

DOLLAR DAY

Dollar Day Continued Monday Only

We estimate that we actually waited on 3,000 people at our Dollar Day Sale, Saturday. The Sale was a big success. It was really our best day this year. We believe that there are many people who wanted to take advantage of these money saving dollar bargains but were unable to come in Saturday. We know that all who were in Saturday will tell their friends about the remarkable savings, so we have decided to continue these prices for Monday only.
