from which sprang the Purgatory river of today. The next chapter in the history of the river was written when bawling oxen, braying mules and

lumbering wagons started along the Old Santa Fe Trail. Civilization was moving westward. The French trappers fell back before the advance of the American bull-

whacker who was strong on expletives, but short on fancy words. La Purgatoire was a jaw-breaker these unpolished products of the silent trails could never hope to

master. The nearest they could come to it was " Picketwire." And the Picketwire river it became to the frontiersmen, trappers and settlers who handed the name
