150 Mothers and Daughters Attend Annual Banquet on Friday Night

One of the most interesting of recent events at the First Methodist church was the Mothers' and Daughters' banquet at which covers were placed for 150. The general aid society was in charge of the program, while the men of the church served the banquet and decorated the tables.

The southeast circle, of which Mrs. E. C. Miller is chairman, prepared the banquet.

Mrs. Ronald Glover, as toastmistress, presided over the festivities in an exceedingly gracious manner. Mrs. Fred C. Taylor, church mother, had the place of honor at Mrs. Glover's right, while Mrs. Chester C. Clark was seated at Mrs. Glover's left. Mrs. H. H. Vandevort and Mrs. A. A. Underhill also had places of honor, as did additional women conspicuous in the work of the church—including Mrs. William E. Kirk, Mrs. A. A. Lee, Mrs. B. E. Carter, Mrs. H. M. Durkheimer, Mrs. I. L. McAdams, Mrs. F. B. Southworth, Mrs. E. J. Swatford, Mrs. C. F. Wilson, Mrs. J. R. Carruthers, and Mrs. Ida Shade.

SOME OF 'KING' BEN'S TROUBLES

With the suit of the state of Michigan at St. Joseph, Mich., to dissolve the "House of David," religious cult, many "victims" have sprung up to testify against "King" Benjamin Purnell. At the top of the Humphrey family, who at one time belonged to the cult, and who assert that two of its members were unjustly shunted off to an insane asylum in Kalamazoo, Mich., when they incurred the displeasure of "Queen" Mary. Photo shows, left to right, R. Moody Humphrey, 25, Mr. and Mrs. John Humphrey and (seated) Helen and Mary Humphrey. Mrs. Humphrey and her son, Moody, were the ones adjudged insane. Below are Mrs. Bessie Woodworth and Ruth Bamford Reed, two other former members of the "House of David," who allege they were attacked by the "King."

PLAYERS REHEARSE FOR BENEFIT SHOW

"Applesauce" to Be Presented; Proceeds to Go for Flood Victims

Because much more money will be needed by the Red Cross for relief of the Mississippi flood victims than the quota which has just been raised, the Equity Players are continuing their rehearsals of the three-act domestic comedy "Applesauce," by Harry Connors, which is scheduled for presentation at Bligh's Capitol on the evening of June 10. The cast has been busy and is preparing to make this production one of the dramatic events of the season. All the money raised by the play goes to the Red Cross for relief of the districts devastated by the flood.

Special concessions have been made by Samuel French and the owners of "Applesauce" for its presentation here as a benefit for the flood sufferers, although they report they are deluged with requests for extraordinary concessions. The play cast, in the opinion of Perry Prescott Reigelman, who is directing the production, is one of the most talented and capable that has been assembled for some time. All are experienced plays and are enthusiastic over the characters with which they are working.

"Applesauce" is sponsored by the Willamette Chapter of the Red Cross. It is a decidedly "human" play; its characters are everyday people found on the streets and in the homes of every city and town in the country. Their joys and sorrows are the joys and sorrows of everybody. Its humor is clean, spry, and infectious. This is evidenced by its long and successful run at the Ambassador theater in New York City.

\$100,000,000 SPENT DURING PAST 14 YEARS

for new road construction.

"During the year 1926 the receipt from motor vehicle licenses and the gasoline tax accruing to the state highway fund were approximately \$7,600,000. The bonded obligation aggregated \$2,920,000, and the maintenance charge \$2,500,000, leaving \$2,150,000 for new road construction. It has been estimated that receipts from the motor vehicle licenses and gasoline tax in 1927 would total more than \$8,300,000 and for the year 1928, approximately \$8,800,000. In the year 1929 these receipts probably will exceed \$2,000,000.

"The bonded obligation for the year 1927 is more than \$3,263,000 for 1928 approximately \$3,336,000 and for the year 1929 more than \$3,328,000.

Maintenance Estimated

"Maintenance charges for 1927 were estimated at \$2,700,000, for 1928 approximately \$3,000,000 and for 1929 in excess of \$3,000,000. There will be left for new road construction in 1927 \$2,336,000, while in 1928 there will be \$2,443,000. In the year 1929 funds for new road construction will aggregate \$2,871,000.

"During the year 1926 there were nearly 235,000 licensed cars in the state of Oregon, and it was estimated that this number would be increased to 250,000 during 1927. Motor vehicle owners contributed more than \$6,017,000 in license fees in 1926, while the fees for this year probably will exceed \$6,500,000. In 1926, motor vehicle owners paid more than \$3,530,000 in tax on gasoline. For the current year the gasoline tax should exceed \$4,000,000.

"The average consumption per car per annum for the past seven years has been 453 gallons. In the year 1920 this consumption was 443 gallons per car, in 1921, 431 gallons, in 1922, 425 gallons, in 1923, 439 gallons, in 1924, 449 gallons, in 1925, 466 gallons, and in 1926, 490 gallons.

Favors License Scale

"I have advocated a depreciated license fee for the motor vehicle, graduating downward according to age. The question of reduced license fees has been before the legislature at several sessions, but it has not received favorable consideration. The figures contained in this report are convincing that a substantial road program can be carried on annually without jeopardizing the state's finances. I believe that a revised schedule of motor vehicle license fees more equitable in its effect can be produced which would be more satisfactory to the motor vehicle owners of the state."

CLEANING UP THE MAKE-UP

Girls won't have to worry about the injuriousness of cosmetics if a bill introduced by Dr. O. S. Wightman of New York City, at the Washington meeting of the American Medical association, asking for federal control of the manufacture of cosmetics to eliminate their poisonous ingredients reaches congress. Dr. Wendell C. Phillips of New York, right, president of the association is seen congratulating Dr. Wightman.
