

WHO IS THE SALEM TAXI CAB DRIVER?

The One Keeper of Cham-poeg Park Says Over Charged Woman

Editor Statesman: Those who know the writer know that he has ever been a friend of Salem and the institutions within Marion county. Cham-poeg park is considered by me to be Oregon's most historic spot, and I am doing my part to place before the people the history of Old Cham-poeg. Thousands of people do not know how to reach the place. There is no public service to and from the place and there is no phone line in here. By private conveyance is the only mode. June 11 and 12 there was a grange program. U. S. Senator C. L. McNary spoke before the body Saturday evening, the 11th. The lecturer of the state grange, Mrs. Bond of Eugene, wishing to be present, had arranged with friends to meet her at Newberg. She missed the last train out of Corvallis to Newberg, came to Salem and, being unable to learn the nearest point by stage or train to Cham-poeg park, sought a taxi driver, who said it would cost \$12 to take her to Cham-poeg park. She paid the price. Now, it is 62 miles round trip from Salem to Cham-poeg park over a good road, requiring three hours. Yet this Salem taxi had charged an official of the state

grange a little woman \$12 for that trip. Had she known, she could have gone to Donald for \$1 and been taken to the park for \$1.50, and there would have been no hold-up game as was the case with the taxi. I appeal to Salem to make this place better known and to let strangers who may wish to visit the spot know that there will be no hold-up in charges to those who now seek auto conveyance. —ALBERT TOZIER, Cham-poeg Park, June 21, 1927.

LANSING, Kans., June 21.—(AP)—Mutiny in the ranks of the convicts of the Kansas penitentiary here flared up above ground here early tonight, while 328

Occupants of B cell house overpowered three guards, locked the cell house door and planned to burn the twins' factory as a means of escaping the prison. NELSON ASKS HEARING

Alleged Strangler Denies Complicity in Winnipeg Crimes

WINNIPEG, Man., June 21.—(AP)—Earle Nelson, charged with the murder of a Winnipeg woman and a girl, and held as the "strangler" sought in the United States for the murder of several women, broke his silence today long enough to request a conference with a foreign official. "I am charged with two murders, but I'm not the one who did it," he replied when asked what prompted his request. It was definitely learned today that Nelson will be brought to trial in a higher court, probably July 20. His preliminary hearing is scheduled for Thursday. No counsel has yet been assigned to defend the prisoner. It was learned that several lawyers already have declined to act, among them Clarence Darrow, who was quoted as saying he was not practicing at present.
