CHICAGO FIRM BUYS

WEAVER COMPANY TAKES ON BLACK CHERRIES

C. H. Weaver & Co. of Chicago, one of the oldest and largest concerns of its kind operating in the west, has quietly purchased a big percentage of the black cherry crop in the Salem district for fresh fruit shipment east, it became known Wednesday.

Through its local buyer, H. R. Jones, this firm was one of the first to offer the high price of 10 cents a pound at which most of the cherries are now being sold. The Weaver company purchased no cherries for a lower figure.

Mr. Jones stated Wednesday that providing the Weaver company finds this deal satisfactory, it may establish a permanent connection here.

Shipment to the distribution point at Chicago is being made from Larmer's warehouse on Front street.
