

KINGWOOD HEIGHTS WILL OPEN TODAY

Forty Acres in Plat; Restrictions to Be Placed on Type of Dwellings

Kingwood Heights, latest of the attractive subdivisions near Salem, overlooking the city from the heights on the west side of the Willamette, will be opened today, according to an announcement from Angelo Comitti, West Salem realtor and agent for Major C. A. Robertson.

One hundred choice building sites, so arranged that no location obstructs the view of another, are offered in the plat which covers approximately 40 acres of ground. The entire tract is dotted with old fir trees, adding to the beauty and scenic value of each site.

That only the best class of owners locate in the addition, a restriction has been placed on the type and cost of buildings constructed. No residence may be put up at a cost of less than \$5,000 and only dwellings will be allowed in the tract.

Water and electric connections will be supplied with all sites and every modern convenience supported.

This newly opened district is only 18 blocks from the business district and with the proposed regulations should become a select residential district for home owners desiring suburban locations.

Nicaragua Liberal Force Ready to Lay Down Arms

MANAGUA, Nicaragua, May 5 (AP)—Though no definite peace settlement has been reached by Henry I. Stimson, President Coolidge's representative, as mediator between the warring liberals and conservatives, General Jose Maria Moncada, commander of the liberal armies, announced in effect that on the insistence of the United States he was ready to lay down arms.

After an interview today with Mr. Stimson, General Moncada said to the correspondent of the Associated Press:

"The view seems certain that the United States is prepared to take the field against us if fighting continues and I am prepared to order my troops to lay down their arms, turning them over to the United States troops.

"As continuation of Diaz (as president) is essential to the United States program, we are unable to resist, but we are not signing any peace agreement bearing such a provision."

JUBILEE SERVICE HONORS WORKERS

Rev. and Mrs. H. Shuknecht;
Rev. and Mrs. Ballantyne
Present

Thursday evening following the dinner hour a jubilee service was held honoring Rev. and Mrs. H. Shuknecht of Portland who are attending the Evangelical church conference in Salem this week.

Rev. H. Shuknecht

They have completed 50 years of active service in the church this year. They also celebrated their golden wedding anniversary. Rev. and Mrs. M. J. Ballantyne of Dallas were present. They also passed the half century mark in the work of the church.

Rev. Mr. Shuknecht, who is in his 73rd year, is well known in the Pacific northwest as he has served pastorates in Portland, Tacoma, Seattle, and acted at times as the presiding elder of the Portland and the Puget Sound districts. He came to the Pacific coast from Michigan in 1885 as a missionary to work in what was then known as the Washington Territory mission. Later he became superintendent of the activities of the Washington conference. For 16 years he continued to serve the church as superintendent and as presiding elder in addition to the other years as a pastor. During this time Rev. Mr. Shuknecht held 36 camp meetings and dedicated 14 churches. For the past six years he has been active in the ministry as a conference missionary.

Rev. Mr. Shuknecht was born in Buffalo, New York, in 1854 and served pastorates eight years in Michigan before coming to the coast.

Rev. M. J. Ballantyne is 74 years old and came to Oregon from Pennsylvania in 1891. Until recently he labored in the Evan-

gelical church as a pastor and presiding elder. For a number of years he was a member of the faculty of Dallas college.

Answering the roll call of the first meeting of the conference session in Salem was one well known to the older residents of Marion county, Rev. J. Bowersox, who has passed his 90th birthday, came to the Oregon Territory in 1867 and in Salem built the first Evangelical church. For many years after that he traveled along the Oregon coast preaching and organizing churches.

Bishop M. T. Maze of Harrisburg, Penn., is chairman of the conference. Dr. H. H. Nichel, honorary secretary of the board of missions of the Evangelical church of Cleveland, Ohio, and Rev. B. R. Wiener, secretary of evangelism of the Evangelical church of Naperville, Illinois, are also in attendance at the conference in Salem.

Troops Remain on Guard to Prevent Race Rioting

LITTLE ROCK, Ark., May 5 (AP)—While a grand jury investigated the lynching of John Carter, negro, and subsequent disorders by a mob here last night, Governor Martineau ordered state troops to remain on guard duty in the city.

The order was issued after he had summoned Mayor Charles E. Hoyer and Sheriff J. M. Haynie to the capitol and discussed the situation with them. While he did not issue a formal statement, he said he was convinced that police and sheriff's forces could have averted the disorders and might have prevented the lynching. The governor said it was not within his province to remove any officials from office even should he believe their failure to act justified it.

Carter was hanged and riddled with bullets by a mob of several hundred men following his capture in a tree near the city and an alleged confession that he attacked two white women yesterday. Later his body was attached to an automobile and dragged through downtown streets and then burned. A wild orgy of rioting and indiscriminate gun firing followed. This was subdued when state troops were ordered out.
