It is with a feeling of justifiable pride that we announce this Special Universal Sale, constituting as it does the greatest opportunity we have ever extended our friends and customers to install a finer, modern coal-wood range in their homes.

In presenting the Universal we do so with the conviction and knowledge that it is the premier American Range, both as to beauty of appearance and superior service performance. With confidence we place an absolute guarantee on every Universal Range—a guarantee that assures you of perfect, satisfactory service through the years.

The exceptional offers and values in effect only during this sale, have been made possible by reason of unusual concessions both on the part of the manufacturer and ourselves. Of necessity this sale has been limited to one week, at the expiration of which, these unusual offers will be withdrawn and the extremely long terms discontinued.

To the discriminating buyer, who demands the utmost for his money, this sale offers a particular appeal, presenting as it does an exceptional opportunity to purchase a quality coal-wood range at a remarkably low price and on extremely liberal terms.

ALL UNIVERSAL STOVES INCLUDED IN THIS SALE!

"UNIVIT"
Porcelain ~ Easy to Clean

Univit Porcelain is exclusively used on Universal Ranges and is the most beautiful and durable of finishes.

It is impervious to heat and will not crack, chip or discolor, preserving its original beauty and lustre throughout the entire life of the range.

Univit porcelain not only imparts a greater and lasting beauty to the range but is of immense practical assistance to the housewife as it entirely eliminates the labor and drudgery of daily blackening and polishing.

Univit Porcelain is washable and is easily cleaned with a moist cloth, furthermore its smooth, lustrous surface furnishes no permanent lodging place to which the dust and dirt can cling—promoting greater sanitation.

Universal Stoves—Wonderful Bakers
Cookers and Heaters

Your most delightful cooking or baking experience is yet before you, if you have never had the pleasure of cooking on a Universal Porcelain Coal Range.

Every mechanical device which would further increase its efficiency is built into the Universal and the accurate arrangement of flues, drafts, dampers and grates enables you to cook or bake with every assurance of success.

UNIVERSAL
Porcelain ~ Coal Range

The Universal Coal and Wood Range is today the acknowledged standard by which others are judged.

Throughout the entire construction of the range only the finest and most durable of materials are used—resulting in a range which is practically indestructible and which after years of constant service, will still preserve its original beauty of appearance.

The woman who has never inspected a Universal Range cannot appreciate the vast difference between it and the ordinary coal range—cannot visualize its rare beauty or conceive to what extent a Universal would brighten up her kitchen and make the preparation of meals a pleasant task from which much of the labor had been eliminated.

A Variety of Styles and Sizes
to Select from

Universal Coal Ranges offer a complete assortment of models from which to choose, with a range of price that will particularly appeal to the discriminating buyer who demands the utmost for his money.

You will find it interesting and instructive to thoroughly inspect these ranges and particularly so at this time when we have the complete line of Universal Coal Ranges on display.
