the Pacific northwest association swimming meet here tonight. Miss Knutsen, already holder of the northwest title, won a unanimous decision over Inez Edwards, Oregon state champion, Mary Zancker, Oregon Athletic club, and Hazel Olmstead, Portland champion, who finished in the order named.

One record was broken in the northwest association swimming meet held in conjunction with the diving. Lois Murfin, Multnomah, in the women's 100-yard free style, made the distance in 1:09.2, beating the old record by 4-5 of a second.

The feature race of the meet was the one between Johnny Anderson, Oregon, and Dana Thomas, Multnomah club, in the 100-yard event for men. Anderson nosed Thomas out by a scant 24 inches. Silverman, Oregon, placed second in the 440-yard free style event for men, with Horsfall, Mult-

nomah jaking the race with a time of 5:56.2.

Anerdson, Oregon, won the 150-yard back stroke race with time of 1:56.6, with Slocum, Multnomah, second and McAlpin, Oregon, third. Anderson placed second in the 220-yard free style event.

BOO DERBY WINNER

BRADLEY'S ENTRY CLOSE TO BAGENBAGGAGE TIME

NEW ORLEANS, March 26.—(AP)—Boo, E. R. Bradley's successor to the many famous B's of the Idle Hour farm, which have run before him, upheld the stable's name here this afternoon by winning the \$15,000 Louisiana derby by a length and a half over Fred, Jr., his nearest competitor. The winner's time for the mile and eighth was 1:51 4-5, three-fifths of a second slower than the track record set by Bagenbaggage last year. The winner was a 9-10 favorite. Two dollar tickets on him paid \$3.80 to win, \$3.60 to place and \$2.60 to show. Boo's win, in a large measure, was due to the ride given him by "Goldie" Johnson. Johnson with his left leg in a plaster cast, as a result of an injury yesterday in the third race, rode Boo today. He held the son of Black Toney of the pace until the three-quarter of the pace until the stretch to reach, then made his move and came into the stretch to win, going away from Fred Jr., which had hung all the way up to the final stretch.
