

Columbia As Dark Horse Wins Collegiate Rowing Classic On Hudson

BEATS WASHINGTON BY SINGLE LENGTH

REGATTA COURSE, Poughkeepsie, N. Y., June 29.—(AP)—The gallant varsity crew of Columbia shared honors today with the smashing Navy piebe eight and a record-breaking Washington junior varsity in the annual inter-collegiate rowing classic on the Hudson.

A "dark horse," in the pre-race calculations, the New York oarsmen swept to a thrilling victory over Washington in the four-mile classic, leading the Westerners home by a length margin in a final heart-breaking dash through the final mile. California was third, more than three lengths behind the flying leader, with Navy, the favorite, a poor fourth.

The varsity race, as thrilling an event as the historic regatta has ever staged, developed into a three-crew race in the early stages.

Pennsylvania and Columbia got the jump at the get-away, but California slipped into a length or more lead just before the mile mark and held that advantage almost to the second mile with Columbia a grim second Washington third, and Cornell fourth. From a prime third place contender, Navy dropped to fifth.

That pace held almost to the finish, where Columbia killed off all opposition, but Washington, and brought the crews across the finish line with California third, Navy fourth, Cornell fifth, Syracuse sixth, and Pennsylvania a bad last.

In the junior varsity event with only five crews competing, California, Pennsylvania and Cornell followed the first crews across the finish in that order.

The victory for the crew of "Dick Glendon, almost the same boat load that pulled to a decisive conquest last year in the freshman race here, broke a winning streak of the Washington and Navy boats that had lasted through the past six years. Columbia last gained the championship in 1914. Since 1921, the Northwest oarsmen and Middies have each won three victories.

Rivalling the Columbia performance in decisiveness, was the record breaking three-mile dash of the Washington Huskies in the junior varsity event. Washington turned the distance in 15:12 4-5, to crush the mark they set last year at 15:40 1-5, when the event was rowed at that distance for the first time. Columbia was second, almost four lengths back in this event, with California third.

The navy piebes, rowing the two miles as though it were a mere jaunt, pulled home smoothly with a load of power in reserve to vanquish a gallant Syracuse boatload of yearlings by a length and a quarter. Navy lay back most of the way, letting the Orange oarsmen bet the pace, only to "steal the play" in the final mile for a comparatively easy victory in 9:45.

With "Red" Lyon holding the league leaders to four safe hits, the Bishop's clothing store team, holding last place in the Commercial league, threw a big scare into the Legion ranks Wednesday evening, and if some of the Bishop's outfielders hadn't developed buck fever in the fourth inning, they would have won. The Legion men took the game, 7 to 3.

In the fourth inning Bishops were leading 3 to 1, but in that frame three bad bobbles were made in the outfield and the ex-service men crowded in six tallies. One of the errors was es-

pecially costly. On a hit that would have been only a single, Houston circled the bases with two runners ahead of him, when the fielder let the ball filter through and then the throw-in was wild.

Outside of that one inning it was one of the closest games of the season, and one of the best played. The Legion players completed a pretty double play—Schnuelle to Luke Gill to W. Gill. Luke Gill also distinguished himself by getting two of the veterans' hits. Steelhammer of the Bishop's team hit a two-bagger.

Tonight the Postoffice and De Molay will play to decide third place in the Industrial league. This will be the last time these teams oppose each other this season.

Fisher has been pitching good ball for the letter carriers, and Gamble has been going good for the junior Masons, so it ought to be a tight game. It will be played at 6:15 at Oxford park.

BIDDY TO PITCH AGAINST SALEM

"Biddy" Bishop, old favorite of the local fans, will be on the mound at Oxford Park Monday, but it will not be in a Senator uniform. The former manager of the Salem team has been pitching for Eugene in the Willamette Valley league this year, and when Eugene shows up for a non-league game with the Senators, "Biddy" will be the starting pitcher.

The Eugene team is certain to give the locals a hot battle, as it is leading the other circuit, which is playing ball just as speedy as that in the City league.

There are a number of other former Salemites who will be on the opposing lineup in this game; Billy Reinhardt, who used to live in Salem, coached at the local high school and played with the Senators; Lynn Jones, University of Oregon star athlete who went to high school here; and Jack Bliss, who played with the Senators early this season.

P.A. says "Come again!" in every puff

THERE'S a warm invitation in every cool puff on a pipe packed with P.A., if you get what I mean. You sort of look forward to each intake, the way you watch the mails for a letter from your best girl. Good old Prince Albert! Never wears out its welcome.

Why, the instant you open the tidy red tin and get a whiff of that wonderful P.A. fragrance, your mouth waters for a taste of such tobacco. Did I say "fragrant"? I hope to tell you! The flowers that bloom in the spring have nothing on Prince Albert.

And when you load-up the old jimmy-pipe and open the drafts—say, Mister! Cool as the blast of a traffic-cop's whistle. Sweet as his words: "I didn't mean you." Mild as the Gulf Stream, yet with that full, rich tobacco body that satisfies to the very limit.

I'm getting mine with a pipe and P.A. every day. I want you to get yours. All you have to do is step around the corner and tell the man-behind-the-counter you want a tin of Prince Albert. He hears that hundreds of times a day from men like yourself. Try P.A.

PRINCE ALBERT

—the national joy smoke!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moisture top. And always with every bit of bite and punch removed by the Prince Albert process.
