### New Spring Mode in Coats

This sale of high grade coats will interest you vitally—both from style and value points of view—Very latest Charmeen, Satin sports novelties and worsted mixed in exquisite fabrics—with or without fur—new linings—new trimmings, etc.—all thoroughly well made and up to the Miller standard of quality. Remember this is a choice of the house sale! You simply buy the best at \$49.50.

See these when the store opens at 9 o'clock.

—Miller's have been authoritatively informed through their Eastern buying connections that prices of coats and dresses are due to a change—and that this change will be to a lower level. Instead of awaiting until the week preceding Easter or the week after we intend giving our patrons the advantage Now! Our first cut in price may seem drastic—but we are motivated to seek a price that will be staple for the season thereby giving all an equal opportunity of getting the one lowest price on their Easter apparel—so early in the season.

### New Spring Mode in Frocks

—The Paris of Spring Fashions before you! . . . . different fashions which acclaim the rich simplicity of subtle lines, important fabrics and colors—and particularly attractive are these values of \$59.50, \$69.50 and \$79.50, etc., choice of house at \$49.50. Here is a splendid offer so far in advance of Easter one may choose to their hearts content and know the satisfaction of getting —“after Easter values”—all alterations free.
