Finishing the sixth week of play, the Twilight leagues present a difficult problem. In both leagues practically every team has a chance of copping the pennant with four weeks of playing to go.

In the Commercial league, playing Monday, Wednesday and Friday, the Papermakers are well out in the lead with the Legionnaires and the K. of C. second and third. The gentle, Bishop's and Valley Motor compose the second division in respective order.

Competition in this league has been keen, with many close games. Extra inning games have occurred several times, and good baseball has been more abundant than in previous years.

Fair crowds have attended these contests, and particularly the Papermakers have a following of rabid bleacher wolves that liven all of their games, although the attendance was greater last year.

In the other, or Industrial league, playing Tuesday and Thursday evenings, there remains the same amount of playing time. All four teams have a chance, although some are grasping the last straw of hope.

The De Molay nine has come from behind to win several times, while Hansen-Liljequist and the Postoffice have had rather hard sledding. All decked out in new uniforms the PEP nine seems to have taken a new lease on life and looks pretty good.

The "arbitrating" this year, handled by Chet Laird and "Petee" Mason, has been, on the whole, satisfactory.

The life of a Twilight league umpire is neither sweet nor long, but usually, when everything is explained, the ump is right.

The work of Roy "Spec" Keene, of Willamette university, as league president, has been exceptionally good. Keene is also star, initial sacker of the Legion club.

One to extended absence it was recently necessary for Bob Boardman to resign as secretary. Boardman has occupied this office for several years, and has been a great favorite to players, managers and fans. Dodge of the Valley Motor company was elected to succeed Boardman, and will handle that end of the work for the remainder of the season.

The attack occurred when the Boston manager stopped at the plate and made a remark to Umpire McCormick. Smith let go with his fist to Bancroft's jaw, and the Braves' leader dropped. The Pirate catcher was banished from the game.

AGED ZUNI INDIAN SLOWED UP IN RACE

EUREKA, Cal., June 18.—(AP)—Mad Bull, Karook Indian, leader in the San Francisco-Grants Pass Redwood highway marathon, arrived at the checking station at Fortuna at 5:30 o'clock this afternoon. Fortuna is 27 1/2 miles north of San Francisco and 20 miles south of Eureka. Mad Bull on his arrival announced that he would resume the race in 25 minutes.

SCOTIA, Cal., June 18.—(AP)—Cochie, the 18-year-old Zuni Indian in the 180-mile Redwood highway marathon from San Francisco to Grants Pass, Or., was reported held this afternoon at Pepperwood, eight miles south of Scotia and about 10 miles behind Mad Bull, Karook, leader in the race.

A physician was called to examine Cochie and reports were that he was not considered in good condition.

Cochie was sent out on the road last night by his American trainer, The Kirk, with instructions to overtake Mad Bull if possible. For 10 hours the Zuni Indian strained every muscle to catch his adversary and at one time was within a mile and a half of the leader.

He covered approximately 50 miles before stopping at Pepperwood, 26 1/2 miles north of the San Francisco starting point.

Mad Bull started from Scotia apparently fresh. He was smiling and declared he would reach Eureka, Cal., soon.

MAY ELIMINATE PIGSKIN SCOUTS

PRINCETON, N. J., June 18.—(AP)—The crusade to eliminate scouting in eastern college grid circles, sponsored last fall by Princeton and Yale universities, gained new impetus today with the announcement that their pact had been renewed for another year and four elevens on the Tiger schedule had joined the non-scouting movement.

Dean Henry B. Fine, acting chairman of the Princeton board of athletic control, in disclosing extension of the agreement to Amherst, Lehigh, Washington and Lee, and William and Mary, said the proposal had been submitted to all elevens meeting the Tigers this fall.

Although four responded favorably, Cornell asked that the matter be held in abeyance and Ohio State did not reply.

OLD FEUD REVIVED AT BASEBALL GAME

PITTSBURGH, June 18.—(AP)—A baseball feud of long standing between Dave Bancroft, manager of the Boston Nationals, and Earl Smith, Pittsburgh catcher, flared to white heat at Forbes field today when the husky Pirate backstop sent his fist crashing into Banny's jaw. Bancroft was knocked out by the blow. Three stitches were required to close the cut in his face.

Baseball experts said Bancroft and Smith had been at odds dating back to the days when the scrappy catcher was with the Braves. In the seventh inning of today's game between the Pirates and Boston, Bancroft came to bat and was given a walk.

As he stroled to first, Bancroft halted and said something to Smith, who retorted. Later Banny scored. As he crossed the plate he halted and spoke to Umpire McCormick. It was the general belief that he complained about Smith's general attitude.

Smith put in a hot sentence or two, while Banny and the arbiter stood at the plate. Then, as Bancroft turned toward Smith, the latter lunged the catching mitt from his hand and shot his fist into the Boston manager's jaw.

Bancroft was carried from the field, and the Pirate physician sewed the cut in his face. He then went to his hotel. Smith was banished from the game.

Later Bancroft said Smith had been "riding" him for some time. Asked what he intended to do about today's incident, he replied: "I'll put this thing up to President Heydler. Let his dispose of it."

The Smith-Bancroft clash caused a tense feeling on the field, and resulted in several close calls. While Bancroft was being carried out, Smith and Coach Dick Rudolph of the Braves, came close to a clash. Smith started after Rudolph, but other players stepped between them.

The umpires, McCormick, Klem and McLaughlin, had a busy day keeping the would-be batters apart. They aided in quelling the clashes and said they would report to President Heydler.

Salem	10	2	.833
Montavilla	9	3	.750
Nicolai	6	5	.545
Woodmen	5	6	.455

It will be a desperate attempt on the part of the Woodmen of the World ball team to pull out of the cellar and avoid the impending disaster of possibly being dropped from the league in a few weeks, that Salem fans are slated to see at Oxford Park this afternoon.

If the Woodmen win and Nicolai loses, the two will be tied for last place, and each will have an equal chance to stay in the league for the final race between four teams; on the other hand, if the Senators manage to beat the Woodmen, their chances of staying to the finish will be considerably slimmer, as the time is getting short.

"Frisco" Edwards' men, on the other hand, will be fighting to maintain second place and the close striking distance to Mt. Scott, now leading the league; and if they win, the Senators will be only half a game behind the occupants of the top rung.

The Woodmen are at the bottom, but at that they are only half a game below .500 per cent, and the withdrawal of three teams within the last few weeks has released a lot of speedy players, some of whom have been drafted into Woodmen uniforms, so that it will be no walk away.

Wayne Barham, Salem's old reliable moundsman, has been selected to start for the Senators.

Barham was going good at the opening of the season, but his arm went bad due to the strain of pitching extra mid-week games against strong clubs that forced him to use everything he had

COLT SETS RECORD IN AMERICAN DERBY

CHICAGO, June 18.—(AP)—Hydromel, little chestnut colt that finished fourth in the Kentucky Derby, won the \$25,000 American Derby at Washington park this afternoon by five lengths, defeating four other crack three-year-olds, including Whiskery, the Kentucky Derby winner.

Whiskery, the pride of Harry Payne Whitney's stable, finished last today.

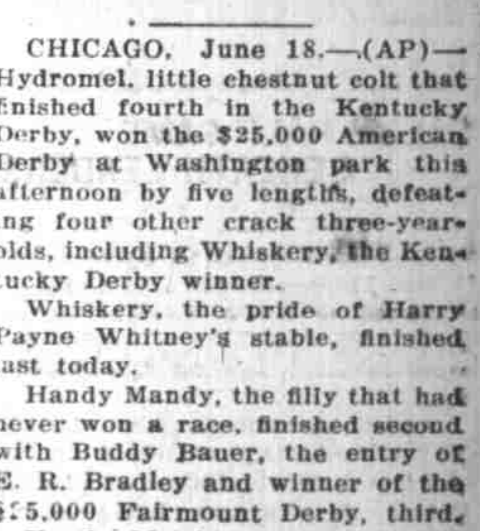

Handy Mandy, the filly that had never won a race, finished second with Buddy Bauer, the entry of E. R. Bradley and winner of the \$5,000 Fairmount Derby, third.

Handy Mandy, owned by Hal Price Headley, a Kentucky turfman, made a courageous challenge, coming from behind during the long stretch run after the vaunted easterners, Whiskery and Dolan had faded and beat Buddy Bauer out of second place by inches.

The race over the punishing mile and a half route, was witnessed by a sweltering crowd of 35,000 to 40,000, and was run in record breaking time.

Hydromel negotiated the distance in 2:29, breaking the track record of 2:30 1-5, hung up by Boot to Boot in winning the derby a year ago.

UPAN ADAM

"Ernie Nevers was hauling good ball for the St. Louis Browns the other day until he forgot where he was and started tassing forward passes."

ST. LOUIS, June 18.—(AP)—John A. Heydler, president of the National league, declared here tonight that he "certainly will investigate" the circumstances surrounding the encounter at Forbes field, Pittsburgh, this afternoon between Dave Bancroft, manager of the Boston Nationals and Earl Smith, Pittsburgh catcher.

"Such a thing certainly is regrettable," said President Heydler, in commenting on the fight. "However, I cannot make a statement until I receive an official report on the affair from the umpires of the game."
