TITULAR HOCKEY PLAY SCORELESS

BOSTON, April 7.—(AP)—The Boston Bruins and Ottawa Senators battled through 80 minutes of fast, but cautiously defensive hockey to a scoreless tie here tonight in the first of five games for the Stanley cup and the professional hockey title of the world.

The Senators came the closest to an actual score when Denny took a pass from Nighbor in the first period and beat Winkler with a hard drive from close in. The Ottawa center's pass was offside, however, and the goal was ruled out.

Boston missed its only real scoring chance in the second period when Oliver was in perfect form for a score from a rebound, but Connell, the Ottawa goal, turned in a miraculous stop and saved the game.

Take no chances with old meats or stale food of any kind. Buy your meats here and have the best and freshest obtainable and at a minimum cost. Hunt & Shaller, 243 N. Com'l

RECORD BROKEN IN BACKSTROKE

CHICAGO, April 7.—(AP)—Aroused over defeat by a school boy last night, Johnny Weismuller, world champion sprint swimmer, set a new national AAU record in the 220-yard free style swim tonight, beating young George Kojac, 17, of Dewitt Clinton high school, New York, by 39 feet.

Weismuller's time was 2:10 4-5, four full seconds better than the former AAU mark, but slower than the world's record of 2:08 3-5. Kojac defeated Weismuller in the 150-yard back stroke, setting a new world's record which previously was held by Weismuller.

Sale of Bonds for Salmon River-Otis Road Authorized

MEMPHISVILLE, April 7.—(AP)—The commission in charge of construction of the Salmon river-Otis shortcut road to the Roosevelt highway has authorized the sale of \$125,000 in 2 year bonds.

The bonds will be sold to the highest bidder on April 20 and construction work on the new road will begin as soon as the contract can be legally made with O. P. Lowe, Washougal, Wash., contractor, the commission said.

Lowe's bid was \$80,000 for clearing and grading the first 6 1/2 miles of road west of New Grande Ronde. It has already been accepted.

When completed the new shortcut will eliminate 29 miles of the distance from the Willamette valley to Lincoln county beaches and will provide the shortest road to and from Portland to the Roosevelt highway.
