FARMER WOMAN IN OKLAHOMA

Praises Lydia E. Pinkham's Vegetable Compound Because It Gave Her Health and Strength

In a sunny pasture in Oklahoma, a herd of sleek cows was grazing. They made a pretty picture. But the thin woman in the blue checked apron sighed as she looked at them. She was tired of cows, tired of her tedious work in the dairy. She was tired of cooking for a household of boarders, besides caring for her own family. The burdens of life seemed too heavy for her failing health. She had lost confidence in herself.

One day she began taking Lydia E. Pinkham's Vegetable Compound and her general health began to improve. She took it faithfully. Now she can do her work without any trouble, sleeps well and is no longer blue and tired.

This woman, Mrs. Cora Short, R. 9, Box 337, Oklahoma City, Okla., writes: "Everybody now says: 'Mrs. Short, what are you doing to yourself?' I weigh 135 and my weight before I took it was 115. I have taken seven bottles of the Vegetable Compound."

office as the third president of the branch. Her predecessors were Mrs. George H. Alden, who served two years, and Mrs. George W. Hug, retiring president. Mrs. Klein was elected at the luncheon meeting held on Saturday at the Gray Belle.

The other officers chosen are: Mrs. L. O. Clement, vice president; Mrs. G. F. Chambers, treasurer (re-elected); Mrs. Robert Dann, secretary, (re-elected). Mrs. Lewis Griffith was chosen as trustee of the scholarship loan fund. Mrs. E. C. Richards will be the new scholarship loan fund chairman. Mrs. J. H. Lauterman will be the second trustee.

Forty guests were present for the luncheon at which Prof. S. Stephenson Smith, of the University of Oregon English department, was the speaker. Professor Smith spoke on "Comic Operas of England." Singing numbers by three members of the school of music added to the clarity of the lecture.

Special music was furnished by Mrs. Asel Eoff, who sang "I Know a Lovely Garden," accompanied by Miss Lucille Cummings.
