- ☐ First cost is reasonable—will give long service without repairs.

- ☐ Give healthful, odorless warmth in winter—permit free ventilation of kitchen in summer, as breezes do not affect the flames.

- ☐ Provide an abundance of hot water for all household uses.

The Name is a
Guarantee of Quality

Happy is the woman who has a Bridge-Beach "Superior" Range in her kitchen—for she knows she will get the results she expects from her cooking and baking—light, fluffy biscuits, perfect bread, juicy roasts, tender steaks and delicious cakes and pastries. The secret is the scientific oven, the perfect draft controls and the ease with which the heat is maintained at a constant temperature. If you have not seen the new Bridge-Beach "Superior" Ranges, we will be glad to show you the complete line.

Many styles of finish to select from—beautifully enameled or plain black—many with nickel trimming. All have high closet and are set up from floor on sanitary base.

SELECTION—A size for every conceivable need. Our complete catalog shows many other models. Sizes for the home, club, hotel, yacht. Coffee urns, griddles, water heaters, hotplates and ovens.

DURABILITY—The small low-priced STANDARD is as durable as the highest priced. Your selection is for size and adaptability only. All models are good, all durable, an investment for a lifetime.
