"The Lost World" Will be Shown Tonight at Congregational Church  
 One of the most amazing films ever produced, "The Lost World," adapted from Conan Doyle's celebrated novel, will be shown at 8 o'clock tonight at the First Congregational church for the benefit of the choir fund. The public is invited to attend. A small admission charge will be asked.  
 "The Lost World" is unquestionably the strangest and biggest motion picture ever made. Embracing a tensely thrilling love drama laid in a lost world of gigantic dinosaurs, ten millions of years old, it will achieve a record in the history of artistic and dramatic entertainment.

To see modern lovers clash with these mighty dinosaurs; to see the ape men of ages millions of years old; to see the giant prehistoric monsters living in their native haunts and eating, breathing, fighting, is to get the biggest thrill of a lifetime.

### HELP FOR SICK WOMEN

Lydia E. Pinkham's Vegetable Compound Has Restored the Health of Thousands

Brooklyn, New York.—Mrs. G. Hegmann of 228 Schaeffer St., was in a run-down condition and could not do her housework. She could not sleep at night. Her story is not an unusual one. Thousands of women find themselves in a similar condition at some time in their lives. "I found your advertisement in my letter box," wrote Mrs. Hegmann, "and took Lydia E. Pinkham's Vegetable Compound and got relief." Mrs. Hegmann also took Lydia E. Pinkham's Herb Medicine and Lydia E. Pinkham's Pills for Constipation, with good results. She says, "I am recommending your medicines to all I know who have symptoms the same as mine, and to others whom I think it will help. You may use my statement as a testimonial, and I will answer any letters sent to me by women who would like information regarding your medicines."

There are women in your state—perhaps in your town—who have written letters similar to this one telling how much Lydia E. Pinkham's Vegetable Compound has helped them.

**Public Is Invited to Attend "Open House" at State Tuberculosis Hospital**

The quality of the display will be astonishing to those who visit.  
 The exhibit will open at 4 o'clock this afternoon. The open-house will continue over the week-end, until Monday at 4 o'clock. The general public, particularly all state officials and all educational leaders, as well as anyone in the community, is cordially invited to call.

From 4 to 5 o'clock each afternoon tea will be served. Dr. and Mrs. Grover C. Belling will be hosts each day of the "open house."

Miss Mozelle Hair of the University of Oregon extension service is one of many prominent visitors from out of town who has arranged to attend the "open house."

Last year the exhibit was in the form of an open air festival and was widely attended by interested people from all parts of the state. Mrs. Laura Cass French is supervisor of the interesting educational work at the school.
