

19 COLLEGES ENTER COAST TRACK MEET

Exclusive Central Press Dispatch to The Statesman
 LOS ANGELES, May 21.—Team and individual championships of far-west America will be decided in track and field competition for the first time on June 3rd and 4th when athletes from all sections from the Pacific coast meet in the Los Angeles Coliseum for the Pacific coast intercollegiate championships. This is the first time the affair has been staged, the meet replacing the former Pacific coast conference competition which was limited only to those nine members of the organization.

Although the closing date for entries is not until May 28, the following institutions have already entered the championships: California, Stanford, Southern California, Washington, Oregon, Montana, Washington State, Oregon Aggies, Idaho, Utah Aggies, College of Idaho, Tulane, California Tech, Occidental, Pomona, College of the Pacific, University of California in Los Angeles, Whittier and San Diego State.

These universities will bring more than 300 athletes to Los Angeles for the meet. Teams are limited to 15 men and five places count in each event.

It is probable that the national intercollegiate championship team will be entered in the meet for both Stanford and Southern California are favored this year to win the title in Philadelphia on May 27 and 28. California, Stanford and Southern California all enter teams in the eastern meet and return to the coast immediately after the I. C. A. affair, arriving in Los Angeles the day before the meet.

Since the Pacific coast has won the national title five out of the last six times in the far-west put up such a howl for a big meet that the Pacific coast officials decided to enlarge the scope of their

EDDIE MARTIN

Two former bantamweight champions, Cannon Ball Eddie Martin, and Abe Goldstein, have started "comeback" campaigns which both hope will land them chances at the title, now bobbing about aimlessly.

meet and make it permanent with hopes that it will grow to proportions of the I. C. A. and the National Collegiate in Chicago.

High Mark Is Expected
 Time made on the Pacific coast this season indicate that the marks at the Pacific coast intercollegiate will be on a par with if not greater than those at any other national affair this season.

Charles Borah of Southern California has already run the 100 in 9.6 seconds and the 220 in 21.4 seconds. Capt. Ed House of Southern California has run 9.8 and 21.4 seconds. Schultz of Cal Tech has made the same times.

Emerson Spencer of Stanford has run the 440 once this season at 48.8 seconds. There are six at 48.8 seconds. There are six other coast men who have run 49 seconds. The 880 has been done in 1:53.1 by Elmer Boyden of California and in around 1:55 by Harold Lovejoy of S. C. Clum of Stanford and Chartis of Washington.

Arnold Gillette, captain of Mon-

tana's team, ran the mile in 4:21.7 and the 2 mile in 9:30.4 at the 1926 conference meet. Chesley Unruh of Southern California, Alex McKinnon of Stanford, Leo Schwobeda of California, Ray Williams of Washington State and Capt. Royce Clayton of Oregon Aggies have all come under 4:25 this year. Two milers of note are: Capt. Johnny Divine of Washington State, Al Stevens of California, Carleton Waite of U. C. L. A., Rufe Ranney of Stanford and Gordon Smith of S. C.

Morton Kaer Among 'Em
 Both Cliff Reynolds of S. C. and Ross Nichols of Stanford have run the high hurdles in 14.6 seconds this year. Clarence West of Stanford, Alva Regan of California, Charles Webber of S. C. and Irving Tanner of Occidental have done 14.8 seconds. Morton Kaer of S. C. recently ran the lows in 23.8 seconds while West of Stanford has turned in a 24 seconds race.

Lee Barnes of S. C. went 13 feet 6 3/4 inches on April 30 in the pole vault. Jack Williams of S. C., has cleared 13 feet 6 inches, and Ward Edmonds, Stanford, and Nibs Hill, California, have vaulted better than 13 feet.

Bob King, of Stanford, has cleared 6 feet 6 inches in the high jump with Henry Coggeshall of S. C. and Tom Work of Stanford doing 6 feet 5 1/2 inches. There are several 6 feet 3 inch jumpers. In the broad jump there will be Jesse Hill of S. C., Zombro, Meeks and Syer of Stanford and Capt. Flanagan of Oregon all of whom have records of better than 24 feet. Hill's jump in the Stanford meet on April 23 was 24 feet 7 inches. Zombro went 24 feet 5 1/2 inches on April 30. The javelin should be won at around 200 feet by Joaquin of Stanford or Ted Shipkey of the same team.

Bill Hoffman of Stanford has hurled the discus 154 feet 3 3/4 inches this season. Capt. Elmer Gerkin has put the shot around 50 feet for California. Nearly every name mentioned has been coupled with national championships in recent years.

WHITMAN TAKES N. W. TRACK MEET

TACOMA, May 21.—(AP)—The Whitman college track team led the field of six entrants in the second annual northwest conference meet here today with a total of 50 points. Aided by fair weather ten of the fifteen conference records were bettered while another was tied. The records to fall were in the 220 yard dash, 440 yard dash, two-mile run, low hurdles, broad jump, high jump, pole vault, discus, shot, put, and mile relay, while the 100 yard dash mark was equalled.

The College of Puget Sound took second place with 32 points. Other schools scored as follows: Pacific university, 18; Idaho 17; Willamette 11 and Linfield 7 points.

Ruch, Willamette, won the javelin throw with a distance of 155 feet, 3 1/4 inches. Elliot of Pacific was second.

Whitman college won the mile relay in 3:35.8, with Pacific second. Fasset of Puget Sound took the two mile run in 19 minutes, 9 seconds, and Hathaway of Willamette was second. In the 880-yard event Yenny of Whitman came in first with Flesher, Willamette, second. Time was 2:05.4.

Valley Motor Ball Team Plays Silverton Today

The Valley Motor company baseball team will play Silverton at 2:30 p. m. today on the Silverton diamond. The caravan will leave the Valley Motor company at 12:30 o'clock.

ILLIHEE GOLFERS TO PLAY ALBANY

Golfers of the Illihee country club will journey to Albany today for the first tournament of a home and home series with the Albany club. Although information is lacking as to Albany's strength, the local players are not optimistic about winning today but have greater hopes of taking the return meet.

Other coming events include a flag tournament May 29, and a return match with Oregon City June 19. The Illihee team beat Oregon city here a week ago, 36 to 12, but the visitors were handicapped by unfamiliarity with the unusually hazardous course, and are expected to do much better at home.

Mrs. Don Young defeated Mrs. Verne Hamilton in the second round for the Pomeroy & Keene trophy, in connection with the weekly ladies' day program at the Illihee course Friday. Mrs. Gus Hixon won the approaching and putting contest for first team members, and Mrs. Lloyd Farmer won in the second flight.

BAKER FARMED OUT TO PEORIA

Loris Baker of Salem, versatile former OAC athlete who has been the property of the San Francisco Seals for the past two seasons, has been farmed out for additional experience to the Peoria club of the Three Eye league, made up of teams in Illinois and Indiana.

Last year Baker played for several weeks in the Montana Mines league as property of the Seals, but a series of injuries in the San Francisco lineup brought about his recall and he performed in an excellent manner at every position in the infield except first base.

With Mulligan, regular third baseman, going at top speed this year, Baker couldn't make a break into the lineup. The trip to Peoria is for his own good, according to Nick Williams, Seal manager.

When told of the change, Baker is reported to have been highly pleased, as he was anxious for active playing in any league.

Pre-season sport dopsters picked Baker as one of the outstanding young infielders in the Coast league and with the added Three-Eye league experience he should return to the league next year as a better man.

Roy Escallier, baseball captain at OAC in 1926, is a regular this year with Terre Haute, another Three-Eye team. Escallier led the Beaver sluggers last year, playing the hot corner in a fashion which gave him all-north-west honors.

SALEM BOY WILL ENTER MARATHON

With visions of \$25,000 prize rising before him, Chester Page, son of Mr. and Mrs. C. A. Page, 167 Court street, has applied for entrance in the trans-continental running race which "Cold Cash" Pyle, sports promoter, is arranging to take place sometime next February.

Page is a member of the young men's division of the YMCA. In track meets at his high school in the city of California, Missouri, he ran the 100 yard dash in 10 flat, and holds a mark of 55.3 in the four-forty.

Page believes that with a pace of 33 miles a day, the three thousand mile race can be won. He will go into training next winter, and be in tip-top shape for the gruelling cross country event.

Besides the \$25,000 first place prize, and the attendant opportunities which will come in the way of "movie" contracts and the like by virtue of winning the event, there are ten other prizes to be doled out. Each runner in the race will be accompanied by a judge to see that no one "hooks" a ride or gets assistance in any way.

Boy Champion

Jack Hall, nineteen, of St. Petersburg, Fla., has just won every event in the Florida high school aquatic meet at Daytona Beach.

BROOKLYN GAME PROTEST FILED

NEW YORK, May 21.—(AP)—President Wilbert Robinson of the Brooklyn National league club filed a protest with the National league on the outcome of the second game of the doubleheader between the Robins and the Cubs here today, which the Chicago team won 11 to 6. Robinson said that an agreement had been made to end the game at 5:45 o'clock to allow the Cubs to catch a train for Cincinnati but that the umpires let the game run on.

The Cubs started their nine run attack at 5:40 and the umpires allowed the game to continue the full distance. Umpire Wilson, who officiated behind the plate was surrounded by hundreds of fans and had to be escorted off the field by Coach Miller of the Dodgers and a squad of special policemen.

PICK YMD TEAM FOR DUAL MEET

About nine men from the young men's division of the YMCA will be entered in the track meet against Chemawa Indian school next Saturday on Sweetland field, it was announced yesterday by Robert Boardman, physical director of the YMCA, who is sponsoring the event.

The men who will participate are DeLisle, pole vault; Lloyd, broad jump; Byers, high jump; Tweedie, 120 yard hurdles; Query, 16 pound shot; Callahan, 50 yard and relay; Page, 100, 220, 440 and relay; J. Query, relay; Siegmund, 50, 100, 220, and the relay, and Ward in field events.

These men are expected to give the Indians a close battle as Siegmund and Lloyd are two of Salem high's track stars, and Page is a 10 second man in the 100 yard event. The meet will start at 1:30 o'clock.

Yale Junior Oarsmen Win Carnegie Regatta

PRINCETON, N. J., May 21.—(AP)—Yale won the junior race at 1 1/2 miles in the triangular Carnegie cup regatta on Lake Carnegie today. Cornell was second, two lengths behind, and Princeton third, a length and a half farther back.

Gresham — Multnomah county fairgrounds will have club building.

SHARKEY WANTS TO MEET CHAMP

NEW YORK, May 21.—(AP)—Jack Sharkey wants a fight with Gene Tunney for the heavyweight championship and he wants it right away, but he will pause long enough in his assault on the heavyweight heights to meet Jack Dempsey if Tex Rickard demands such a match.

That was the dictum of the former "gob" in Uncle Sam's navy, who last night crushed the heavyweight title aspirations of Jimmy Maloney, a fellow Bostonian, with a breath-taking display of speed, skill and punching power in five rounds at the Yankee stadium.

"I have signed no contract with Rickard to fight Dempsey," he said. "I'm going to rest. I won't enter the ring again until I get a real big match. The fight last night vindicated my judgment, my confidence in myself, and what I can do, so that I feel now I am entitled to a shot at Tunney right away."

Jack was in a happy mood as he appeared at Rickard's office today to collect his share of the \$211,063 "gate."

"The money, the money," he cried jokingly as he slapped his broad, hand on the promoter's desk. Rickard, "tickled silly," as he said, at the appearance of a new and colorful meteor in the heavyweight fistie firmament, promptly turned over a check for \$50,043, representing 25 per cent of the gate receipts. Maloney received a similar amount.

SALEMITES WIN OVER CORVALLIS

The Salem high school tennis team won its tournament with Corvallis high at Corvallis Friday, taking all of the seven events. The locals will meet Dallas high this week, but the date is uncertain because of the independent weather.

Summary of the Corvallis tournament follows:

Singles
 Creech, Salem, beat Bertsch, Corvallis, 6-4, 6-3.

Hagemann, Salem, beat Seling, Corvallis, 6-2, 6-1.

Walther, Salem, beat Weister, Corvallis, 6-1, 5-7, 6-.

Langhead, Salem, beat Ragsdale, Corvallis, 6-2, 6-2.

Doubles
 Creech and Hagemann, Salem, beat Saling and Bertsch, Corvallis, 7-5, 6-4.

Langhead and Rafferty, Salem, beat Walther and Ragsdale, Corvallis, 6-4, 6-2.

Reedsport—New union high school to be built to replace one burned.

Alaska Refrigerators

Right Quality At Right Prices

Alaska's forty-eight years experience in building highest quality refrigerators has proved cork the most efficient inner lining or insulating material. Cork alone conserves ice and protects food to the fullest extent.

Only in Alaska refrigerators is it possible to see the thick walls of cork that insures economy and complete protection—now you can buy a refrigerator and know what is in the walls.

We carry Alaska refrigerators in styles and sizes to meet every need, to fit any space. These refrigerators not only have the famous cork insulation but also the Alaska Full-Ice—sweep circulation which maintains the low uniform temperature so necessary for food protection and ice saving.

See these refrigerators now in our windows—buy one now and pay for it as you use it—

P. S.—For ten days we will give a pair of five dollar "blankets" with every refrigerator sold—twenty-five dollars and over—as blankets are more needed than ice just now—but the warm weather is on the way.

The most reasonable prices and the best made
